

## ***My appointment***

***(29 July 2023)***

Tomorrow is 30 July 2023. I am going shopping household products at Foodland Ratchada. But it is not the time to start looking for My future husband. So, I will not consider any white men who are Christians and greet Me tomorrow to be My future husband.

If doctors of My dad do not make a new appointment with My dad, or if I do not change My plan for My reasons, I will go to Sanrio department at Central Lad Prao on 30 August 2023. ...

♥♥... See you ... My future husband ...♥♥
