

My conditions ***(1 June 2023)***

In these video clips, I have something stress to talk to Daddy Charles, Will, and Harry.

My Soul does not accept any pretences, dramas, lying, and temperamental people.

Whereas, on 29 May 2023 in the evening, My Mom was ordered to talk to Me “นกดคุยกับแม่ นกบอกแม่ว่า นกอยากคุยกับพี่เก้ แต่นกไม่รู้ว่าจะคุยกับนกกมัย” or can be translated in the English language “Nok talked to me “I want to talk to Kay. But I don’t know will Kay talk to Me” So, I started to be angry and I told My Mom “หนูไม่คุยกับมัน หนูรู้ว่า นกทำอะไร พ่อกับแม่ก็รู้ว่า นกทำอะไร” or can be translated in the English language “I will not talk to Nok. I know what Nok has done. Dad and you know what Nok has done” Then, My Mom was order to lie to Me one sentence that made Me furious “นกไม่ได้ทำอะไร” or can be translated in the English language “Nok did not do anything” After that, because I was so furious, so I walked away from My Mom to My bedroom. At that night, My Mom did not come to have a shower in My bathroom.

And then, on 30 May 2023, I always stayed in My bedroom and My Mom went out of our home for her personal businesses, so from the morning to around 8:00 pm, I did not meet My Mom. However, on that day at around 8:00 pm, My mom knocked the door of My bedroom to take her toothbrush out. After I knew that who had knocked the door, My autonomic nervous system started working immediately. I started to feel pain all over My body especially palms, wrists, arms, feet, legs, neck, back, and skeletons at My chest, and I felt that My inner body burnt itself. And because the bedroom of My Mom is next to My bedroom, so My conditions showed until I slept.

Although after that, My conditions have shown not much when I involve with My Mom, The Father Almighty told Me “Kay, pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family have ordered Me to **conceal** Your real conditions!”

I would like to emphasize the truths again. Since 2000, nobody even My Parents has talked the truths to Me. While I have talked to others, everyone even My Parents has laid to Me. And as of lately, My Mom has usually dramatized and laid to Me!

And important truths are that I know Myself My nervous system works very well and so very much quickly, and I have felt so very much stress because I am The Only One Latest Prophet, but nobody follows My solution!

Daddy Charles, Will, and Harry. Autonomic nervous system does not need to get any orders from brain to work? And **from 2000 to 2002, My autonomic nervous system absorbed stressful situations 24 hours until "full", so since the middle of 2002, if I am in a stressful situation, although I do not feel stress, My autonomic nervous system has fast responded the stressful situation at once.** Daddy Charles, Will, and Harry. What is your response when a thing flies straight on into your eyes? You will quickly close your eyes suddenly, right? Daddy Charles, Will, and Harry. The Father Almighty told Me **"Your disease is very dangerous and no doctor in the world can cure the disease!"**

So, I would like to ask Daddy Charles, Will, and Harry "How many times and how many years you all especially Will have pretended, dramatized, and laid to?" and "How many times and how many years you all let pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people fool Me back and forth "Prince William is going to come to get You on this day" "Prince William is going to come to get You on that day" "Prince William will call You on this day" "Prince William will call You on that day" "Prince William knew the truths" and "Prince William still has not known the truths"? **I mean that how many times and how many years you all have let My autonomic nervous system absorb you all especially Will as stressful situations? So, what will happen when you all especially Will approach Me?**

I would like to underline the truths again. Ratchaneewan Ad-harn and Pongthep Ad-harn are doctors. A nephew of pimp king Bhumibol and prostitute queen Sirikit is a doctor and works as a doctor in America. And many Thai people in their gangs are doctors and psychologists. So, they all have much knowledge of body system of humans. But you all still have not known and you all still have not followed My solution too. Did you know I heard the voice of Ratchaneewan Ad-harn several times "Let Kay die by Her nervous system!" And The Father Almighty told Me "Many Thai men are "a dog in the manger", so they admire this plan in that I prohibit men from approaching You!" So, I would like to question you all again. **If My autonomic nervous system remembers you all especially Will as stressful situations, what will happen when you all especially Will approach Me?** You have planned to force Me to marry Will before we will fly to The Holy Home, right?

Anyway, The Father Almighty told Me "After Will will have called You, I will usually let You and Will nicely talk to each other by being your own yourselves. Only sometimes which I will follow their orders in that I really would like all foreigners to know how **wicked** pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and their all foreign henchmen are!"

Last, I would like Daddy Charles, Will, and Harry to know. While I was typing this script, I was feeling pain at many parts of My body!

Thank you very much, sir.
