

My declaration on 7 July 2023

(7 July 2023)

(I wrote the declaration and posted it on My website for the first time on 7 July 2023. However, I completed it as The Father Almighty told Me and posted it on My website again on 8 July 2023.)

Today is 7 July 2023 and I would like to declare that ...

... Because the leader of the investigation team, the leader of the law team, and some British people have laid to King Charles "If we follow Kay's requests by firing the harlots out of their positions and the palaces and let Prince William call Kay after we continue investigating for around 6 months, it will make problems to our court cases. But if we continue our plans, we will win in courts of law", so remember My words ...

... "I hate a person because he is wicked. And if I hate someone, I will not definitely approach him. So that, I **will not definitely** work with the leader of the investigation team, any authorities in the investigation team, the leader of the law team, and any authorities in the law team. I mean that I **will not definitely** be a witness for the court cases in any courts of law of England, and I **will not easily** give any pieces of My latest book to be evidence for the court cases in any courts of law of England. ... **When I request you to help Me and My parents, you never follow My request, so when you request Me to help you, why do I need to follow your request?"** ...

... And because I am not only **The Daughter of Allah** but also **Allah's Messenger (The Latest Prophet of all Muslims)**, so I have **the full right** to bring the leader of the investigation team, the leader of the law team, and all British people who have laid to King Charles to see Me, My parents, and many foreign people **including numerous Muslims** be violently tormented continually, to be punished by **Sha-re-ah law** in the Muslim world. In that they have worked with pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and other evil foreign people together to commit many felonies and many offenses. Examples are genocides, terrorisms, offenses of continue tormenting Allah's Messenger and Her parents to be death, and offenses of making the father of Allah's Messenger feel **bitter** and **cry**. One of the sentences which I will request Na-bee Mohammad to punish them is that severe tormenting them and their families **including their children 24 hours every day at least 7 months to one year**, so they will know how bitter and anguished My parents have felt, how suffers My parents and I have gotten, and why I do not really want to wait for even one day!

And for King Charles ...

... “I would like to underline a significant truth to you again: The Father Almighty did not let Me start My new life abroad after I had graduated bachelor degree in 1997 as The Father Almighty **does not** want to give any chances to pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people to alibi and blacken other countries. ...

... Whereas, everything you have done since the end of November 1999 especially since new year 2023 will give chances to them to alibi and blacken Queen Elizabeth, you, your sons, Prince Andrew, The British Monarchy, British people, the UK, and other countries. ...

... **I mean that The Father Almighty aims at true purposes of My severe torments around 33 years but My severe torments around 33 years will not have any meanings *because of you.*** ...

... I have stressed principles of criminal law many times. I have told you almost all their plans. And I have emphasized one of their main plans many times: They have ordered and have controlled you, your sons, and Prince Andrew to do many things as their orders but oppose to your natures since the end of November 1999 and enticed many British people to commit the devil’s dirty plan with them together in that they have aimed “Just make judges and juries in every court of law **confuse** “Who real criminals are?” ...

... I heard “The group of people who will confuse between the truths from The Father Almighty and the lies from pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people are the illiteracy” However, **how many illiteracies all around the world?** ...

... And if all Christians admire, respect, and listen to The Father Almighty, why many Christians made up their minds to join the devil’s dirty plan to order The Father Almighty? ... Could you remember I told you who else that are British people but have worked the plan? ...

... The Father Almighty told Me “The type of humans who can reform themselves the most is “the white”. It means that the white can reform himself more than the black and the yellow. It does not mean that all the white can reform themselves or almost all the white can reform themselves. ...

... You are an adult, so you see the world as real. So that, you know what people in the current millennium are ...

... I mean that there are many Christians who **never** admire, respect, and listen to The Father Almighty! ...

... Pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people have also had many Christians, many foreign people, many foreign-Thai, and many Thai-foreign who agreed with them to **alibi by blackening** Queen Elizabeth, you, your sons, Prince Andrew, The British Monarchy, British people, and the UK. ...

... Please do not forget that pimp king Bhumibol and the satanic Chakri dynasty have created their images to be “the best” and “a family of a god and a goddess” since pimp king Bhumibol was a teenager to conceal the truths “We are so satanic. We are the big boss of the Thai soldier drug-selling gang. Two of our main plans are that to overthrow all ethical monarchies and to make “the world of drugs”” For that reason, pimp king Bhumibol and the satanic Chakri dynasty have needed to pretend to help scores of “poor people” and “people who have hard lives”, and have needed to donate and give scholarships for their faces. However, the people who got something from pimp king Bhumibol and the satanic Chakri dynasty sincerely believe “King Bhumibol and the Chakri dynasty are “the best”!” (I will give you an example of a man who is Pakistani-Thai and faithfully believe “King Bhumibol is king of the kings” at the end of this document.)

... And how about communist countries and people whose religions **do not** teach about The God? ...

... So, why do you think everyone in the world will listen to The Father Almighty? ...

... You may forget: **Victims** of pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people **are in every country all over the world**. And almost all the victims **will not** definitely surrender to be severely tormented for free (I heard “Many victims want compensation and interest for their suffers!”) So, if Queen Elizabeth, you, your sons, Prince Andrew, The British Monarchy, British people, and the UK lose in courts of law of countries where citizens **do not** admire, respect, and listen to The Father Almighty, what will you do? ...

... Could you figure out why pimp king Bhumibol, the satanic Chakri dynasty, and many of their henchmen have ordered The Father Almighty to send their thoughts to **lie to** foreign people all over the world since the origin? ...

... Once again: What pimp king Bhumibol, the satanic Chakri dynasty, and many of their henchmen have ordered and have controlled you, your sons, and Prince Andrew to do since the end of November 1999? And what else of the rumours became real?

... And once again: What images of you, your sons, and The British Monarchy are. But what images of pimp king Bhumibol and the satanic Chakri dynasty are. Their images are “the best”, right? ...

... So, if you want to help My severe torments around 33 years to have meanings **for The Father Almighty, us, Heaven, Hell, and all innocent foreign people**, Prince William must call Me within **10 July 2023 before 6:00 pm (Bangkok time)**. ...

... Could you figure out why the consultants, the investigation team, and the law team do not let Prince William easily call Me? ...

... It is because British people who live in the UK and wish you the best **cannot** talk the truths to you, your sons, and all ethical members of The British Monarchy **as the orders of pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people**, and people whom pimp king Bhumibol and the satanic Chakri dynasty have let them get close you, your sons, and all ethical members of The British Monarchy **are their henchmen**, so **if Prince William still has not talk to Me, you, Prince William, Prince Harry, and all ethical members of The British Monarchy Will not have anyone who wishes you the best, has knowledge of law, and can open your minds to see everything much wider, to consult!”** ...

... I warned you all!

Last, for Prince William ...

... “After I had carefully considered, I found that every evil thing which has happened to Me and My parents **is not** because of you. I mean that I so very much hurt and anguished, buy I try to understand you and the situations we have been confronted. ...

... Some of the natures of pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people is that they cannot stand to see soulmates love each other and live happily together. They will feel pleased if they can make soulmates have a conflict, quarrel, and separate from each other. And they will feel ecstatic if humans are “promiscuous” the same as them. Thus, pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people have tried to separate Us and have let the harlots tempt you and Harry to have sex with them for their ecstatic and fun. So, why should we separate from each other? ...

... However, although your dad is The King of The United Kingdom, he never cares about how his Sons and his Daughters will live happy lives. And I so very much hurt and anguished but I **do** love you. Therefore, if King Charles still does not listen to and follow your requests, you have to **prepare to abdicate** after we finish Our Missions. ...

... Both of Us like New Zealand, so, if you still love Me, I, you, Harry, his soulmate, My parents, and mommy Diana will “make our warm new home” in New Zealand. ... Do not worry about money. Everyone knows who I, you, Harry, his soulmate, My parents, and mommy Diana are. So, auctions will help us to live comfortable lives and have much time to do Our Missions. ... If you agree, I will not definitely leave you, Harry, his soulmate, My parents, and mommy Diana, and we will have “our warm new home” in New Zealand together 😊😊 ...

... Please tell Harry instead of Me **“Thank you so very much for all your help, My brother 😊😊”** ...

...❤️❤️ Love you so very much, Will❤️❤️...

...❤️❤️ You are a part of My life❤️❤️...

... 😊😊 See you 😊😊 ...

...

Note: There is a man who is Pakistani-Thai. He lives in Phetchabun Province, Thailand. He sells rotis for his life. Whereas, he has given rotis to his customers for free on every Friday. He has told everyone “You can think that a roti I gave to you comes from king Bhumibol. As I have always realized his mercy and benevolent. All my life cannot compensate king Bhumibol!”

He has explained ...

“Around 50 years ago, my father who is a Pakistani brought my mother who is a Thai, I, and my siblings to live in Pakistan. We had so very much hard lives.

After my father had died, all 7 lives had no way to live. Hence, my mother wrote a letter to king Bhumibol and sent by the Thai embassy in Pakistan to king Bhumibol.

Because my mother is a Thai, so king Bhumibol helped all of us to come back to Thailand. And we flew for free.

After we had arrived Thailand, king Bhumibol let his officers to take care of us not only for accommodation and for work but king Bhumibol also gave my mother “money” 3,000 THB every month until my mother could stand on her feet. Then, my mother requested the officers of king Bhumibol to stop receiving the money.”

He said “You do not need to bring anything to give to me. Just be my subsidizer, it is enough. My life at present is happy. My offspring take care of Me well. But I have not stopped selling rotis and have not stopped giving rotis for free because I never saw king Bhumibol stop working for his beloved citizens all his life!”

I would like you to know that not only the man sincerely believes “images” of pimp king Bhumibol and the satanic Chakri dynasty but there are many people who also wholeheartedly believe “images” of pimp king Bhumibol and the satanic Chakri dynasty!

(<https://youtu.be/izBXVDpNb8A> ... After I watched the clip, I am not sure that the man is Pakistani-Thai, or the man is Thai who is assigned by pimp king Bhumibol and the satanic Chakri dynasty to lie to Me and foreign people!)
