

My letter before you will read samples of My book

(17 December 2022)

Dear Everyone who has followed My works,

I have planned My plan to design My book, and started to design My book on 28 November 2022. Pimp king Bhumibol, prostitute queen Sirikit, and the satanic Chakri dynasty **do not** strongly want Me to finish correcting, completing, and designing My book in time because **My book will tell all foreigners what pimp king Bhumibol, prostitute queen Sirikit, the satanic Chakri dynasty, and all Thai people have offended many moral monarchies, especially The British Monarchy, and most of foreigners. My book will also help Me to earn much moral and legal income** which all Thai people cannot stand (in that more than 80 percentages of Thai people are drug sellers). Therefore, **since 4 December 2022 at night, I have hardly slept.**

And because;

1) The God told pimp king Bhumibol, prostitute queens, and prostitute princesses of the satanic Chakri dynasty **“After the manuscript of Kay will have been printed, they will be beautiful books”** and **“Kay will receive “Pulitzer” and awards of arts and design for Her book”** (The God told Me **“One of the thoughts of pimp king Bhumibol is “I never received any awards like that!””**) And

2) After I had posted **“My letter to Celine Dion (14 December 2022)”** on My website, they all knew that most of foreigners who read the letter admired the letter as **“It’s beautiful”** and want to know how beautiful My book will be.

So, pimp king Bhumibol, prostitute queens, and prostitute princesses of the satanic Chakri dynasty have ordered The God to change My beautiful works **to be ugly like their minds!**

Although The God told Me **“Kay, I have changed Your work up to their orders because I would like all foreigners to know **natures** of pimp king Bhumibol, prostitute queens, and prostitute princesses of the satanic Chakri dynasty: **how much envious they are**”** And **“Kay, You have known that they can order Me to do many things not everything, so after You will have sent Your works to Will and a publisher, **I will give your works back**”**, I have still felt so **upset** in that I have designed My book page by page, and before I would pass a page, I had repeatedly checked **“Is this page beautiful enough?”**

For the reasons earlier, if samples of My book that I have posted on My website make you feel disappointed, I heartily apologize. But I really want you to know that I have tried to do My best page by page!

**Love,
Kay
