

My letter to Prince William
(11 July 2023)

Dear Prince William,

Prince William, sir. Because pimp king Bhumibol has ordered The Father Almighty to send his thought to lie to King Charles “You have to wait. This way will help Kay to show Her feelings what she feels with Prince William”, so pimp king Bhumibol and the satanic Chakri dynasty controlled Me to write something idiotic to you in the document which I call “The declaration on 7 July 2023” to trick King Charles into believing “I have talked to The God”. So that, I wrote the silly words to you in the document.

Prince William, sir. One of the reasons why pimp king Bhumibol and the satanic Chakri dynasty controlled Me to write something idiotic to you is that they have planned to alibi “Prince William ordered The God to control Kay to write the document” And “Queen Elizabeth, Prince William, The British Monarchy, and all British people helped one another to control Kay to think “Pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people are so satanic” and to write “the lies” down on Her documents!”

Prince William, sir. I apologize for My unconsciously deed. You have to forget all the silly words in the document. And do not worry about Me. My feelings are not important. Our relationship is about Our Missions only. I mean that we have no bond between us.

Last, Prince William, sir. Could you please quickly help My dad? My dad needs to fast operate his joint bones at his hips. However, I do not trust any doctors in Thailand. But a doctor whom I do not really trust made appointment with My Dad to operate at Rajavithi Hospital where is a dirty governmental hospital in Thailand and is supported by pimp king Bhumibol and the satanic Chakri dynasty, in early September 2023. If My dad needs to operate in Thailand, I truly want My dad to operate at Bumrungrad Hospital but its cost is too expensive and I have no money. The next appointment of My dad to see the doctor is 22 August 2023. So, could you please hurry help My dad?

Best regards,

Kay
