

## ***My letter to Prince William***

***(19 September 2023)***

*(I wrote this letter from 18 September 2023 to 19 September 2023, and posted it on My website on 19 September 2023. but it is started sending to King Charles, Prince William, and Prince Harry by My mind on 22 September 2023.)*

Dear Will,

Will, if you worry “If I fire Kate Middleton, George, Charlotte, and Louis out of the positions and my palace, and then call Kay, there will be a big storm and/or something the worst to destroy all the UK”, I would like you to consider:

1) Daddy Almighty is the most merciful and the most benevolent, why He needs to blow a big storm to destroy all the UK or needs to make something the worst to destroy all the UK in order to punish His Son who try to save the lives of The Daughter, Her Parents, and numerous innocent lives, and to save the world?

2) Who else want Kate Middleton, George, Charlotte, and Louis to continue being on the positions and living the best lives in your palace? And

3) Who else do not want us to talk to each other?

Will, if you figure out, you will know whose voices have made you worry like that. So, why do you believe the voice which fool you “It’s not time yet”?

Will, next, I would like you to try comparing advantages and disadvantages of try firing them out of the positions and your palace, and then try calling Me, and not try firing them out of the positions and your palace and not try calling Me.

Will, if you do not try firing Kate Middleton, George, Charlotte, and Louis out of the positions and your palace and do not try calling Me;

The advantage is that you think “We will be in the safe zone” But the truth is “Just think” Will, could you remember “Storm Abigail” in the UK in 2015?

But Will, disadvantages are:

1) You still have not had any chances to know that My solution is right or wrong.

2) You still have not been free from Kate Middleton, George, Charlotte, and Louis.

3) Will, I heard some pronunciations from the song “The Best of My Love” sung by Rod Steward “But every morning I wake up and worry what’s gonna happen today”. So, Will, if you do not try doing, you will not also know how long the situation like the pronunciations will be continually happened to you, Brother Harry, all good foreign people, and many foreign people who can reform themselves. So that, I told you “if you do not try doing, you think “We will be in the safe zone” But it is “just think” Could you remember “Storm Abigail” in the UK in 2015?” And

4) Will, you knew their intentions as their “masterpieces” since before 1960, so Will, do you think if you do not try doing but let the evil situations continual go on, will good things happen to us and our world? And will we and our world be “better in time”?

Will, if you think “Kay just needs to wait for Me 12 years the same as I waited for Kay 12 years”, later on, 12 years passes but nothing happens, how will you do for the lost since I started requesting you to solve the problems by My solution?

However, Will, if you try firing Kate Middleton, George, Charlotte, and Louis out of the positions and your palace and then, try calling Me;

1) If it succeeds and nothing bad happens to all the UK, what advantage else you will want? 😊😊

2) If it succeeds but a big storm blew to destroy all the UK or something the worst destroyed all the UK, after I and you will have been at The Holy Home (or maybe after the trustworthy royal flight will have flown out of the territory of Thailand), Daddy Almighty will restore the country to its original conditions, and all foreign people who are good and who can reform themselves but they were passed away by the devil’s dirty plan (including British people) will come back to lives. Will, I mean that we and our world will be “better in time”

3) Will, if it does not succeed, please read article 2 again. But last, we will sue the pimp kings of Thailand, the satanic Chakri dynasty, all Thai people, Thailand, and all evil foreign people for our lost including lost of innocent lives. Not only British people can sue them but also foreign people all around the world!

Will, if you do the right, and British people and the UK are self-sacrifice to help our world to be “better in time”, what Daddy Almighty will let historians write about British people and the UK in the world’s history? And how will British people in this generation, British people in the next generations, foreign people in this generation, and foreign people in the next generations feel? 😊😊 ...

... And Will, Our Missions told Me “We sometimes need to lose something to get something better” But just “sometimes” only because they can order Daddy Almighty to do many things, not everything 😊😊.

Will, after you will have succeeded in firing Kate Middleton, George, Charlotte, and Louis out of the positions and your palace, you must not divorce Kate. But you must request an English court of law to order that the marriage between you and Kate is void. In that divorce has legal consequences. If you divorce Kate, it means that you accepted that the marriage between you and Kate is true and Kate is your real spouse.

Will, order that the marriage between you and Kate is void by an English court is also a way to help Me, My Parents, and My Group to go out of Thailand as your witnesses. Will, how will pimp king mha Vajiralongkorn, the satanic Chakri dynasty, and all Thai people do if the English court wants to know the truths from Me, My Parents, and My Group? I mean that how will they do if the English court order you and Brother Harry to take Me, My Parents, and My Group to England to “interrogate”? And what will happen if the English court “interrogates” Kate, George, Charlotte, and Louis “Who enticed you to commit the felonies?” “Who are the real instigators?” and “Who are the head of the plan in the UK?” 😊😊.

Will, a little advice. Will, a little advice. Will, you have to write the following truths in your petition to request the English court to order that the marriage between you and Kate is void ...

... “I have 5 best witnesses: Kay, Daddy Jamnong, Mommy Pinya, Angel Lek, and Uncle Nuay who all really knew what happened to Me, The British Monarchy, British people, and the UK but they are in Thailand. ...

... Because Thailand is full of drug addicts and drug sellers, so Thailand is the most dangerous place for my 5 best witnesses with the result that The Father Almighty has followed many of their orders including control mouths of my all witnesses. ...

... And because The Father Almighty told Kay “After a trustworthy royal flight will have flown out of the territory of Thailand, I will tell each foreign person all over the world “You can reform yourself” or “You cannot reform yourself” to help the UK to be a safer land for You, Your Parents, and Your Group in that I know “British people are extremely opposite to all Thai people” and all good foreign creative people can speak the truths out since then too” These truths can

be confirmed by many songs such as the song “Fly” sung by Hilary Duff and the song “Goodbye” sung by Spice Girls, ....

... So, may the judge order Me and Prince Harry to take Kay, Her Parents, and Her Group Home where is England to interrogate Her, Her Parents, Her Group, and my all witnesses in a safer land.” ...

... Will, please consult Daddy Charles, Brother Harry, and your trustworthy lawyers “Do I have to help Kay, Her Parents, and Her Group become English people by the reasons “They save the thrones, British people, all the UK, and our world” before running the process earlier in order to help the judge easily makes a decision?” 😊😊. ...

... Will, if the English court completes your request, but pimp king mha Vajiralongkorn, the satanic Chakri dynasty, the Thai prime minister, and/or the Thai government do not let Me, My Parents, and My Group go with you and Brother Harry, foreign people including judges and juries in every court of law will know who else are real felons: The British Monarchy, British people, and the UK, or the satanic Chakri dynasty, all Thai people, and Thailand?

Anyway, Will, My Dad has needed an emergency help.

Will, because My Dad has taught Me not to lie to anyone and to be fearless to do the right, so pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people including Nok have strongly wanted My Dad to be suffering death. As a result, My Dad not only has had problems about the joint bones of his legs which have made him feel so very much pains even though he does not move but also has usually had blood in his faeces which have made him so very much tried.

Will, although My Dad is 77 years old, Daddy Almighty told Me “Kay. After You, Your Parents, and Your Group will have arrived London, You all will be recovered from the diseases. And after You, Your Parents, and Your Group will have been at The Holy Home, You all will return to be healthy people” ...

... Will, although the appointment to operate between doctor Visit Wangwittayakul who works for Veteran General Hospital and My Dad will be 26 October 2023, the process which I advised you to do in this letter, other letters, and other messages take time. So, Will, why do you wait? ...

... Will, My Parents are My Life, so could you please immediately follow My requests? 😊😊

By the way, Will, important questions are that because we are True Soulmate created by Daddy Almighty and we were sent to be born together, so if you do not have Me, I mean that if My body cannot stand so very much violent torments anymore, will all the other women in the world help you to feel pleased to live as a male human? And will all the other women in the world help you to feel the meaning of your life? ...

... So, Will, why do you wait? 😊😊 ...

... So that, Will, could you please follow My requests out of the blue? 😊😊

Best regards

Kay

The Daughter

19 September 2023

**Notes:** 1) Will, Daddy Almighty told Me “Kay. Will strongly believed “The meaning of the song “If We Hold On Together” is the truth” in that the singer who sings the song is Diana Ross, so Will is cheated “Mommy Diana sings the song for us”” So that, Will, I would like you to think twice: Some pronunciations which I heard in the song are “Please let “Oscar” home to save” Will, if Mommy Diana sings the song for us, why Mommy Diana let “Oscar” help Me to come home to save? Will, if Mommy Diana sings the song for us, why the pronunciations are not “Please let “William” home to save”? Will, I mean that you cannot trust this song in that this song fool everyone to hold on to “let Oscar home to save” and you have seen what else happened while we have been waited!

2) Will, because I told everyone in “My first letter I will send to Prince William after Prince William will have called Me (September 2023)” What have happened between My Dad and the Thai doctors, so on 18 September 2023, doctor Visit Wangwittayakul who works for Veteran General Hospital agreed to operate the joint bones of the legs of My Dad without “coronary angiography” on 26 October 2023, but the doctor agreed to operate on one leg at a time. So, the pimp kings of Thailand, the satanic Chakri dynasty, and all Thai people have an alibi “All Thai people were waiting for Prince William to call Kay” But if you are fooled into waiting for something is not real and do not call Me in time, they will have an alibi to continue detaining Me, My Parents, and My Group in Thailand “Kay’s Dad should not be operated and followed up by other doctors” in that after My Dad is operated the joint bone of his right leg, My Dad needs to wait for around 3 months to recover to operate the joint bone of his left leg again. Later on, My Dad needs to recover around 3 months to fly. And all process needs the doctor who operated to follow up.

Why the doctor who works for Veteran General Hospital agreed to operate for My Dad? ... Could you remember I told you “Pimp king Bhumibol and the satanic Chakri dynasty are the leaders of the Thai soldier drug-selling gang”?
