

***My letter to Prince William
(5 September 2023)***

Dear Prince William,

Prince William, sir. I believed that The Release Day is coming on 8 or maybe 9 September 2023. So, I would like to advise you what else you must do on The Release Day.

Prince William, sir. You must fire Kate Middleton, George, Charlotte, and Louis out of the positions and your palace before you will call Me. ... Prince William, sir. Daddy Almighty requested Me to ask you “Kay, ask Will “If you call Me while Kate Middleton and her children are in the positions and your palace, what My status is when you call Me?””

And Prince William, sir. You must call Me before King Charles will call pimp king mha Vajiralongkorn, the satanic Chakri dynasty, and/or the Thai prime minister because King Charles can talk to them ...

... “William not only listens to Kay’s thought but also talked to Her. Kay insisted to my son that since She was a senior student at Thammasat University, She has never wanted to live Her Life in Thailand. And She cannot leave Her Parents and Her Group to live their lives in Thailand too. ...

... She requested my son to quickly help Her, Her Parents, and Her Group to come Home where is the UK. She also requested my son to fast help Her Dad to be operated at London. ...

... She never told anyone “I truly want My Dad to be operated at Bumrungrad Hospital” but She told everyone “If My Dad needs to be operated in Thailand, I truly want My Dad to be operated at Bumrungrad Hospital” ...

... And although She has never wanted to live Her life in Thailand since She was a senior student at Thammasat University, She planned to renovate Her Home because She knows what all Thai people will do after The Release Day will have come. She cannot tolerate liars, pretence, and drama, so She wants Her Home to be comfortable and to be so very much delightful to live for Her, Her Parents, and our staff in order to spend most of Her time at Her Home while She is in Thailand. And if you usually listen to Her thought, you will know that She planned to request The Father Almighty to move Her Home and everything She pays for and is imported to The Holy Home and then, London. ...

... Because of these, and because Her Dad needs to be hurry operated, so you have 7 days to make a decision will you let Kay, Her Parents, and Her Group go out of Thailand with my sons. If you do not allow, it shows that you, your family, all Thai people, and Thailand strongly aim to detain Kay, Her Parents, and Her Group in Thailand to commit the felonies and the crimes to foreign people all over the world continually. In that 7 days on which you spend to make a decision are 7 days tremendous foreign people all over the world are tormented, and the more the day Kay, Her Parents, and Her Group are in Thailand, the more the day immense foreign people all over the world are tormented! ...

... But if you do not let Kay, Her Parents, and Her Group go out of Thailand with my sons within the deadline, after that, Kay's Dad starts operating at Bumrungrad Hospital and Kay starts renovating Her Home, you must not alibi that you just figured out what you must do after Kay's Dad had started operating at Bumrungrad Hospital and Kay had started renovating Her Home in that 7 days are so many days for making a decision what you must do to stop the torments of everyone! ...

... I and my sons believed that you all knew Universal Declaration of Human Rights!"

Prince William, sir. You have to request King Charles to record every conversation between him and every Thai person he talks to.

Prince William, sir. This time will be 38th time at which I am waiting for calling from you, but I still. ...

Prince William, sir. ... I am waiting. ...

Best regards,
Kay
