

My letter to Prince William
(4 March 2022) ...

Dear Prince William,

Prince William, sir. I wrote this letter to you because I'm close to finishing My original manuscript. And I want this letter to be in My book.

Prince William, sir. I would like you to know that not only I damned you ***"idiotic"*** but My parents also.

Around 2 years ago. While I was standing in front of the door of My bedroom to open the door to go into the room, My dad was sitting in the living room and damned someone ***"idiotic"***. I immediately knew that My dad damned you. Suddenly, I heard the voice "Whom the dad of the kid damned?" Then, the voice replied ***"Will"***.

For My mom, I believe that My mom has damned you ***"idiotic"*** for a long time. One morning in 2017, My mom told Me "Kay, I ***suffer***". I knew that My mom wanted Me to tell you the sentence My mom told Me to request you to help us ***to survive***. And I told you. But ***no response*** from you who are ***a prince of the UK***.

And The God told Me several times "There're good foreign creative people who have known the truths but they ***cannot*** speak the truths out. They have been suffered because they have known the truths. They listened to Your explanations, and thought "Kay explained very well every point and every time". But because you are not smart, so you ***chose to believe "the lies"*** of the Satans and all evil people ***instead of "the truths"*** from Me who ***never*** lie to anyone. The God told Me "As a result, because the creative people have been suffered, so they damned Will "Men like Prince William ***can only*** study art. He ***cannot*** study medicine or law!"

Anyway, Prince William, sir. The God told Me "In the charity dinner, Taylor Swift fooled Prince William "The God told us to wait"" Prince William, sir. ***If*** Taylor Swift ***was*** a good woman, and ***told*** you the truths, why since then, no distressful situation has happened to her? And if Sarah McLachlan who sings the song "Building a Mystery", Diana Ross who sings the song "If We Hold On Together", and Mariah Carey who sings the songs "Hero" and "All I Want For Christmas Is You" sing the truths, why no distressful situation has happened to them? Both Whitney Houston and Mariah Carey sing the song ***"When You Believe"***. Why Whitney was passed away, but Mariah is still alive?

Prince William, sir. Why Amy Winehouse who sang the song *“Rehab”*, and Chester Bennington who sang the song *“New Divide”* were passed over? Prince William, sir. Why distressful situations happened to Jennifer Lopez who sings the songs *“Dance Again”* and *“On The Floor”*? Why distressful situations happened to Adele who sings the song *“Remedy”*? Why distressful situations happened to Celine Dion who sings the song *“The Power of Love”*? Why P!nk who sings the songs *“The Great Escape”* *“F**kin’ Perfect”* and *“Cover Me In Sunshine”* and her kid infected coronavirus in 2020? Why Rihanna who sings the song *“Take A Bow (Main)”* conceived her first baby in the end of 2021? And why many famous foreign people such as Robbie Williams who sings the song *“She’s The One”*, Hilary Duff who sings the song *“Fly”*, and Wayne Rooney married after the end of November 1999, and their families *“seem to be”* perfect? What the truths have J.Lo, Adele, Celine Dion, Pink, Rihanna, Robbie Williams, Hilary Duff, and the famous creative people wanted to tell us from their songs?

Prince William, sir. What have Keanu Reeves, Toni Braxton, Antony Costa, TQ (Terrance Quaites), Britney Spears, Justin Bieber, and Selena Gomez been confronted? What the truths have they known?

And Prince William, sir. The God told Me *“Some foreign creative people who are **matches** want to help Us. So, pimp king Bhumibol, the satanic Chakri dynasty, and all evil people are afraid “If the matches live their lives together, they will consult each other to help Kay and Prince William”* And because You have been still detained *in Thailand*, so pimp king Bhumibol, the satanic Chakri dynasty, and all evil people can order Me to separate the matches from each other, and control some of them to marry a henchman of pimp king Bhumibol and the satanic Chakri dynasty to know their movement” Therefore, Prince William, sir. What the truths have J.Lo, Ben Affleck, Jennifer Aniston, Brad Pitt, Nicole Kidman, Tom Cruise, Selena Gomez, and Justin Bieber known?

Last, Prince William, sir. Now, My dad *infected* covid-19. How many years will you continually wait for The Judgement of Jesus? Prince William, sir. Prince Charles infected covid-19 in 2020. And because he is an *heir apparent*, so he got *excellent medical treatment*. Last, he *recovered*. However, I and My parents have been still detained in Thailand where almost all citizens including almost all Thai doctors *really want to see us die* (Both Ratchaneewan Ad-harn who is the female Satan and Pongtaep Ad-harn who is her husband and a devil are *doctors!*) Prince William, sir. Did you understand what I want to tell you? ... Prince William, sir. *Is it because your brain has been full of the sex organ of Kate, so you cannot figure out “Kay told us the truths”, right?* ... Prince William, sir. *My parents are My heart*. So, if you

let My dad pass on, I ***will not definitely*** forgive you! ... And you cannot blame Me for what will happen after you and I will have been at The Holy Home. Because at that time, My reasons will be up to ***only Me the same as*** at this time your reasons are up to ***only your religious beliefs and The Bible!***

Regards,

Kay
