

My letter to Siriyakorn Pukkavesh

(I wrote this letter and posted it on My website on 21 February 2022) ...

Dear Siriyakorn Pukkavesh,

I knew how you could marry Christopher Marquardt, an American teacher, in 2011, and how you can spend your life in Portland, the United States of America, for a long time. I knew that you have 2 daughters: Metta and Anika. I also knew that Anika has got the disease that made her be a patient all her life, and she needs to frequently go into an operating room too.

So that, I would like to question you. Did you **understand** how My parents have felt about My violent torment I have been confronted but My parents cannot do anything to help Me? And did you **understand** “karma” or Jesus called “bearing of fruit”?

Kay

...

Note: Siriyakorn Pukkavesh was a Thai star. Her nickname is “Oum”. Her father was **a high-level Thai policeman**. I told you many times “Ratchaneewan Ad-harn is the third from the top of the Thai police drug-selling gang. And almost all Thai police are drug-sellers”.

After The God had just started opening My mind, I met Siriyakorn once at Emporium Department Store. At that time, I thought that she wanted to help Me (You all knew how the most optimistic I am 😊😊).

However, The God recently told Me on 20 to 21 February 2022 “At that time, Siriyakorn went to Emporium Department Store to see (memorize) your face. Then, she can imagine your face when she orders Me. Her father is a gangster of the Thai police drug-selling gang. She knew **how to pretend and how to use her words** to fool others into believing she is a “new-gen ethical woman”. Hence, she can marry Christopher and spend her life in Portland, the United States of America. She is one of almost all Thai who **has ordered and has controlled** almost all Americans. And pimp king Bhumibol and the satanic Chakri dynasty have planned to throw their guilts to her, her father, and her family. In that her name started by the word “Siri”, her family is a family of high-level Thai police, and she married the American, and has spent her life in America too.”
