

My letter to The Russian Government

(I wrote this letter from 8 September 2022 to 9 September 2022, and posted it on My website on 9 September 2022) ...

Dear The Russian Government,

Because I do not talk to any evil people, so I would like The Russian Government to tell Vladimir Putin My following words I am writing;

As A Person of The God, I would like The Russian Government to consider. Because some leaders of some powerful countries have competed with one another to lead his country to be the most powerful country in the world, so they have had conflicts with one another. And their conflicts which they have made by their own themselves have caused the problems to the citizens of their countries. As the leaders, he has to think about how to lead his country go along with his alliances. Whereas, as a human, what else have these leaders done for all mankind? Where is Russia located at? And what is the race of Russians?

Because The God started opening My mind in 2000, so not only The Russian Government but also Vladimir Putin have known that The God is Real. And because what have happened since then, so The Russian Government and Vladimir Putin have known that nothing The God cannot do (Except: 1) Sending a man who is ethical and always does good deeds all his life to purgatory, hell, and the eternal flame. And 2) Sending a man who is satanic and always does sins and mortal sins all his life to heaven.)

Therefore, as The Daughter, A Person of The God, The God truly wants Me to question The Russian Government instead of Him “Do you want to continue to have natural gas to sell all over the world? And do you want to continue to be one of the most vital sources of food of the world? I (The God) have given many vital things to Russians, but because Vladimir Putin has worked the devil’s dirty plan with pimp king Bhumibol and the satanic Chakri dynasty, and Putin has believed “War Plan” that pimp king Bhumibol and the satanic Chakri dynasty planned for him, so what else has Putin done for all mankind? ...

... Kay, emphasize My questions again “Do Russia want to continue to have natural gas to sell all over the world? And do Russia want to continue to be one of the most vital sources of food of the world? ... Soon, Prince William is knowing “I am fooled into waiting for The Judgement of Jesus that will take place in 4457 AD” So, after Kay and Prince William will have been at The Holy Home, it will be My time to be My Own Myself ... And nothing I (The God) cannot do! ... My questions once again ... Do Russia want to continue to have natural gas to sell all over the world? And do Russia want to continue to be one of the most vital sources of food of the world? ... Nothing I (The God) cannot do!”

Some area of Russia is in Europe, so if Europe disappears, what will happen to the area of Russia in Europe? ...

... I have not felt appreciate the US. Presidents and the US. Government for more than around 5 years the same as The Russian Government have not felt appreciate for a long time, but what guilt the European citizens, the British citizens, and the American citizens have done? ...

... As a human, what else has The Russian Government done for all mankind? ...

... Thank you very much in advance instead of the citizens of the countries that the leaders are competitors of “Vladimir Putin”. I said “Thank you very much in advance”, so please do not hurt My heart 😊😊.

Yours sincerely,
