

## ***My letter to all good foreign creative people***

***(25 April 2022)***

***(I wrote this letter from 24 April 2022 to 25 April 2022, and posted it on My website on 25 April 2022) ...***

Dear All good foreign creative people,

For this letter, I would like you all to think twice;

I told you one of the reasons why the torment time is so long is that ***nobody*** told Me who My Real Soulmate is until pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family themselves allowed The God to tell Me “Your soulmate is a prince” and allowed Prince William to “live-call” Me on CNN on 29 January 2013.

I believed that you all knew that they decided to allow The God to tell Me “Prince William is Your Real Soulmate” because they strongly want to see Me ***feel so much anguished***, and last, ***“suicide”***.

How about Prince William? Since the end of November 1999, ***nobody*** has told Prince William “This isn’t a test. Jesus won’t definitely come to judge the living and the death in the current millennium. What pimp king Bhumibol, the satanic Chakri dynasty, and almost all Thai are. And how to solve the problems.” Many of you knew that after Prince William will have known these truths, Prince William and all good members of The British Monarchy will start to help Me to go out of Thailand which will be the time “the Satans and all evil people ***will begin to bear their own abundant bad fruits by starting to kill one another***”

So that, think over: because if Prince William knows these truths, “the Satans and all evil people” will begin ***to bear their own abundant bad fruits by starting to kill one another***, and “the Satans and all evil people” have aimed to ***blacken*** Queen Elizabeth, Prince William, The British Monarchy, many creative people, the UK, and the US, so do you think if nobody who knew the truths ***devotes his life*** (that will be back after Prince William and I will have been at The Holy Home) to ***directly*** tell the truths to ***Max Foster*** and request Max to ***straight*** talk to Prince William and Prince Harry, ***will “the Satans and all evil people” let Prince William, Prince Charles, Prince Harry, all good members of The British Monarchy, and Max understand themselves and know the truths?***

***Think twice: Will the Satans and all evil people allow?***

Anyway, I would like to tell you how “the Satans and all evil people” will blacken many creative people;

Pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family have had much free time. After all members of the satanic Chakri dynasty finish ceremonies, they go back to their palaces and do nothing. Ratchaneewan Ad-han and Pongthep Ad-harn are retired doctors. They have spent their time in their house since coronavirus were launched. And most creative people have lifestyle like pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family, right? So, ***you all have had much free time to “order” and “control” someone, right?***

Everyone but Me has ***envious emotion***, right?

Many foreign creative people involved with, are involving with, or have been involved with ***“drugs”***, right?

There are foreign creative people who have used their fame to be ***“trouble makers”***, right?

You knew “Many Thai stars became “superstars” because ***they work the devil’s dirty plan***”, right?

And many of you knew “Pimp king Bhumibol shot his own older brother and created false evidence to incriminate “scapegoats” so as to be the king of Thailand”. Pimp king Bhumibol and the satanic Chakri dynasty are leaders of the devil’s dirty plan. You have known “The government of my country has joined the devil’s dirty plan”. So, although you are ***innocent***, the government of your country can follow suggestion of pimp king Bhumibol and the satanic Chakri dynasty by ***creating false evidence to incriminate you who are innocent***, right?

Could you all figure out how “the Satans and all evil people” will blacken many creative people? 😊😊

Many of you knew “If Kay dies, what will happen?” However, after Prince William and I will have been at The Holy Home, ***The God who knows the mind of everyone and has been ordered, and I will be your Best Witness in every court through wi-fi*** 😊😊.

...

I would like to underline it again. ***The more creative people tell the truths, the faster Prince William and Prince Harry wonder*** 😊😊.

If you do not know how to write an email to Max Foster, the following is a guideline;

Subject: The truths from Kay's friend

Dear Mr. Foster,

My name is ..... I wrote this email to make certain that Kay has known the solution since 2005. And now, Kay knew all important truths. The truths that Kay knows and the truths that I know are the same.

(The truths I know are .....) (You will write or will not write this paragraph, it is up to your decision 😊😊)

So, the best way is that listening to Kay and quick following Her solution.
