

My letter to all good foreigners who knew the truths especially all good foreign creative people

(25 April 2022)

(I wrote this letter from 21 April 2022 to 22 April 2022, corrected it from 23 April 2022 to 25 April 2022, and posted it on My website on 25 April 2022) ...

Dear All good foreigners who knew the truths especially all good foreign creative people,

On 21 April 2022 in the afternoon, a Thai sent a link in an application to invite Me to join a Buddhist prayer ceremony on 22 April 2022 at 8:02 pm. As a result, I quickly knew their plan.

Pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family have prepared to continually deceive many good foreign creative people into continual waiting by the lie “I (The God) sent Kay to be born as a Buddhist because religious beliefs of other religions are wrong but religious beliefs of Buddhism are right.” They have fooled the good creative people “Kay will be survived by “the power of boon” (the power of merit). And prayer is a kind of “boon””

I heard pronunciation in the song “Set Fire To The Rain” sung by Adele:

“When a ***“leng”*** with you

I could stay

They close my eyes

For you “he” forever

You and me together

Nothing is better

Cause they “Sars” sign to you that ***I never knew never knew***

You are the thing you say

they would ***never “shoe” never “shoe”***

When the game you play

You were door way

Nor way win

Nor way win ...”

Therefore, I strongly believed that Adele and some good foreign creative people have been fooled into waiting by the lies “After Kay will have started to “make merits” at a noodle shop that is called “Leng” and will have started to pray, She will be survived by “the power of boon” soon in that “the power of boon” will help Prince William to figure out “Kay told us the truths””

Hence, if I still have not survived (because all good foreign creative people still have not followed My request), pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family *can fool* the good foreign creative people into continual waiting by the lie “Kay still hasn’t had enough “boon””

You all have known that I am The Only One Prophet of the current millennium. I am The Latest Prophet of all religions. So, I am A Little Buddha of all Buddhists (I am called in Thai language “Pra-Sri-Arn”). So that, please do not listen to any Buddhist monks but Me.

Why I request you not to listen to any Buddhist monks but Me?

Do you know that many famous Buddhist monks have taught “One passes away as his “boon” is out” but the monks have also taught “After one will have died, if his “boon” still remain, he will be born as a human again”? Did you notice something from the teachings the same as Me? If one passes away as his “boon” is out, how his “boon” still remain, and how he will be born as a human again?” ☺☺.

A significant point is that Buddha separated “worldly” from “religious”, so Buddha teaches Buddhists by separating the teachings for “secular people” from the teachings for “monks” But all famous Thai monks have taught “secular people” and “monks” by not separating the teachings. An example is that the first precept of Buddhism which is the basic precept to be a completed human is to abstain from taking lives. However, Buddhist monks eat food which they receive from people who make merit, so the monks cannot choose the kind of food they eat. But because all famous Thai monks have taught “secular people” and “monks” by not separating the teachings for “secular people” from the teaching for “monks”. In consequence, most of Thai-Buddhists eat all kinds of meat the same as Buddhist monks by excusing “We don’t kill. We just cook!” ☹☹

Another important point is that Buddha teaches Buddhists “Selling drugs and taking drugs are mortal sins” and “Monks mustn’t receive money, mustn’t get close any women, and have to practice “let it go””, but many Thai-Buddhist monks take drugs, many Thai-Buddhist monks have sex with women, and many high-level Thai-Buddhist monks fascinated by fame, power, and material. ☹☹

So that, I would like to underline it again. please do not listen to any Buddhist monks but Me.

The God told Me “You and Prince William were sent to be born for the first time. So, you do not have “any karmas” in “any previous lives””. A truth is that “boon” makes one lives in a morality life. So that, I and Prince William have “boon” more than pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family. And “all good people and all people who can reform themselves” have “boon” more than “all evil people” too.

By the way, goodness is a kind of “boon”. Since The God created Prince William and Me (The God had created Prince William and Me before The God created the world.), Prince William and I have done goodness every day. “Boon” is personal worth. So, why do you think I and Prince William have not many “boons”? And why do you think Our “boons” are less than “boons” of “the Satans and all evil people”?

If I and Prince William have a huge countless boon, why I still have not survived?

Buddhism is a rational religion. Buddha teaches Buddhists by reasonable teachings. Buddha teaches Buddhists “Noble Truth 4”: “If you are suffered, you have to find a cause (or causes) of the suffering. And then, start to vanquish the cause (or the causes) of the suffering to be free from the suffering” So, it can be applied to how to solve a problem “If you have a problem, you have to find a cause (or causes) of the problem. And then, start to solve the problem at the cause (or the causes) of the problem.” ... Buddha teaches Buddhists to solve their problem by reason not by The God, gods, goddesses, Angels, “boon”, or “prayer”.

Now, our problems are:

1) Prince William, Prince Charles, Prince Harry, and all good members of The British Monarchy still has not solved the problems by My solution because they have been ***controlled all the time*** they have been in their daily lives. The daily lives of Prince William and Prince Harry with Kate and Meghan have also made Prince William and Prince Harry ***full of stress*** with the result that Prince William and Prince Harry ***cannot figure out*** “Kay has told us the truths”!

2) Untold foreigners have been tricked and/or ***controlled*** to participate in the devil’s dirty plan. And

3) Pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family ***can order The God*** to do many things ***including send their thoughts to lie to*** Prince William, Prince Harry, all good foreign creative people and all good foreigners!

The question for 1st and 2nd problems: Why they all have been *controlled*?

It is because The God has followed orders of pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, almost all Thai, and all evil foreign people.

An important guidance question: *Why The God has followed their orders?*

It is because pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, almost all Thai, and all evil foreign people have joined together to *condition* The God “If You don’t want Kay to be death, everything in the world must be *as* our thoughts” And “If You aren’t under our orders, we’ll *kill* Kay (and Her parents)!”

An important guidance question: Why they can *easily* kill Me and My parents?

I told you all many times *what Thailand is*, and how effortless of an evil Thai person to kill others in Thailand is.

I would like to emphasize it again;

Thailand is the land of drugs and the heaven of criminals. Pimp king Bhumibol and the satanic Chakri dynasty are the big boss of the Thai soldier drug-selling gang. Ratchaneewan Ad-harn and Ad-harn family are the third from the top of the Thai police drug-selling gang. More than 80 percentages of Thai are drug sellers and drug addicts. Have you ever heard the news of “Vorayuth Yoovidhya” who is an offspring of the family that “Red Bull” is one of their businesses? And if you know who took “The Blue Diamond” which is a diamond of The Saudi Arabian Monarchy in Thailand in 1989 AD, you will know that pimp king Bhumibol and the satanic Chakri dynasty have had much power to order Thai police officers to do illegal as their minds. Both “the Thai soldiers” and “the Thai polices” also have “killing teams: kill up to order”. The God also told Me many times “Almost all Thai are evil people. They cannot reform themselves definitely”. And My experiences in all Thai and Thailand since I was born have made Me know “The God told Me the truths!”

If a girl is detained in a place where almost all adults in the place are ready to kill her, and you want to save her life, you have to *take her out of the place as quickly as you can*, right?

I told you “38 Conditions for An Auspicious Life” that is a teaching of Buddha many times. 4th condition is that *living in an appropriate location*. Accordingly, if I and My parents still live our lives in Thailand where almost all citizens cannot reform themselves and strongly want to bring foreigners to die in hell and the eternal flame with them forever as untold as they can, *how can “Our boons” and “Buddhism prayer” work?*

I told you many times “Why pimp king Bhumibol did not allow Me to go out of Thailand to the US with Barack Obama in the end of 2012”

And I told you many times “The God will spend *13 hours on a reliable royal flight from Bangkok to London* to tell the truths to each foreigner “You can reform yourself or you can’t reform yourself” (Have you ever listened to the song “Fly” sung by Hilary Duff? ☺☺). After that, for Me and My parents, the UK will be *safer than* Thailand. Later on, after Prince William and I will have been at *The Holy Home* where is *the safest place* for Me, My parents, and Prince William, all good people and all foreigners who can reform themselves will go into *“process of redemption”*. Last, our world will be the heavenly world.

I mean that *before all else*, The God *needs to have a chance* to tell the truths to each foreigner “You can reform yourself or you can’t reform yourself” (Please listen to the song “Fly” sung by Hilary Duff ☺☺.) After a while, I *need a chance* to help all good people and all foreigners who can reform themselves to see purgatory, hell, the eternal flame, and heaven in their eyes, and to feel purgatory, hell, the eternal flame, and heaven in their dreams in order to bring them into *“process of redemption”*

If I die, I will not definitely come back to life, so who will bring you into *“process of redemption”*, and who will be your *“Saviour”*? Did you understand why The God will not certainly allow Me to die?

As a result, to suicide is not the right solution. Could you figure out *how* to solve the problems? And *who else* can help one another to give the chance to The God to tell the truths to each foreigner “You can reform yourself or you can’t reform yourself”? ☺☺

You all knew “Prince William is the only one man in the world who can bring Kay and Her parents fly in that Prince William is The Son of The God and The Real Soulmate of Kay. He has Prince Harry as his buddy brother. He has a royal plane. And both he and his buddy brother can fly a plane”, right?

So, we have to help Prince William and Prince Harry *to know* “What pimp king Bhumibol and the satanic Chakri dynasty are. Pimp king Bhumibol, the satanic Chakri dynasty, and almost all Thai strongly want to kill Kay and Her parents. We’ve been controlled not to follow Kay. We mustn’t wait for The Judgement of Jesus in that The Judgement of Jesus will take place in 4457 AD. So, we have to solve the problems by Kay’s solution” before, right? ... And *who else have known these truths?* 😊😊

You all knew “Kay has tried to tell the solution since 2005, and has tried to tell the truths of pimp king Bhumibol and the satanic Chakri dynasty since the middle of 2013. But Prince William and Prince Harry still have not listened to Her”

I told you “You have let *only* Me speak the truths out since 2005, so My words *do not have enough weight* to help Prince William, Prince Charles, and Prince Harry to believe” “Prince William, Prince Charles, Prince Harry, and all good members of The British Monarchy *have been controlled* by pimp king Bhumibol and the satanic Chakri dynasty *all the time* they have been in their daily lives” “Prince William has been fooled into strong believing “I’m a Prophet the same as Kay” by pronunciations in some songs. So that, he *has had full of confidence* “I’m right””. And “The God told Me “Prince William has thought “Kay was fooled” because *“If Kay tells us the truths, why no good foreign creative person says anything?”*””

If you believe that to see “Law of Karma”, we have to wait until pimp king Bhumibol himself will make a mistake in controlling Prince William, I told you many times how pimp king Bhumibol will make a mistake in controlling Prince William.

Some foreign creative people especially foreign creative people who are “trouble makers” have known that The God has followed their orders because *The God really wants to teach everyone to try to do the right his best to solve his problem before pray to The God to request The God to help him. After we will have succeeded in solving our problem the right, we will see “Law of Karma”*

If you believe that we will see “Law of Karma” by doing nothing, I questioned you many times if we want to see “Law of *Worldly* Karma” rebound a big group of felonious criminals *in this life*, but no one reports the felonies to any police officers, no one volunteers to be a witness, no police

officer starts to investigate, no state attorney proceeds the cases to any courts, and no judge gets the cases to judge, how will “Law of **Worldly Karma**” rebound the big group of felonious criminals **in this life**. I explained to you many times “The Satans and all evil people will start to get rid of their own companions who can help foreign police officers to link the evidence to them after they will have been sued. So that, their actions after they will have been sued will demonstrate “Law of **Worldly Karma**” **in this life**.” ... Have you ever listened to the song “Better In Time” sung by Leona Lewis? Some pronunciations are **“It’s gonna hurt when here Sue”**, right? ***Did you understand why “the voice” has suggested you to wait and do nothing?***

Many good foreign creative people have known “This isn’t a test”. And I asked you many times too “This isn’t a test. But if you strongly believe “This’s a test”, why do not you try to do **the right** your best to pass the test?”

Have you ever listened to the song “I Will” sung by Dia Frampton Feat. Blake Shelton. The pronunciation is “A Will”. “A Will” has 2 different meanings. One means “Prince William”. And another means **“To help Kay is a will of all good foreign creative people”** ☺☺ And have you ever listened to the song “Better in Time” sung by Leona Lewis. Some pronunciations are “It’s gonna hurt when here Two (Sue). And the world Kay better in time. Didn’t know I really love You. ***I’m gonna smile cause I “dee” serve Two. And the world Kay better in time***”, right? I believe that you knew that **“dee”** is a Thai word. It means “good (adj.)” or **“well”** (adv.)” ☺☺.

I would like to stress it again. If you and your love are not evil people and you and/or your love are passed on because of “the orders”, after Prince William and I will have been at The Holy Home, you and/or your love **will come back to lives**. And if you are controlled to marry their henchman, after Prince William and I will have been at The Holy Home, The God **will tell you who your real soulmate is**.

Another truth that I would like to stress it again is that since the end of November 1999, numerous foreigners were passed away by cooperation of the Satans and all evil people. And what have happened since the US. Government launched coronavirus to the world? Could the time when passed 22 years fully help you all to know how demonic pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, almost all Thai, and all evil foreign people is? So, ***what will be your guarantee that if you follow every word that “the voice” “order” you to do,***

they will not definitely kill you and/or your love someday in the future?

So, do you all want to see Amy Winehouse, Chester Bennington, Kenny Rogers, Michael Jackson, Robin Williams, Steve Jobs, and Whitney Houston come back to lives for their families and their fan-clubs"? ... Yes, I do ☺☺. Do you all want to see Jennifer Syme and her baby come back to life for Keanu Reeves? ... Yes, I do ☺☺. Do you all want to see Rene Angelil come back to life for Celine Dion and her family? ... Yes, I do ☺☺. Do you all want to see all foreigners who are passed over because of “the orders” come back to lives for their families? ... Yes, I do ☺☺. Do you all want to see Jennifer Aniston reconcile Brad Pitt? ... Yes, I do ☺☺. And do you all want to help Adele, Bruce Will-is ☺☺, Cristiano Ronaldo, Hilary Duff, Jennifer Lopez, P!nk, Richard Gere, Rihanna, Robbie Williams, Simon Cowell, Tom Cruise, Wayne Rooney, ***all*** good creative people, ***all*** good people, and ***all*** foreigners who can reform themselves to know “Who my real soulmate is”? ... Yes, I do ☺☺. ... I cannot succeed in My wishes by Myself ... The faster you help Me, the faster they and you will be happy. ... So that, could you please help one another to help Me? ☺☺

I would like to spotlight it again. My guidance is that you have to find a way ***to speak out*** and/or ***to write*** and/or ***to show*** the truths to ***Max Foster*** who is a CNN journalist and ***close to*** Prince William and Prince Harry (maybe ***by phone and/or an email***), and ***request Max to tell the truths and/or to forward your email to Prince William and Prince Harry***. If you write an email to Max, please do not forget to tell him “If you get my email, please reply the email to help me to know “My email is received””. ☺☺

Every suggestion is for saving not only the thrones, all good people, all foreigners who can reform themselves, and the world to survive from the Satans and all evil people ***but also yourselves to survive from conviction of the felonies and the genocides which have been occurred since the end of November 1999*** ☺☺. ...

... ☺☺ ***I and My parents have waited for your help*** ☺☺ ...

Pure regards,
 Kay
