

My letter to everyone

(15 May 2022)

(I wrote this letter from 4 May 2022 to 9 May 2022, completed it on 14 May 2022 and 15 May 2022, and posted it on My website on 15 May 2022) ...

Dear Everyone,

I told all good foreign creative people and all good foreigners in the previous letters “The God will not definitely allow Me to die except I succeed in suicide” but “To suicide is not the right solution”. However, after I had carefully considered advantages and disadvantages of suicide again, I found that;

Advantages;

1) If I succeed in suicide, at the time when I will have completely died, pimp king Bhumbol who is the male Satan, Ratchaneewan Ad-harn who is the female Satan, the satanic Chakri dynasty, Ad-harn family, almost all Thai, and all evil foreign people will be suddenly taken down to die in hell and the eternal flame *forever* the same as the death of Devadatta monk.

2) Because of that, the world will return to normal. All foreigners who have been controlled including Prince William and all good members of The British Monarchy will out of the control and will understand themselves.

3) The Satans and all evil people have planned to continually torment us. So, if I succeed in suicide, they cannot order The God anymore. So that, My parents will not be violently tormented anymore, and all good people and all foreigners who can reform themselves will not be tormented anymore too. And

4) If I succeed in suicide, I will go back to heaven that is My most wish.

Disadvantages;

1) If I succeed in suicide, I will not have come back to life definitely until 1990 will come, so

1.1) All good people and all foreigners who can reform themselves will not see purgatory, hell, the eternal flame, and heaven in My eyes, and will not feel purgatory, hell, the eternal flame, and heaven in their dreams. ... However, it will *actually* happen *after* The God will have turned back the time to 1990.

1.2) All people who are passed on by the devil's dirty plan including Princess Diana of Wales, Princess Grace of Monaco, King Rainer III of Monaco, Prince Philip of The British Monarchy, Jennifer Syme, Rene Angelil, Amy Winehouse, Michael Jackson, Robin Williams, Steve Jobs, Whitney Houston, Chester Bennington, and Kenny Rogers will not come back to lives. ... Nevertheless, I and they will come back to lives *certainly after* The God will have turned back the time to 1990.

1.3) Nobody will link The God, heaven, and the world anymore with the result that The God will not tell anyone who still will be alive in this world "Who your real soulmate is". ... Nonetheless, I will come back to link The God, heaven, and the world *again after* The God will have turned back the time to 1990. And

2) If I succeed in suicide, not only the Satans, all devils, and all sinners will be suddenly taken down to die in hell and the eternal flame *forever* but all people who are not devils or sinners but they join the devil's dirty plan and still do not quit will also be grouped into the group of "wicked people" to die in hell and the eternal flame *as "evil people"* with the Satans, all devils, and all sinners together *forever*. ... Although many of them are tricked and/or controlled to participate in the devil's dirty plan, I have given them many chances to quit the devil's dirty plan since January 2020 but they still have not quitted. Therefore, dying in *merciless torments* with the Satans, all devils, and all sinners together *forever* is "the fittest fruits" for them.

Because;

1) The advantages and the disadvantages above.

2) I was started to severely tormented to pass on in 1990 when I was just 14 years old. This year is 2022 and I am 46 years old. So, I have been violently tormented to pass on *32 years fully*.

3) My parents have been severely tormented to pass over *22 years fully*.

4) All good people and all foreigners who can reform themselves have been tormented (at least by being "insomnia") *22 years fully*.

5) Prince William, Prince Charles, Prince Harry, and all good members of The British Monarchy have been ordered and *controlled*, so they never listen to Me who never lie to anyone, so that they cannot figure out I am right but they are wrong.

6) All good foreign creative people have been tricked and *controlled* to believe *the lies* from "the voice" instead of *the truths* from Me who never lie to anyone. As a result, nobody devotes his life for Me and the world by finding a way to speak out and/or to write and/or to show the truths to Max Foster.

7) The God has told Me “Kay, You Yourself must **“press the bomb” by Yourself** the same as “Harry S. Stamper” presented by Bruce Will-is ☺☺ in Your most favourite movie “Armageddon” does ☺☺.” And

8) The God guided a guidance from The God to Me on 3 May 2022 in the morning, on 8 May 2022 at night, on 9 May 2022 in the morning, on 13 May 2022 at night, and on 14 May 2022 in the morning.

So, I would like to declare that;

If;

1) 21 June 2022 comes (1st condition),

2) **Ratchaneewan Ad-harn, Pongthep Ad-harn, Nuttha Ad-harn, Taweesan Ad-harn, Taweesan’s wife, Taweesan’s children, all maids in their houses, and Wisit Sanerkaew, nickname “Tu”, whom Ad-harn family sent to destroy My virginity** still have not been brought to be severely tormented to be death (2nd condition),

3) **Nok** who lives in My parents’ houses still has not died (3rd condition),

4) **Esu** who is a Burmese and lived in My parents’ house still has not died (4th condition),

5) **Camilla Parker Bowles** who has lived with Prince Charles still has not died (5th condition),

6) **Kate Middleton** who has lived with Prince William still has not died (6th condition),

7) **Meghan Markle** who has lived with Prince Harry still has not died (7th condition),

8) Prince William still has not chased **Kate’s children** down out of his palace (8th condition), and

9) Prince William still has not called Me (9th condition),

I will take paracetamol overdose to pass over on 21 June 2022 at 9:03 pm (Bangkok time) in order to stop the world’s problems.

I mean that ***all conditions must be completed. if all conditions are not completed, I will suicide on 21 June 2022 at 9:03 pm (Bangkok time) to stop the world’s problems.***

If I succeed in suicide, I do not allow Prince William to touch any parts of My dead body.

I am not sure that if I succeed in suicide, My parents will be brought up to heaven with Me, or not. So, if they are not brought up to heaven with Me, ***please take care of them your best***. And could a UK agent and a UK publisher please sign contracts of copyright of My book with My parents? 😊😊

😊😊 I would like
all good people and all foreigners who can reform yourselves
to prepare yourselves
for
having ***good nights*** and ***sweet dreams*** again 😊😊

Pure regards,
Kay

Remarks: I want Camilla Parker Bowles to die because Camilla hurt Princess Diana. Camilla never loves Prince Charles but Camilla made My Princess feel so much anguished from before engagement day to the day when My Princess passed on. Camilla has also intended to make My Princess hurt when My Princess comes back to life. And Camilla has hurt almost all British people ecstatically too.

I want Kate Middleton to die because Kate has hurt not only Me but also has ordered The God to make almost all British people who are My compatriots sleep not enough, and to torment almost all British people who are My compatriots ecstatically too.

I want Meghan Markle to die because Meghan has hurt the soulmate of Prince Harry and almost all Americans ecstatically.

The God told Me and questioned Me “Kate has tormented almost all British people ecstatically. Meghan has tormented almost all Americans ecstatically. And because of Camilla, Kate, and Meghan, so Prince Charles, Prince William, and Prince Harry cannot figure the truths out ***with the result that innumerable foreign people all around the world are tormented and are passed over continually. However, these harlot devils have felt ecstatic***. So, why do We need to keep their lives?”

Queen Elizabeth, Prince Charles, Prince William, Prince Harry, all good members of The British Monarchy, all good people, and all foreigners who can reform themselves do not have to kill them. The God guided *the guidance from The God* to Me in order to help everyone to see *how they will die!*
