

## ***My letter to say “I love U”***

***(I wrote this letter on 7 June 2022, and posted it on My website on 8 June 2022) ...***

Dear All good foreigners and all foreigners who can reform yourselves,

On 7 June 2022 at around 11:45 am, while I was being on the pickup truck of My dad to come back home, I saw a man and a woman walking on a path at Ratchada Road. The woman friendly and widely smiled, and I believe that she wanted to smile for Me. However, appearances of both the man and the woman are like teenagers. So, I was not sure that you are siblings, or you are boyfriend and girlfriend. So that, I did not “send My imagine” to tie your wrists together ... If you are boyfriend and girlfriend ... I wholeheartedly apologize ☺☺ ... Could we meet one another again at London ☺☺? If you are boyfriend and girlfriend, I am “sending My imagine” that you are bride and bride-groom to show My apology ☺☺

I would like to request all foreigners who want Me to “send My imagine” that tie the wrists of you and your love together, or want image of bride and bride-groom. If you want, when you meet Me, please let Me see you and your love hold your hands together ☺☺ If you come together but you do not hold your hands together, I will send other images to you ☺☺ ... If My 13 conditions to suicide are completed, I will go to Krungsri bank where is opposite Central Embassy at the end of June 2022. But if My 13 conditions to suicide are not completed, after all Thai will be disappeared, we will see one another at London ☺☺

I apologize the man and the woman again ... ***If you love each other, I wish you everlasting love*** ☺☺

Last, I would like to say ***“I love U”*** to  
all ***British people*** both who are good and who can reform yourselves,  
all ***American*** both who are good and who can reform yourselves,
