

My letter to somebody

(12 March 2022)

(I wrote this letter on 11 March 2022 to 12 March 2022 and posted it on My website on 12 March 2022) ...

Dear all good foreign creative people and all righteous FBI,

I believe that you knew that The God told Me “Many FBI started to investigate and gather evidence” However, because I was ***periodically*** fooled into believing the lies of pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family, ***so I sometimes really wonder “Is it the truth?”***

If FBI still has not started to investigate, I would like all good foreign creative people to know why pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family have tried to fool Me into believing “FBI started to investigate” again.

2 of the main reasons are;

1) All good foreign creative people who have followed My mind will be tricked into believing “FBI started to investigate” the same as Me, so they will look forward to My Birthday 2022 when is the day that “the voice” told them “Prince William will phone Kay”. In that they think “Maybe Prince William himself ordered Scotland Yard to talk to FBI to investigate. FBI are helping Kay. ***So, we do not need to do anything to help Her***”. And

2) Because I sometimes heard “Joe Biden ordered FBI to investigate” but I sometimes heard “Joe Biden does not need to order FBI to investigate. FBI are in authority. So, although nobody orders them to investigate, they are authorized by the US law to investigate.”

If Joe Biden never orders FBI to investigate, why I sometimes heard “Joe Biden ordered FBI to investigate”?

It is because pimp king Bhumibol, the satanic Chakri dynasty, Joe Biden, and many evil foreign people including many evil foreign government officers strongly want to ***continue overthrowing*** Queen Elizabeth, Prince William, and The British Monarchy. They genuinely believe that although Joe Biden never orders FBI to investigate, the voice that I heard “Joe Biden ordered FBI to investigate” will help them to succeed in lying to many foreigners “Joe Biden himself ordered FBI to investigate. After that, Joe confessed the truths to Queen Elizabeth. But after Joe had confessed the truths to Queen Elizabeth, Queen Elizabeth, Prince William, and The British Monarchy did not help Kay. So, what Queen Elizabeth, Prince William, and The British Monarchy are?”

Nonetheless, if many righteous FBI start to investigate, I have some important truths to emphasize to all righteous FBI;

1) Ratchaneewan Ad-harn who is the female Satan, and Ad-harn family who all are devils are the third from the top of the Thai police drug-selling gang. ***Almost all Thai polices are their gangsters.*** Many Thai polices (including Chakthip Chaijinda who was a former Commissioner-General of the Royal Thai Police from 2015 to 2020) were sent to practice how to investigate and analyse at FBI Academy and Scotland Yard Academy. Hence, ***they all have known how FBI and Scotland Yard investigate and analyse.*** And many evil Thai people were sent to study in the US, the UK, and Europe. Thus, ***they all have known your religious beliefs, your parallel brains, and your thinking method too.*** Around 2002, I also heard the voice of Prakat Satamarn who is a retire policeman, ***well-known of investigation***, and is in Ratchaneewan's gang ***"Policemen know how other policemen work!"***

In 2000, Thailand had "Early Retire Project" to allow many Thai government officers to retire before 60 years old. Many Thai government officers including Prakat Sataman have had much spare time since they retired for the project. ***What the Thai government officers in the project have done since then?***

So, ***be careful.*** Many Thai polices have known ***how FBI and Scotland Yard investigate and analyse.*** And because I am still being detained in Thailand, so almost all Thai including almost all Thai polices can ***"order" and "control"*** everyone including all righteous FBI and all righteous Scotland Yard! ... (People who are under control ***do not*** understand themselves. They are controlled to think "I have ***my own best reason*** to do or not to do.)

2) Pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and almost all Thai are knave and tricky. They not only love to pretend and lie to but are also excellence of deception. If they have their target to trick, they will pretend to be nice and reliable until their target trust them. Then, ***after their target will have trusted them, they will start to trick their target to succeed in their desire.***

Pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family have used the process ***"trust then trick"*** to fool all good foreign creative people too.

How?

Because The God never lies to anyone, so they ordered The God to send their thoughts by The God's Voice to lie to all good foreign creative people (They ordered The God "***Fool them as our thoughts!***"). After all good foreign creative people had heard "the voice" in their ears, they immediately trusted "the voice". As one of their beliefs is "Nobody can speak the voice in only my ears but The God!".

Pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family knew religious beliefs of all good Christians, so their lies are ***in line with*** the beliefs. They have lied to all good foreign creative people "The role is ***long***" or "The story will go on for ***donkey's years***". But they ***did not accurately indicate*** "How many years the story will be in the end". (These pieces of information are supported by the pronunciations "***No knew your day to celebrate***" in the song "I Just Called to Say I Love You" sung by Stevie Wonder.)

If you start to investigate, and finish interrogating many good creative people, you will notice that The God told many good creative people "When the story will be in the end" ***differently***. Some were fooled "10 years". Some were fooled "14 years". Some were fooled "When Kay will have been 40 years old". Some were fooled "When the year which is the number of a kid will have come". And some were fooled "After Kay will have made enough merits" And because at the beginning, they tricked many good foreign creative people "The role is long" or "The story will go on for "donkey's years", so they let many good foreign creative people talk to one another to find the answer by themselves when the story will be in the end.

By the way, pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family told many good foreign creative people many important truths, and describe the future from the start to ***almost at the end*** of the story to some of them. However, at the end of the story, pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family ***told the lies*** to them.

Because of these tricks and because ***many situations happened***, so although all good foreign creative people ***are fooled into waiting*** again and again, and again and again, their parallel brains "***have been thought***" "The ***next*** situations ***must be happened***". So, they "***have been waited***" for the end of the story which they ***do not know the real day***. ... Could you noticed why I "***had been waited***" for "Oscar Chitamitre" from 2006 to 2013? And why Prince William and all good Christians including you "***have been waited***" for The Judgement since 2000? ... ##Ask P!nk who sings the song "***F**kin Perfect***", and Lady A who sing the song "***Need You Now***"##

I would like to spotlight it again ***“We all were fooled by different lies!”***
And ***“They’re the Satans and all evil people, why do you strongly believe
“They can fool only Kay, but cannot fool Prince William and us”?”***

And

3) The God has told Me many times “There’re foreign creative people who are ***“trouble makers”***. And pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family allowed Me (The God) to tell ***“important truths that must be the top secrets”*** to them as they are ***“trouble makers”!*** “

Kind regards,

Kay
