

My message to Prince William and foreign government officers who participate in the devil's dirty plan (23 May 2023)

In these video clips, I have something important to talk to Prince William and foreign government officers who participate in the devil's dirty plan especially foreign police officers who collaborate with the plan.

For Prince William ...

Prince William, sir. If you, your dad, and your brother think "Daddy Almighty still controls their targets as their minds. So, how can we help Kay?" I would like to underline the truths again;

Because I am being still detained in Thailand, so pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and their all foreign henchmen can order Daddy Almighty to do almost all things as their minds. Prince William, sir. Do you understand the word "almost all things"?

I mean that there is something they cannot order Daddy Almighty. Prince William, sir. If they could order Daddy Almighty to do everything, why do not they order Me to have sex with a Thai man? Or Kate could successfully have sex with you, so you do not believe Me "Just almost all things they can order Daddy Almighty, not everything".

Prince William, sir. They can order Daddy Almighty to do almost all things as their minds because they have conditioned Daddy Almighty "If You don't want Kay to be death, everything in the world must be as our thoughts" And "If you are not under our orders, we'll kill Kay (and Her parents)!" So, the solution is that take Me and My parents to the safest place.

Prince William, sir. The big bosses of the devil's dirty plan are pimp king Bhumibol and the satanic Chakri dynasty. Prince William, sir. I do not want to be a princess and a billionaire can bring Me fly. Could you figure out why you, your dad, and your brother were born as heirs apparent of The British Monarchy?

Prince William, sir. You, your dad, and your brother are heirs apparent of The British Monarchy. Why do you all think in loser's style? Why do not you all think in winner's style? I mean that why you all always think "I cannot"? Why you all do not always think "I can"? You all have everything. Why do not you all start to help Me to solve the problems? Daddy Almighty sent you all to help Me to solve the problems, not to make Me have more problems!

Prince William, sir. Daddy Almighty told Me “Kay, tell Will. I continue controlling King Charles, Will, and Harry in that they will get an expensive lesson “We need to listen to and follow Kay!””

Prince William, sir. When we were in heaven, you were older but I was younger. So, Prince William, sir. Have you ever thought why in this world, I am older but you are younger. Prince William, sir. I mean that what are traditions the younger should treat the older. One of the traditions is that the younger has to listen to and follow the older because the older has more experiences in life than the younger, right? Prince William, sir. I have much experiences in natures of all Thai people. I know how cheat, tricky, excellent of deception, malicious, malevolent, and demonic of all Thai people are. Prince William, sir. I mean that I know their tricks to lie to, to alibi, and to blacken. So that, Prince William, sir. As The Son of Daddy Almighty and My backup, when will you lead your dad and your brother to listen to and follow Me.

Prince William, sir. Why do you, your dad, and your brother listen to and follow “the voice” that you all still have not known where it comes from? Prince William, sir. Pimp king Bhumibol and the satanic Chakri dynasty are tricky and excellent in deception. And because I have been still detained in Thailand since the end of November 1999, so they can order Daddy Almighty to send their thoughts to fool others since then too. So that, how can you, your dad, and your brother be sure “The voice that we heard come from Daddy Almighty”?

Prince William, sir. If attorneys of pimp king Bhumibol and the satanic Chakri dynasty ask you in courts of laws “Kay told you many times “My brain and body cannot bear hot weather” and “I and My parents have been ill, so I need much money for electricity cost, cure diseases of My parents and Me, and My daily life” So, if you do not strongly intend to torment Kay to die, why did you continue spending your life with Kate, and continue being in relationship with Rose but let Kay spend Her life in very hot weather and did not help Her to have income? Who else really want to torment Kay to die, king Bhumibol and the Chakri dynasty, or Prince William and The British Monarchy?” What will you answer judges?

Prince William, sir. Once again. You, your dad, and your brother are heirs apparent of The British Monarchy. Why do you all think in loser’s style? Why do not you all think in winner’s style? I mean that why you all always think “I cannot”? Why you all do not always think “I can”? You all have everything. Why do not you all start to help Me to solve the problems? Daddy Almighty sent you all to help Me to solve the problems, not to make Me have more problems! ...

... Prince William, sir. In this world, I am older than you. So, Prince William, sir. As The Son of Daddy Almighty and My backup, when will you lead your dad and your brother to listen to and follow Me?

Anyway, for foreign government officers who participate in the devil's dirty plan especially foreign police officers who collaborate with the plan ...

I strongly believed that you decided to join the plan because pimp king Bhumibol, the satanic Chakri dynasty, Thai politicians, Thai high-level government officers, "famous" politicians in your country, and high-level government officers in your country promised you "I will give you a large number of profits from selling drugs and corruptions".

As a result, I would like you all to think twice again: More than 80 percentages of Thai people are drug sellers. If pimp king Bhumibol, the satanic Chakri dynasty, Thai politicians, and Thai high-level government officers shared a huge number of profits from selling drugs and corruptions to every Thai person equally, why most of Thai people including Thai middle-level government officers and Thai low-level government officers are still poor. Do you know how lives of the Thai middle-level police officers and the Thai low-level police officers are.

Because I know how cheat, tricky, excellent of deception, malicious, malevolent, and demonic of all Thai people are, so I would like to warn you who really believed "If we win, I will be very rich". Thai people just nicely talked to you to persuade you to help them to win the plan. You never know what they have been thought but I know. You are just "a step" of an escalator to help them to fast step up to win the plan. And I told everyone "One should be afraid of the word "betray" and "stab one into the back" in that people who betray you or stab you into your back are not your enemies!" and "Even The Father Almighty is betrayed or is stabbed into His back. Who are you? Why pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people need to be honest and loyal you?"

Thank you very much, sir.

.....
