

My message to King Charles, Prince William, and Prince Harry (25 August 2023)

King Charles, Prince William, and Prince Harry, sir. You all are cheated “This’s a test”, so you all forgot that one of Our Missions is that to help everyone to see “Bearing of fruits in this life” or it is called in the English language “You reap what you sow” or “What goes around comes around” or “Everything I do comes back to me” which Buddha called “Karmas in this life”

King Charles, Prince William, and Prince Harry, sir. Think twice:

1) Camilla loves to fake. People who love to fake always lie to others. Camilla also always does wickedness. Two of her wickedness is that hurt Princess Diana from before the engagement day to the day when Princess Diana passed on so as to overthrow The British Monarchy. And she is one of the main instigators who has ordered Daddy Almighty to do many things as her mind including torment people all around the world especially British people too.

2) Kate loves to fake. People who love to fake always lie to others. Kate is also drunkard. And she always does wickedness. Examples of her wickedness are that she is one of the main instigators who has ordered Daddy Almighty to do many things as her mind including ordering Prince William to marry her, to lie to others, and to dramatize “I have the children with Kate” so as to indirectly killed the soulmate of Prince William and to overthrow The British Monarchy. And she has also ordered Daddy Almighty to torment people all around the world especially British people too.

3) Meghan loves to fake. People who love to fake always lie to others. Meghan also loves to do wickedness. Examples of her wickedness are that she is one of the main instigators who has ordered Daddy Almighty to do many things as her mind including ordering Prince Harry to marry her, to lie to others, and to dramatize “I have the children with Meghan” so as to indirectly killed the soulmate of Prince Harry and to overthrow The British Monarchy. And she has also ordered Daddy Almighty to torment people all around the world especially American and British people too. And

4) George, Charlotte, and Louis love to pretend, lie to others, and fake, and always do wickedness since they were toddlers. They and their parents have worked with pimp king Bhumibol, the satanic Chakri dynasty, David Cameron, Camilla, Kate, and Meghan to order Daddy Almighty to do many things as their minds. Examples of their orders are that order you all to acclaim them as the princes and the princess so as to overthrow The British Monarchy. And they have also ordered Daddy Almighty to torment people all around the world especially British people too.

So, King Charles, Prince William, and Prince Harry, sir. If you all let them who always fake, always lie to others, always do wickedness, and have aimed to overthrow The British Monarchy sit on the positions and live in your palaces to have the best lives continually, but let Me whose some of the natures are sincere, never lie to anyone, and always do goodness, and was also sent to save the thrones be violently tormented and have a hard life in Thailand, how can everyone see “Bearing of fruits in this life” or it is called in the English language “You reap what you sow” or “What goes around comes around” or “Everything I do comes back to me” which Buddha called “Karmas in this life”?

King Charles, Prince William, and Prince Harry, sir. They all have purposed to overthrow The British Monarchy, so they all are rebels. But why do you let the rebels live the best lives in your palaces as the queen consort, the princesses, and the princes? King Charles, Prince William, and Prince Harry, sir. Where should rebels be in? Rebels should be prisoned in jail, right?

King Charles, Prince William, and Prince Harry, sir. You never try firing the harlots and their children out of the positions and your palaces, and Prince William never try calling Me directly, why are you sure “I cannot”?

Last, King Charles, Prince William, and Prince Harry, sir. Once again: God helps those who help themselves.
