

My message to King Charles ***(4 July 2023)***

His Majesty The King, sir. The Father Almighty told Me “Kay, King Charles has still hesitated between “I will wait for 24 July 2023” and “Do as Kay has requested me” because King Charles still has not figured out “How to talk to the investigation team and the consultants?””

So, His Majesty The King, sir. As the leader to save the thrones and foreign people all over the world, I would like to advise you;

How to talk to the investigation team?

His Majesty The King, sir. You have to **write an official letter** to the leader of the investigation team to talk to and ask him ...

... “Kay has told and has asked me “Pimp king Bhumibol and the satanic Chakri dynasty have run the devil’s dirty plan in the UK **since before 1960**. David Cameron, Camilla, Kate, and Meghan have run the plan with pimp king Bhumibol and the satanic Chakri dynasty **since the end of November 1999**. And when pimp king Bhumibol was around **35 – 45 years old**, even a male BBC reporter knew what pimp king Bhumibol “has done”. So, if I and My sons do the right as Kay has requested us, but you cannot find any evidences, why the British government need to waste the state budget to hire you?” ...

... I do not really want my sons and their soulmates to be in the end the same as me and Princess Diana. I believed Kay. Kay knows natures of all Thai people, their complicated tricks, and Thailand. Kay has told us what their plans are. And I and my sons have done many things oppose to our natures since the end of November 1999. **So, I believed that the way we are using is not good for our court cases. ...**

... Even Kay who is a girl and lives Her life in Thailand have known many main British felons. So, I would like you to answer Me: If I and my sons do the right as Kay has requested us, can you find the evidence to proceed court cases to British felons?”

His Majesty The King, sir. His Majesty The King have to order him to **reply His Majesty The King by an official letter** too to be one of our evidences in every court of law.

If they answer “I can”, His Majesty The King have to do as My requests: Fire the harlots out of their positions and your palaces, and let Prince William call Me.

But if they answer “I cannot”, His Majesty The King have to reply him in an official letter “I am so sorry to announce that you were fired out of the team. And I need to find a new British authority to do this assignment instead of you!”

How to talk to the consultants?

His Majesty The King, sir. His Majesty The King **do not** need to talk anything to the consultants. His Majesty The King, sir. Now, His Majesty The King knew that the consultants have tricked His Majesty The King into waiting to see His Majesty The King and The British Monarchy be overthrown. **Why** His Majesty The King need to show consideration for their feelings?

His Majesty The King, sir. I would like to open your eyes to see. His Majesty The King have chosen to pretend to know nothing which **opposes to** your natures to show the consideration for the feelings of the consultants (**but is not good for our court cases**). His Majesty The King, sir. This way **does not** help the consultants admire His Majesty The King but the consultants **have giggled** with David Cameron and one another **“Charles is idiotic. He has known from Kay we want to overthrow him and The British Monarchy, but he chose to show the consideration for our feelings!”**

His Majesty The King, sir. Leaders must be **absolute** and **decisive**. His Majesty The King, sir. Could you remember how absolute and decisive of **“Margaret Thatcher”** was? Why British people and many people all over the world including My dad **acclaimed** her as **“an iron woman”**? **What else were her masterpieces of absolutely decisions?** Could His Majesty The King remember?

His Majesty The King, sir. I told you “Pimp king Bhumibol has fooled you “This way will help you to know “Is Will a man of effort to be fit for being The King of The United Kingdom?”” But I forgot to tell you “The Father Almighty told Me “Pimp king Bhumibol has tricked King Charles “This way will also help you to know “How leadership of Will is?”” Whereas, His Majesty The King, sir. In My perspective, **the current situation will help people all around the world including Me, Prince William, and Prince Harry to know “How leadership of His Majesty The King are?”** 😊😊

His Majesty The King, sir. His Majesty The King have gotten many pieces of important information from Me, so **why** can His Majesty The King wait for following My advises? His Majesty The King, sir. **What are appropriate sentences for all British felons who have committed felonies to innocent British citizens and The British Monarchy?** And His Majesty The King, sir. Diseases of My dad **cannot** wait!
