*(This message is **the completed version** of the message on 26 October 2023. I started sending this message to The UN Secretary General Antonio Guterres on 30 October 2023.)*

😊😊 Hello, Mr. Guterres 😊😊.

Mr. Guterres, sir. I have known what you said at UNSC from LINE Application on 25 October 2023. And I would like you to know that I have been really felt full by what you said there 😊😊.

Whereas, Mr. Guterres, sir. The Father Almighty told Me “**Hamas are controlled**” And I actually believe that Prime Minister Netanyahu and many Israelis are controlled too. Mr. Guterres, sir. Could you figure out **why Hamas started the war between them and Israelis on 7 October 2023 when was the time before Christmas Day 2023 will come around 3 months?**

Anyway, Mr. Guterres, sir. If you are good or can reform yourself, I welcomed you to The Family of The Father Almighty. Mr. Guterres, sir. I really hope that we will work together to help our world to be better 😊😊.

😊😊 Mr. Guterres, sir. See you later 😊😊.

😊😊 Mr. Guterres, sir. Goodbye 😊😊.

😊😊 Thank you very much, sir 😊😊.
