Prime Minister Netanyahu, sir. I just heard the news on 30 October 2023 at almost the night around 6:30 pm "Israel allowed humanitarian helps to go into Gaza" ©©

Prime Minister Netanyahu, sir. I have really felt so very much pleased and have had enough power to do My Missions since I heard the news. Prime Minister Netanyahu, sir. Because of the news, so I truly think that Israelis started to show Me, foreign people, and the world how nice of Judaism Moses teaches Israelis and Jewish are ©©.

Prime Minister Netanyahu, sir. Because

- 1) Although Hamas started the war, Hamas have been controlled by pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, and many evil foreign people to start the war on 7 October 2023 in that one of the numbers which Jehovah actually loves is "7"
- 2) Jehovah has told Me many times "Kay. Hamas, Prime Minister Netanyahu, and their high-level soldiers are controlled not to stop the war".
- 3) Everything that has happened since pimp king Bhumibol was born will be noted in the world's history after Jehovah will have turned back the time to 1987 including the truths of the war between Israelis and Hamas. And
 - 4) One of The Ten Commandments of Judaism is "Do not kill"

So, Prime Minister Netanyahu, sir. Could you please make a decision to be noted in the world's history as The Prime Minister of Israel who make up his mind to compromise with Hamas who are your own siblings, can reform themselves, and have been controlled to start the war, to stop the war 3.

Prime Minister Netanyahu, sir. You are one of Israelis who have the most powerful to stop the war to show the humanitarian minds of Israelis and Jewish. Prime Minister Netanyahu, sir. "To stop the war" or "to continue the war" is your order. So, Prime Minister Netanyahu, sir. If you do the right by stopping the war and you are good or can reform yourself, I, The Daughter of Jehovah as A Person of Jehovah am ready to welcome you into The Family of Jehovah to work with Us to help our world to be better. Prime Minister Netanyahu, sir. We are ready. Are you ready? ③⑤
