

My message to Prince William (I cancelled My promises)
(30 April 2023)

Hi, Will.

Because now, I still do not understand Myself, so I cancelled My promises which I promised you “If you call Me within 12 May 2023, and if Daddy Almighty wants, I will have wedding ceremony with you before we will fly to The Holy Home.”

Will, I apologize for My mistake.

But Will, I have been severely tormented for around 33 years fully. So, Will, please help Me. ... Will, please help Me.

Thank you very much, sir.
