

My message to Prince William
(26 February 2023)

I would like to send My message in this video clip to Prince William of The British Monarchy.

Prince William, sir. I saw a clip made by Idol who is Thai on Facebook. The clip told every audience “When Prince Harry was a boy, Prince Charles himself told Prince Harry “James Hewitt is your real father!””

Prince William, sir. Because you never protect Me the same as Prince Charles never protects Princess Diana, and because although 4 of your main missions are: 1) To help Me and My parents to go out of Thailand 2) To bring Me and My parents fly to The Holy Home 3) To sue pimp king Bhumibol, the satanic Chakri dynasty, and all people who try to kill Me, and 4) To cherish Me, to look after Me, and to take care of Me, you actually believed “My missions are to let Kay hurt, to let Kay cry, and to hurt Kay”, so if you were Me, you would figure out how my future will be if I marry you!

Prince William, sir. I mean that if I marry you and we have a problem, you will let Me and our baby die because of your religious beliefs, and if I marry you, all My life will be full of hurt and crying!

Thank you very much, sir.
