

My message to Prince William ***(17 June 2023)***

I would like to send My message in this video clip to Prince William of The British Monarchy.

Prince William, sir. Do you know that pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people strongly want Me and My parents to have no money, to live in very hot weather, and to have hard lives in Thailand, so they all have done all ways to fool King Charles into not letting you call Me to help Me? Could you notice that they all have done all ways to trick you, King Charles, and Prince Harry into prolonging the time you call Me? And if you wait for calling Me for so long, it will be the best for them to alibi, blacken, and overthrow King Charles and The British Monarchy.

Prince William, sir. Daddy Almighty told Me “Kay, if I did not send You to be born, only King Charles, Will, and Harry cannot save the thrones”. Prince William, sir. Daddy Almighty sent Me to be the leader to save the thrones and foreign people all over the world from pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people. So, Prince William, sir. When will you, King Charles, and Prince Harry listen to and follow My requests?

Prince William, sir. I need much money to spend for electricity cost, for curing diseases of My parents and Me, and for My daily life. Prince William, sir. My dad is an elderly, so he has had problems at joint bones of his legs. His doctor told him “If you do not quickly surgery, you cannot walk soon”. But My dad needs to wait for his queue to surgery at Chulabhorn hospital where belongs to prostitute princess Chulabhorn Walailak who is the youngest child of pimp king Bhumibol and prostitute queen Sirikit more than 1 year. Prince William, sir. Private hospitals are so much expensive. But I have not gotten any money from selling My first e-book from Larry Page, Sergey Brin, and Google Play. So, Prince William, sir. Will you, King Charles, and Prince Harry let My dad be a disabled elderly in Thailand?

Prince William, sir. I will not mass with your money and treasures, and money and treasures of The British Monarchy definitely. I just really need help from you and your trustworthy lawyers to dun Google for My all money which I have gotten from selling My first e-book on Google Play, help from you and Prince Harry to be editors of My latest book, and help from King Charles and you to support My latest book to be published. I also need help from your British trustworthy people to help Me to do housework and to look after My parents and Me while we are being detained in Thailand.

Prince William, sir. If other men could bring Me fly to The Holy Home, I will not definitely wait for only you. But only you and The British Monarchy can help My missions to succeed, so I need to wait for calling from you even though I really want to request other men to help Me.

Prince William, sir. I am waiting for calling from you because I need to wait for.

Prince William, sir. I am waiting.

Thank you very much, sir.
