

My message to Prince William ***(12 March 2023)***

I would like to send My message in this video clip to Prince William of The British Monarchy.

Prince William, sir. If now, you, your dad, and your brother know the truths and wait for results of investigation, I would like you to know that since 2000, the prostitute princesses of Thailand and all Thai people have joined together to use drug-facilitated sexual assaults, tranquilizer drugs, narcotic substances, diarrhoea drugs, and sleeping aids to incapacitate Me more than 15 times. And since February 2023, they have done these to Me more than 5 times.

So, Prince William, sir. I strongly believe that if you quickly contact Me, all Thai people will carefully treat Me more than in the past. If you hurry send your staff to look after Me including preparing My meals, I will not need to order any dishes from any restaurants. And if you fast help Me about My book, I will have enough money to change hospitals for Me and My parents from governmental hospitals where all are partisans of pimp king Bhumibol and the satanic Chakri dynasty and use Thai medicines which have no quality, to Bumrungrad Hospital where is an international hospital and uses international medicines. Prince William, sir. I have taken a medicine to cure SLE which My mom told Me “It can cause You to be cancer” for around 4 years. And the next appointment between Me and an SLE doctor at a governmental hospital is on 25 March 2023.

Prince William, sir. Could you remember I asked you “David Cameron, Kate, Camilla, Meghan and their friends have run the devil’s dirty plan since the end of November 1999. So, if you, your dad, your brother, and The British monarchy do the right including do not pretend to know nothing, but your subordinates cannot fast find much evidence to prove their felonies after they have run the devil’s dirty plan more than 20 years, why does your government need to waste the state budget to hire your subordinates?”?

And Prince William, sir. Could you remember I told you “Many British people have been put desire and emotion “I want Queen Elizabeth and The British Monarchy to be overthrown” into their minds by pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and their all foreign henchmen”?

Prince William, sir. On 19 April 2023, I will be 47 years old fully. And I have gotten so much torments since I was 14 years old.

Prince William, sir. I am waiting for calling from you. We will talk to together about the mission number 1 to the mission number 3 only.

Thank you very much, sir.
