

My message to Prince William (1)
(2 March 2023)

I would like to send My message in this video clip to Prince William of The British Monarchy.

Prince William, sir. Pimp king Bhumibol, the satanic Chakri dynasty, Kate, George, Charlotte, Camilla, and Meghan do not let you read My works in that if you have a chance to read My works, you will figure out I told you the truths and the solution. So, Prince William, sir. Listen to Me and think twice.

Prince William, sir. Besides the rumours “Camilla is the first love and true love of King Charles” and “Prince Philip was behind the scene to assassinate Princess Diana to open a way for Prince Charles to marry Camilla”, I would like to remind you what have happened to you, Prince Harry, your dad, and some ethical members of The British Monarchy.

Prince William, sir. You and Prince Harry were controlled to be nightclub boys when both of you were teenagers. A photograph which people all around the world saw was you and Prince Harry were dead drunk in a nightclub. In that photograph, Prince Harry was crushing the breast of a female teenager.

Prince William, sir. A piece of the news which I heard was Prince Harry punched paparazzi.

Prince William, sir. You were ordered to marry Kate and have been forced to dramatize “I have 3 children with Kate”. So, you were fooled into letting Me and My parents be violently tormented more than 20 years. Prince William, sir. Almost all British people have known what Kate is.

Prince William, sir. Prince Harry was ordered to marry Meghan and has been forced to dramatize “I have 2 children with Meghan”. So, Prince Harry was fooled into letting his soulmate be severely tormented more than 20 years too. Prince William, sir. Almost all British people have known what Meghan is.

Prince William, sir. After Prince Harry married Meghan, I have heard many pieces of the news such as “Prince Harry bought a jet plane” “Prince Harry closed a luxury hotel to honeymoon Meghan” “Prince William and Prince Harry have had conflicts with each other” and “Prince Harry has had conflicts with The British Monarchy”. Prince William, sir. Prince Harry is the writer of the book “Spare” too, right? Prince William, sir. What else Prince Harry was ordered to write in his book?

Prince William, sir. Besides King Charles was controlled to marry Camilla that has shown that the rumour “Camilla is the first love and true love of King Charles” seems to be real, do you know that what scandals of King Charles which I and foreigners have heard?

Prince William, sir. Prince Andrew was controlled to join the party that Virginia Giuffre came to. And Prince Andrew is sued by Virginia Giuffre too, right?

Prince William, sir. You were fooled “This is a test”, so you have surrendered to follow their orders. So that, you never carefully consider why they have ordered and/or have controlled you, Prince Harry, your dad, and some ethical members of The British Monarchy to do these dramas.

Prince William, sir. You, Prince Harry, and The British Monarchy live in England where is in the west. I live in Bangkok, Thailand where is in ๙ east. However, I have periodically heard scandals of you, Prince Harry, your dad, and some ethical members of The British Monarchy. As a result, I strongly believed that foreigners all over the world have heard the scandals of you, Prince Harry, your dad, and some ethical members of The British Monarchy the same as Me too.

So, Prince William, sir. How about the images of you, Prince Harry, your dad, and The British Monarchy? But how about the images of pimp king Bhumibol and the satanic Chakri dynasty? Their images are “the best”, right?

Prince William, sir. I told you “Prostitute princess mha Chakri Sirindhorn has dramatized to have a problem about her heart, prostitute princess Bajrakitiyabha has dramatized to be shock, and pimp king mha Vajiralongkorn dramatized to infect covid-19 in that they will alibi “We consulted each other to rescue Kay, so the real Satans and the real devils ordered us to almost die!””

Prince William, sir. Although a symbol of pimp king Bhumibol is number “9”, but the mourns of Prince Philip and Queen Elizabeth involve with number “9”, and you are born at 9:03 pm too, right? And Prince William, sir. How about the word “the British monarchy” and the word “British people”? The word “British” is started by the alphabet “B” the same as the name “Bhumibol”, right?

Prince William, sir. The UK has sold arms. But Thailand has just bought arms. So, which country has the reasons to make wars and conflicts occur all over the world?

Prince William, sir. If you, your dad, and Prince Harry open your minds to see everything around you, you will know that pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and their all foreign henchmen have prepared many things for appropriate alibis.

Prince William, sir. If Daddy Almighty or Brother Jesus would come to judge, why do they need to prepare many things for appropriate alibis?

Prince William, sir. Who else will judge?

Prince William, sir. Once again. Who else will judge?

Thank you very much, sir.
