My message to Prince William (24 May 2023)

I would like to send My message in this video clip to Prince William.

Will, I have left My handkerchief on the floor for you many, many rounds, and many, many years. Will, when will you take My handkerchief back to Me? ©©

Will, in this round, if you still have not taken My handkerchief back to Me, I will be furious with you, Daddy Charles, and Harry. And it will make Me truly believe that we **cannot** be a family together!

Will, have you, Daddy Charles, and Harry ever seen wrath of The God? ⊚⊙

However, Will, although I do not want to be a bride in a big wedding ceremony and a princess, if you fast call Me, it will help Me to know that we can be a happy family together.

Will, I never leave My handkerchief on the floor for any boys or any men before. But I have left My handkerchief on the floor for only you and many, many rounds. So, I do not really want you, Daddy Charles, and Harry to hurt My feelings again.

Will, I am waiting for calling from you. ☺☺

Thank you very much, sir. ☺☺
