

My message to Prince William
(19 February 2023)

I would like to send My message in this video clip to Prince William of The British Monarchy.

Prince William, sir. You were born as an heir apparent of The British Monarchy because 4 of your missions are: 1) To help Me to go out of Thailand 2) To bring Me fly to The Holy Home 3) To sue pimp king Bhumibol and the satanic Chakri dynasty, and 4) To cherish Me. However, you strongly believed “My missions are to let Kay hurt, to let Kay cry, and to hurt Kay”, so I will not definitely be happy if I marry you.

Prince William, sir. I will not definitely marry any men who truly believed “My missions are to let Kay hurt, to let Kay cry, and to hurt Kay”. Prince William, sir. If you were Me, you would figure out how My future will be if I marry you who actually believed “My missions are to let Kay hurt, to let Kay cry, and to hurt Kay”.

Prince William, sir. I have waited for only you because you are the only one man in the world who can bring Me fly to The Holy Home. Prince William, sir. I mean that I have waited for only you because of My missions.

Prince William, sir. From 2000 to today help Me to have full of confidence that I can live My life alone.

Thank you very much, sir.
