

## **My message to Prince William after Christmas Day 2023 passed**

Hi, Will ❤️❤️

Will, Christmas Day 2023 passed. Did Jesus come?

Will, I am waiting for calling from you on **the Saturday 30 December 2023** when will be the fifth day after Christmas Day 2023 passed ❤️❤️

Will, if you call Me on **the Saturday 30 December 2023**, we will have a special time to countdown to 2024 **together** to begin the most wonderful relationship of us again after we were spaced from the time we were sent to be born in this world ❤️❤️

Will, Thai pimps love to ask the question “If Kay belongs to Prince William of The British Monarchy, why we met Kay before Prince William will meet?” And British harlots love to ask the question “If Prince William is Kay’s Soulmate, why we met Prince William before Kay will meet?” Will, how dare they said that because we have met each other since Daddy Almighty created the world, right? ❤️❤️

So,

❤️❤️ Will, I truly hope “Countdown to 2024 will be a precious time of the year of us” ❤️❤️

❤️❤️ Will, I am waiting for calling from you ❤️❤️
