

My message to Will (Beautiful Quotes)

(I started to send this message by My mind on 5 June 2021, but posted it on My website on 8 June 2021.)

Will, I found beautiful quotes from going online. And I truly would like to share the quotes with you.

Let's listen;

**When the two ears are put *side by side*,
it forms *the shape of the heart*.**

**Interestingly,
the word “ear” sits right in the middle of the word “heart”.**

The ear is the way to the heart.

**So,
if you want someone's heart,
learn to listen to her or him.**
