

## ***My message to all foreign pharmaceutical companies (5 December 2023)***

Allah or another name is Jehovah (Almighty) told Me many years ago “Many foreign pharmaceutical companies agreed to commit the devil’s dirty plan with pimp king Bhumibol and the satanic Chakri dynasty because pimp king Bhumibol and the satanic Chakri dynasty laid to them “If Kay and Prince William survive, almost all people in the world will be healthy, so you will lose a large number of profits from selling your medicines!”

Allah or another name is Jehovah (Almighty) requested Me to tell you all the truths by putting the truths He wants to tell you all through My thought on 5 December 2023 at 1:57 pm (Bangkok Time) ...

... “Kay, tell foreign pharmaceutical companies ...

... “You know that one of the reasons why humans are sick is that they consume nutrition from food and beverage in a day not enough. ...

... Although numerous foreign people in the new better world will be healthier than in the past because they will not eat meat, there will be many foreign people who will be sick because of their old karmas in the previous life.  
...

... Although foreign people in the new better world will be healthier because they will not eat meat, you know that they need to consume much food and beverage to get enough nutrition in a day. ...

... So, they cannot consume enough nutrition in a day definitely if they do not take any “Protein shake” “Vegetable Shake” “Fruit Shake” “Supplementary Food” or “Vitamins”. ...

... ***Could you estimate how big of this market is if even My Daughter and Her Parents take “Protein shake” “Vegetable Shake” “Fruit Shake” “Supplementary Food” or “Vitamins” every day to get enough nutrition in a day, and they hardly sick, look so young, good looking, and have long lives because of My formulas? ...***

... I have many formulas to give to each foreign pharmaceutical company. This formula is fit for yields and citizens of this country, and may be foreign people in this continent. This formula is fit for babies. This formula is fit for kids. This formula is fit for pregnant women. This formula is fit for this disease. This formula is fit for that disease. Etc. ...

... I have many formulas for fermented grapes and fermented rice to become "Protein shake" "Vegetable Shake" "Fruit Shake" "Supplementary Food" or "Vitamins" instead of wines, beers, and liquors. ...

... I will tell each formula to each foreign pharmaceutical company through My Daughter, and you do not need to pay anything for formulas which I intend to give you. ...

... And I have some new businesses for you all and I will tell the businesses through My Daughter 😊😊 ...

... A business is that testing blood of a man to know that what nutrition he gets not enough, and send him your products which are My formulas every month to help him to be healthier 😊😊. And we can use this business for people who are sick too ...

... Once again: Could you forecast how big of this market is? 😊😊 ...

... Your business will become "A merit business" because your business will help people to be healthier instead of earn money from illnesses and death. So, your business does not bring you all to die in hell and the eternal flame forever with pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all foreign evil people 😊😊. ...

... Could you figure out why pimp king Bhumibol and the satanic Chakri dynasty did not point you all to see these truths while they were enticing you to commit the plan?"

Allah or another name is Jehovah (Almighty) also told Me "Kay, because I sent You to make a whole new better world, so I prepared solutions for not only foreign police officers and foreign soldiers but also all foreign companies and all foreign merchants that their businesses cannot go along with the teachings of Yours 😊😊" ...

... Could you figure out why pimp king Bhumibol and the satanic Chakri dynasty did not tell you these truths?

Last, I would like to spotlight the truth again ...

... 😊😊 “If you can reform yourself, you will be forgiven” 😊😊 ...

... 😊😊 “Are you ready to have Me as your friend and a shareholder?” 😊😊 ...
