

## ***My parents are My life***

***(I wrote these truths and posted them on My website on 22 November 2022.)***

On 21 November 2022 at around 9:00 pm, Nok laughed at My mom and Me. So, I suddenly knew that pimp king Bhumibol, the satanic Chakri dynasty, Nok, and all Thai people have planned a plan.

On 21 November 2022 at around 10:00 pm, after I had carefully considered actions of My dad and My mom as of lately, I figured out “Because I knew the truths of Nok, so Nok will not succeed in making excuses for pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people definitely. So that, they planned to “order” and “force” My dad and My mom to make excuses for Nok and all Thai people. And they planned to “order” and “force” My dad and My mom to talk to Me to forgive Nok too!”

Let Me briefly tell you about My dad;

The parents of My dad were gardeners. My dad has had a hard life since he was born. But My family has everything we need for our lives because of his ability, patient, and effort.

My dad is My role model of honesty, bravery, sincerity, patient, effort, polite, and calm. He taught Me not to lie to others, not to bow any wicked people, but to fight against the wicked.

As a result, could you understand how a man of honour and prestige has felt and has thought because since 2000, he has been forced to see his wife and his Daughter be brutally tormented but he cannot do anything? Could you understand how a man of honesty and bravery has felt and has thought because since 2000, he has been ordered and forced to lie to his Daughter, and to follow many orders of the wicked? could you understand how a man of sincerity has felt and has thought because since 2000, he has been ordered and forced to pretend to admire many Thai athletes? And could you understand how a man of patient, polite, and calm has felt and has thought because since 2000, he has been ordered and forced to be an impatient person, and to usually speak rudely the same as Pongthep Ad-harn who is a husband of Ratchaneewan Ad-harn and a male Satan?

Let Me briefly tell you about My mom;

My mom is My role model of kind-hearted, charitable, sincerity, polite, sweet, optimistic, and saver. She never is any examples of “two-faced” “hypocrite” or “fake” to Me. I can also talk anything to her. I mean that I never had any secrets with her.

As a consequence, could you understand how a moral mother who has the naïve and innocent Daughter has felt and has thought because since 2000, her naïve and innocent Daughter has been violently tormented to pass on by a large group of the wicked? And could you understand how a woman of kind-hearted, charitable, sincerity, polite, sweet, optimistic, and saver has felt and has thought because since 2000, she has been ordered and forced to lie to her naïve and innocent Daughter, to conceal her real emotions, to upset at her naïve and innocent Daughter, to talk to the wicked (such as Nok) nicely, to pretend to be critical of other people all the time, but to pretend to acclaim pimp king Bhumibol and the satanic Chakri dynasty as “the best”?

Whereas, pimp king Bhumibol, the satanic Chakri dynasty, Nok, and all Thai people have planned to *blacken* My mom too!

...

My parents are My life. So, I will request judges of Muslim courts to sentence everyone who hurt My parents, by very so much severe torments that he never thought “There are these kinds of cruel in this world”!
