

Our Father's Wills

(Rewrite of the version which is in My first e-book to be a script in August 2023)

Prince William, sir. If you still think "All evil situations that have happened to our world since 2000 occurred because they're Our Father's Wills", please listen to Me carefully.

Prince William, sir. I was sent to be born as The Only One Latest Prophet of The Current Millennium, and My goals are;

**1. Everyone in the new beautiful world lives a moral and happy life. And
2. Everyone in the new heavenly world is not sent to hell and the eternal flame.**

Prince William, sir. **14 Wills of Our Father which cause I and you to be born are;**

1. **Everyone will know "Our Father" "Brother Jesus" "Na-bee Mohammad" "The Holy Spirit" "Buddha" "Gods" "Goddesses" "Purgatory" "Hell" "The eternal flame" and "Heaven" are real.** They are not fairy tales. And **Our Father can do almost all things.**

2. **Everyone in the new tremendous world will rationally believe.** They will know **"Everything depends on "my own karma" and "my mighty effort to do the right", not because of only The God in heaven".**

Everyone in the new wonderful world will also understand "Our Father has His plan for only somebody who is sent from Our Father, and some humans whom Our Father chooses". I mean that **Our Father's plan is not for all people in the world. Ordinary humans themselves make up their minds to select their choices in their lives. Therefore, whatever ordinary humans will get in their lifetime, they are results of their own themselves. And wherever ordinary humans will be sent to in life after death, it is the responsibility of their own themselves for their "free will"** that is one of the most precious presents from Our Father.

Note: Prince William, sir. Our Father told Me "Many broken-home teenagers who decided to be a part of the devil's dirty plan don't blame their parents for their broken-home, but they blame The God!"

3. **Everyone will see "Bearing of fruits in this life",** or it is called in the English language **"What goes around comes around" ("Everything I do comes back to me"),** or Buddha called "Karma", **with the result that everyone in the new fantastic world will not definitely hurt or kill others, but will treat one another well.**

4. **All good foreigners and all foreigners who can reform themselves will see “Purgatory” “Hell” “The Eternal Flame” and “Heaven” in My eyes, and will feel “Purgatory” “Hell” “The Eternal Flame” and “Heaven” in their dreams. Accordingly, they will try to do their best to purify their minds.** To see “Purgatory” “Hell” “The eternal flame” and “Heaven” is one of the most precious presents from Our Father. And **nobody can help others to see “Purgatory” “Hell” “The eternal flame” and “Heaven” but Me.**

5. **Everyone in the new ethical world will know “What “venial sins” “sins” and “mortal sins” are”.** As a result, **they will try to do their best to control themselves not to do any sins.** Because they will know “I must bear my fruits in this life, in life after death, and/or in the next life (or lives)”. **Could you imagine how our new world will be if everyone does not do any sins?**

6. **Everyone in the new brilliant world will know “Moral people don’t need to be poor. Wealth can go along with morality. And ethical millionaires will be sent to heaven the same as morally poor people”.**

7. **All babies in the new gentle world will grow up in the new gentle world. Kid’s world will be pure, gentle, lively, and full of love from adults.**

8. **All women in the new tender world will not be hurt and will not be anguished by her husband.** Men will listen to women. Women and men will understand each other. All men will not believe “The world belongs to only men” and “Women are a source of problem” anymore. **All women including Muslim women will live happier and better lives.**

9. **Everyone in the new wonderful world will understand and accept LGBT. Everyone will know that LGBT can morally live their lives to up to heaven the same as men and women. So, all LGBT will live happier and better lives.**

10. **Many monks, many priests, many nuns, and many novices in the new moral world will have many chances to talk to their Prophets, so they will know that as a monk, a priest, a nun, or a novice, what he has to do to complete his lives.**

11. **Everyone in the new peaceful world will see their Prophets,** with the result that they will more understand their scriptures. **Muslims will not become extremists.**

12. No brutal and cruel in our new better world.

13. **Everyone in the new heavenly world including LGBT will not be sent to die in hell and the eternal flame.** Because of that, nobody in the new perfect world will be tormented in merciless states where are called "Hell" and "The eternal flame". And

14. **Next Prophets in the future eras will not certainly be tormented.** Because **everyone will know "In the end, what else the Satans and all evil people will get from working together to torment and kill Kay".**

Prince William, sir. Could all which I explained earlier help you to understand that love from Our Father is "Pure", "Tender", "Beautiful", "Happy", "Just", "Perfect" and "Infinity", and Our Father's Wills are "Pure", "Kind", "Beautiful", "Happy", "Harmonious", "Perfect", and "Full of Our Father's love"?

Prince William, sir. Did you understand Our Father, Brother Jesus, The Holy Spirit, gods, and goddesses have followed many orders of the Satans and all evil people, so everyone knows what the Satans and all evil people want all humans and our world to be, but **all that the Satans and all evil people wish all humans and our world to be are not Our Father's Wills?** Prince William, sir. **They are the wills of the Satans and all evil people. Why do you call them "Our Father's Wills"?**

Prince William, sir. If you still do not understand, let Me give you more examples. **In all your life, did you have any situations which you saw them, but you did not want them to happen? I believe that one of the situations was the funeral of your mother.** You saw it, but you did not want it to happen, right? Prince William, sir. What kind of people who wanted to see your mother pass on? As a result, **it happened, but it was not one of our wills, right?** How about the funeral of Princess Grace of Monaco, Amy Winehouse, Steve Jobs, Michael Jackson, Whitney Houston, and Chester Bennington?

Prince William, sir. You and all good foreigners are the same as Our Father. **Did you understand that all evil situations that have happened to our world since 2000 occurred not because they are Our Father's Wills? Our Father and we saw them, but they are not Our Father's Wills.** This is a main reason why Our Father will help your mother, Princess Grace of Monaco and all people who were passed over by the devil's dirty plan to come back to lives, and why Our Father will turn back the time to 1990 in order to "Back For Good".

Prince William, sir. The old generations of Christians taught the next generations *“This’s a test”* and *“Situations which happened took place because of Our Father’s Wills”* in order to console themselves when they confronted many difficult situations in their lives. However, they **are not Our Father’s Wills**. Prince William, sir. I told you how love from Our Father and Our Father’s Wills are. Consequently, *if Our Father desired to test us, why would Our Father test us by the wills of the Satans and all evil people?*

Prince William, sir. I would like to underline it again. *All evil situations that have happened to our world since 2000 occurred because they are the wills of the Satans and all evil people.* We knew their intentions because they have ordered Our Father, Brother Jesus, The Holy Spirit, gods, and goddesses many orders, so we saw their wills, right? Prince William, sir. Not all of their orders but just many of their orders can make our world much down. If they could order Our Father to do everything, how would our world be? Prince William, sir. Could you figure out why they cannot order Our Father to do everything? Prince William, sir. *Why do you believe that Our Father sent your father, Me, you, and brother Harry to be born to help the world to be rotated by the wills of the Satans and all evil people?*

Prince William, sir. I told you many times. *We do not need to see all the actions of the Satans and all evil people. They are not Our Father’s Wills. And Our Father opened My mind after pimp king Bhumibol, his satanic family, and his gang had run the devil’s dirty plan more than 40 years, and Ratchaneewan Ad-harn, her devilish family, and her gang had violently tormented Me 10 years.* As a result, Prince William, sir. Just believe Our Father’s words and “The Wanted-List from Our Father” after I, you, and brother Harry will be at The Holy Home.

Prince William, sir. Did you understand the song *“What goes around comes around (Interlude)”* sung by Justin Timberlake? When the song passes around 2 minutes and 11 seconds, I heard pronunciations *“For they think about Daddy, sound was ready to give you my name”* Prince William, sir. *Do you understand “Sound was ready to give you my name”?* *Did you know why I told you one of Our Father’s Wills is that willing to see you immediately helped Me after Our Father had just opened My mind? As at that time, the Satans and all evil people had successfully made appointments with one another, and had completely assigned their responsibilities?*

Prince William, sir. ***Our Father has 3 Person: Our Father, The Daughter and The Son, and The Holy Spirit. You are The Son.*** And I told you many times. Our Father, Brother Jesus, The Holy Spirit, gods, and goddesses have followed many orders of the Satans and all evil people because ***Our Father strongly wants to teach everyone to ethically and correctly solve his problem before praying to Our Father to request Our Father to help him. After we will have started to solve our problems by the right solution, everyone will start to see "Bearing of fruits in this life", or it is called in the English language "What goes around comes around" ("Everything I do comes back to me"), or "You reap what you sow", or Buddha called "Karma".*** And declaration the truths, transfer money to My bank account, and sending all good foreign mass communications and your trustworthy people to Thailand is the solution to help everyone to see ***"Bearing of fruits in this life", or it is called in the English language "What goes around comes around" ("Everything I do comes back to me"), or "You reap what you sow", or Buddha called "Karma".***

Prince William, sir. ***Did you understand why you were born as a prince of The United Kingdom, so you have "many video clips" as "collections of your family"?*** And did you understand why when the song "You And Me Against The World" sung by **Helen Reddy** passes around 1 minute and 44 seconds, we heard pronunciations ***"A memory along will give us through"?***

Prince William, sir. Could you figure out ***why a woman disappeared from an airport? There are many public areas where reporters report the news. And there are many public areas where have cameras. But why did Daddy Almighty choose "the woman" and "the airport"?*** Prince William, sir. Could you figure out what you must quickly do?

...

Prince William, sir. Since 1 February 2019, I have prayed to Our Father "Daddy, please remind Will ***"The Satans and all Thai devils not only love to fool but also are very good at deception. And they succeeded in deceit Will into waiting around 17 years."*** Daddy, please help Will to figure out ***why a woman disappeared from an airport. There're many public areas where reporters report the news. And there're many public areas where have cameras. But why did Daddy choose "the woman" and "the airport"?*** Anyway, Daddy, if Daddy doesn't want to make scars in My heart, if Daddy truly wants to show Me Will still loves Me, Will can protect Me, and I can lay My life in his hands, please do everything to help Will to succeed in declaration the truths, transfer money to My bank account, and sending all good foreign mass communications and his trustworthy people to Thailand within 15 February 2019"

.....
