

♥♥ Recruit a boyfriend ♥♥

(29 July 2023)

I found new information. The new information I found is that I and Prince William are not soulmate, but are just brother and sister whom The Father Almighty created to do Missions of The Father Almighty. I would like to underline the truths again: My Main Missions are to help, to redeem, and to teach. But Main Missions of Prince William are to help Me, My Parents, and My group to go out of Thailand to fly to The Holy Home, and to be My backup.

Why I believe the new information?

It is because The Father Almighty told Me “Kay, You are My Only One Daughter whom I concern about the most”. Therefore, because I am The Only One Daughter of The Father Almighty whom The Father Almighty concerns about the most, so I believe that The Father Almighty will not definitely create the man whose belief is “My missions are to let Kay hurt, to let Kay cry, to let Kay and Her Parents be severely tormented, and to hurt Kay” to be My soulmate. Think twice: If The Father Almighty created the man whose beliefs is “My missions are to let Kay hurt, to let Kay cry, to let Kay and Her Parents be severely tormented, and to hurt Kay” to be My soulmate, how all My life would be?

The Father Almighty just told Me “Kay, You need to wait for until Will will feel “It’s enough” or until Will will know “The voice I have heard does not come from Daddy Almighty” And because nobody helps Me to tell the truths to Prince William, King Charles, and Prince Harry, so I do not know how long I must be continued waiting for. I just knew that while I am waiting for, I and My Parents are being violently tormented every day.

As a result, because I and Prince William are just brother and sister, and I truly want to know how happy of love which I never feel is (I usually wonder why numerous people strongly want to have a boyfriend or a girlfriend 😊😊), so I need a man who can cherish My heart and can look after Me as his wife. So that, I am opening My mind for a **white** man who is a **Christian** to conquer My heart. I mean that I recruit a **white** man who is a **Christian** to be My boyfriend, and then My husband. Whereas, he needs to wait for until I will finish My Missions at The Holy Home, and he needs to complete My conditions;

1) Because My Soul is A Soul of A Toddler, so if I marry him, we will not have sex with each other.

2) Because My Parents are My life, so he must be accepted by My Parents and can harmonize with My Parents.

3) He must be accepted by The Father Almighty “You can marry Kay”.

4) His feelings must truly love Me.

5) My feelings must feel love him.

6) We can openly and straight talk everything to each other. If we have a conflict topic and I have appropriate reasons, he must listen to and follow Me.

7) I do not mind if he is sent by a foreign organization such as FBI or the US Troop 😊😊. But if his work makes him dangerous, after we marry, he must resign from his work in that I do not want to fast be a widow. I want the man who can live with Me until we will naturally pass on together. And

8) Because My brain and body are the brain and the body of a 47 years old woman who have not been slept enough for 23 years and My Parents are more than 74 years old, so he needs to have enough money to help My life and the lives of My Parents to be comfortable (But after I will have finished My Missions at The Holy Home, I will have much money from auctions, compensations and interest. So, if you really want to try conquering My heart, you do not need to concern about this condition much. Just have enough money to please Me and My Parents while I and My Parents are being detained in Thailand.)

I always go shopping on the last Wednesday of a month and/or the first Wednesday of the month. My favourite department stores are Central World, Central Chidlom, Central Lad Prao, and Emporium. I am starting looking for My future husband at the end of August 2023. From the end of August 2023, before I will go shopping, I will post when and where I will go shopping on My website before the day I will go shopping at least 1 day. And because I do not want to overlap keeping relationship with two men together at the same time, so I will talk to the first 7 men who greet Me for a moment before choose only one man to get to know each other ❤️❤️ ...

... So, see you ... My future husband ❤️❤️ .
