

**Remarks:** 1) I told you in article 67 “The Thai kings and the Thai dynasty are authorized to be “over the laws” (or another word is “exception of the laws”) by the constitution and the criminal law of Thailand” So, think over: If the Thai kings and the Thai dynasty never committed any crimes and any felonies, if they are not afraid of exposing their own demonic to the world, why do not they **officially** allow the Thai parliament to amend the constitution and the criminal law of Thailand? ***Why do not they surrender to be “under the laws”?*** Exclude Thailand, how many countries where the monarch is over the laws? Why Prayuth Jun-o-cha has tried to keep the power in only his hands, and has not followed the request “reformation the Thai dynasty” of Thai protestors? What do they want? And what they have done?

The other points that I would like you to ponder over are that Thailand is ***a small-agriculture country***, and the Thai dynasty is ***a small dynasty***. Thailand also was the start of “***1997 Asian financial crisis***” (***Tom Yum Kung crisis***). Why the Thai kings and the Thai dynasty is ***the richest monarch in the world*** while most population of Thailand are **poor** and Thailand has been ***plenty of drugs***? Why the Thai troop that the Thai king is the commander in chief cannot vanquish all Thai drug-selling gangs? Why the Thai troop, that the Thai king is the commander in chief, has mafia gangs that almost all Thai heard the news “Thai soldierlike mafia gang has squeezed money from hired motorbike drivers”? ***How much monthly expenses the Thai kings and the Thai dynasty have gotten from state budget? Why the Thai kings, the kings of a small-agriculture country, are richer than Sultan of Brunei and the king of Saudi Arabia? How selling vegetables and fruits of “royal project” help the Thai kings and the Thai dynasty to be richer than Sultan of Brunei and the king of Saudi Arabia?*** What the Thai kings and the Thai dynasty have done to be the richest royal family in the world? How the path to be the richest royal family in the world has been? And what the real businesses of the Thai kings and the Thai dynasty are?

2) The God has opened My mind since 2000, so you have known Me since then. I **never lie to** anyone. I **always wish others the best**. And I **never blacken** others. For the early reasons, if I do not have full of confidence of “wicked of others”, I will not definitely speak out. I am also **the most optimistic girl**, so that if I see evil of someone, what is he?

Whereas after you listened to the truths of pimp king Bhumibol and the satanic Chakri dynasty from Me, why do you still feel indifferently? Why do you still strongly believe “king Bhumibol is the best king, and the Chakri dynasty is the best dynasty”? Why do not you doubt? Why do not you want to know what the truths of pimp king Bhumibol and the satanic Chakri dynasty are? ***Why cannot you realize “What king Herod did to Baby Jesus”?***

And why do you still actually believe “Kay was fooled all!”? Have you been under control of pimp king Bhumibol and the satanic Chakri dynasty?

Another point that I would like you to think through is not only Thailand has “prostitutes” but almost all countries in our world also have “prostitutes”. The US has prostitutes. The UK has prostitutes. Russia has prostitutes. Japan has prostitutes. Dubai has prostitutes. And China has prostitutes. Why The God let all foreigners call only Thailand “the prostitute country”? And a man who spends his life with a prostitute is “a pimp”, right? When I point Prince William, all good members of The British Monarchy, and their monarchical friends to see this point, why do you think only “Thailand has a large number of prostitutes”? Have you been under control of pimp king Bhumibol and the satanic Chakri dynasty?

If I am idiotic, how could I graduate from faculty of law, Thammasat University in 1997. While I was studying at Thammasat University where prostitute princess Bajrakitiyabha also graduated from faculty of law, 2 big Thai drug-selling gangs ***violently tormented Me to addict drugs and suicide***. But I could graduate in 4 years. At that time, Thammasat University was the number one of faculty of law in Thailand!

If you think “The stupid can graduate from faculty of law, Thammasat University”, I would like you to think over: Prostitute princess Bajrakitiyabha is a member of the Thai dynasty. Why would she choose to graduate from faculty of the university that the stupid can graduate?

Why do not Prince William, Prince William’s monarchical friends, and foreign royal reporters try searching details of properties and businesses of pimp king Bhumibol and the satanic Chakri dynasty? Are “pimp king Bhumibol and the satanic Chakri dynasty have businesses to launder their dirty money” the truths? You are in the royal circle. So, it will be easy for you to find the truths of pimp king Bhumibol and the satanic Chakri dynasty. I believe that you can exchange information with “Forbes” and “Voice TV, Thailand”.

3) On 14 January 2022 at 12:15 pm (London time), I repeatedly read 1<sup>st</sup> remark of this document. Later on, “some people” whom I believe that they are “pimp king Bhumibol, prostitute queen Sirikit, and the satanic Chakri dynasty” let Me sleep on 15 January 2022 at around 3:00 am (Bangkok time).
