

Some significant truths ***(23 December 2023)***

Since early November 2023, pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family have ordered our God to emphasize to Me “The year Will, The British Monarchy, and all good Christians wait for Jesus to judge the living and the dead is 2023” And “After Christmas Day 2023 will have passed, Will, The British Monarchy, and all good Christians will know “We are fooled into waiting for” Then, Will will fire Kate and her children out of the positions and his palace. And then, Will will call You.”

Whereas, since then, all Thai people have tried to deceived Me “We are ordered by Queen Elizabeth”. An example is that on 23 December 2023 in the morning, some members of Ad-harn family spoke loudly in front of their homes to make Me hear “Queen Elizabeth orders us to blacken king Bhumibol!”

If a truth is that Prince William, The British Monarchy, and all good Christians are waiting for Jesus to judge the living and the dead on Christmas Day 2023, why have pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and all Thai people told the truths earlier mix the lies earlier to Me?

It is because pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people planned to **lie to** foreign people including judges and juries in every court of law “Since early November 2023, The God has told all the truths to Kay including “All Thai people are ordered by Queen Elizabeth” and “Queen Elizabeth orders Ad-harn family to blacken king Bhumibol!””

Last, refer to the truths I told you in My first e-book and on My website, could you figure out: **All** Thai people have worked together to order our God, why **not many** Thai people became worldwide-famous or billionaires, but **many** foreign people especially many American people who were enticed to order our God by all Thai people became worldwide-famous or billionaires?
