

Something I have periodically heard since 2000 ***(4 January 2024)***

Because I have carefully considered many things which “the voices” have periodically told Me, and because I must be sure that those voices are the truths before I tell everyone, so I did not tell everyone all things which “the voices” have periodically told Me in that I believed that they are the lies.

Whereas, because I know how tricky of pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people are, and because I know that they have it in their minds to throw their guilts on foreign royal families, foreign people, and foreign countries ***by lying to everyone “How do you know that the stories about foreign royal families, foreign people, and foreign countries which Kay has heard are all the lies?”***, so I am telling you what the main lies “the voices” have periodically laid to Me about foreign royal families, their citizens, their countries, and famous foreign people since 2000;

About The British Monarchy and British people

- On 1 December 2018 at around 6:35 am, I heard the voice of prostitute princess Uboratana Rajakanya “Soon, Kay is figuring out “The British Monarchy has committed the devil’s dirty plan!”” Later on, at around 7:02 am, I heard a voice of a man “Yes, soon, Kay is figuring out!” Then, I heard a voice of a woman “The British Monarchy agreed to participate in the plan!” And since then, many times, I heard “The British Monarchy is the leaders of the plan but they aim to blacken king Bhumibol, the satanic Chakri dynasty, and all Thai people!”

- Before 3 January 2024, twice or triple times, I heard a question “How do you know that the rumour “James Lifford Hewitt was a mistress of Princess Diana” is just a rumour?”

- “Sarah, Duchess of York, has participated in the plan because she has been angry with Queen Elizabeth and The British Monarchy”

- “Camilla is the first love and true love of King Charles”

- “Members of The British Monarchy are “promiscuous””

- “People who have offended the plan are British people”

- “The natures of British people are like the natures of Thai people”

- “The British Monarchy, The British Troop, The British Government, and British people have continue running the plan because the UK is an arms-selling country”

But I believe that some voices I have heard are the truths;

- “Camilla has worked the plan since before Prince Charles married Princess Diana, so she can put an emotion “I love Camilla” on King Charles and could control King Charles to marry her”
- “Camilla genuinely wants Princess Diana to get hurts”
- “Camilla is wicked”
- “We strongly want Prince William and You to be separated from each other forever”

- In the middle of December 2023, I found a Thai article about Princess Grace of Monaco from going online on My mobile phone. And the article was written to make readers think “King Rainer himself killed his own wife”

- “King Albert has his own soulmate whom he will fall in love with at the first sight”

I would like you to know the truth: Pimp king Bhumibol, pimp king mha Vajiralongkorn, and the satanic Chakri dynasty had planned their lies to lie to foreign people including judges and juries in every court of law before I posted this document on My website “We heartily sorry for the lies from some Thai people to blacken you. But the Thai people laid the lies about us to Kay so as to blacken and overthrow us too!”

Last, ***I would like you all to think over: If Jesus would come to judge the living and the dead in the current millennium, why pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people need to prepare many things for alibiing and blackening The British Monarchy, foreign royal families, foreign people, and foreign countries?***
