

Synthesize Later

(Rewrite of “Synthesize Later”
which was emailed Prince William
on 15 August 2018 and 23 January 2019)

Note: **I wrote this document while I was being tricked** “Prince William listened to Me” “I and My parents can run away out of Thailand by a commercial plane” “Pimp king Bhumibol and the satanic Chakri dynasty allowed Prince William to read My works and to listen to My explanations” And “Prince William has to order his trustworthy authorities to investigate (by asking innocent foreign creative people to know the truths) before Prince William will declare the truths”.

Whereas, The God told Me in 2021 “Kay. Pimp king Bhumibol and the satanic Chakri dynasty **fooled** You “You can run away out of Thailand by a commercial plane”. ...

... **The truths are that** I (The God) will spend 13 – 14 hours on **“the safest royal flight”** from Bangkok to London to tell each foreigner all over the world “You can reform yourself” or “You can’t reform yourself” to help the UK to be a safer land for You, Your parents, Will, and Harry. ...

... At the time when You, Your parents, Will, and Harry will be on “the safest flight”, each foreigner **will be out of control** of pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people. Therefore, each foreigner will start to understand himself and will make up his mind by being his own himself. ...

... As a result, Kay, remember and tell Will, his dad, and Harry “The flight from Bangkok to London for Me, My parents, Will, and Harry must be **“the most trustworthy flight”!**”

And The God told Me in around August 2022 to October 2022 ...

“Kay. Pimp king Bhumibol and the satanic Chakri dynasty knew “Prince William **is not** idiotic. Thus, if he stands a chance to read Kay’s works and to listen to Kay’s explanations, we will **“control”** him not to figure the truths out more difficult.” So, pimp king Bhumibol and the satanic Chakri dynasty **have not** let Will read Your works and listen to Your important explanations. They **have not** also let Will be his own himself”.

And

*“Kay, pimp king Bhumibol and the satanic Chakri dynasty have known that declaration the truths is an important way to solve the problem. But they **tricked** You into writing an email to Will “Will will order his trustworthy authorities to investigate” in that if You are still detained in Thailand, they can still order Me (The God) to do many things up to their minds including **control** mouths of all innocent foreign creative people to speak out **as their thoughts**, and to **create** “a result of investigation” **as their minds**. So, if You are still detained in Thailand, they can still **fool** Will and his trustworthy authorities into continual waiting, and can **create** “many pieces of fake evidence” to **blacken** Will and ethical members of The British Monarchy. ...*

*... So that, Kay, tell Will “After you, your dad, and brother Harry will have known the truths “We’ve been **fooled** into waiting for The Judgement of Jesus”, you all have to chase the fake queen and the fake princesses out of your palaces. And call Me (Kay) to prepare yourselves for declaring the truths ...*

*... In the period of the time from you all chase your fake wives out of your palaces to a day when you will call Me, your dad will hear “many advices”. Your dad, you, and brother Harry need to **carefully consider** which advices are from The God but which advices are from pimp king Bhumibol and the satanic Chakri dynasty because I (Kay) am still detained in Thailand!” ...*

*... However, their trustworthy authorities can spend 13 -14 hours when You, Your parents, Will, and Harry will be on **the most trustworthy royal flight** to ask innocent foreign creative people to know the truths to begin to investigate. ...*

*... Kay, emphasize to Will again “Pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people can order Me (The God) to do many things up to their minds in that they have worked together to condition Me “If You don’t want Kay to be death, everything in the world must be **as our thoughts**” And “If You aren’t under our orders, we’ll **kill** Kay (and Her parents)!” And You and Your parents have been still detained in Thailand since the end of November 1999!”*

Shall we see what Our Heavenly Father told Me to write in “Synthesize Later” ...

Will, a very significant truth, which I would like you to know in these video clips, is when I was 38 years old, I watched a clip on YouTube. Prince Charles talked to a female reporter and a male reporter in that clip “She’s 38 years old, wonderful woman.” And your father requested the reporters to help. Will, the voices told Me “Prince Charles heard something, so at that time, he requested the reporters to help”. However, **at that time was not the fittest time to request “reporters” to help.**

Will, a very consequential truth that the voices indirectly told Me is that **since we heard Our Father’s voice, Our Father has tried to tell and guide us the truths and our way to survive. Nonetheless, because Our Father actually wants to help everyone to see “Bearing of fruits in this life”, or Buddha called “Karma”, or it is called in the English Language “What goes around comes around”, so Our Father has let Satans and devils order Our Father to:**

1. Tell and guide us the truths and the way to survive at the time at which the future still has not come, and we still have not started the way to survive. And

2. Send their lies by Our Father’s voice.

So as to fool us into misunderstanding the truths and our way to survive, which Our Father has tried to tell and guide us.

Will, listen to Me carefully. Our Father has told the truths and our way to survive to us maybe in 2000, in 2002, in 2004, in 2007 and in 2014, or in every year. Some voices did not directly tell us, but guided us the truths and our way to survive. Will, **we must synthesize some voices that we have heard since 2000 to know how to solve our problems to survive.** Will, I heard pronunciations in the song “One Moment In Time” sung by Whitney Houston. When the song passes around 1 minute and 58 seconds, I heard **“I bleed to be the bury best. I want it all. No time for less. I bleth(er) the plan. Now lay the chance. Here in my hands. Give me one moment in time ...”** Will, another point is that do you understand the words **“we”** and **“us”**? **I mean that whom you can trust, and also group into “we” and “us”.**

Will, could you notice? When I was 38 years old, **your father heard something, so that he requested the reporters to help.** And Our Father told Me “Will will order his team to investigate. After a while, **Will will declare “Engagement and marriage of I and Kate are void”, and the truths of him, You and the overthrow gang to all good foreign mass communications. And Will will request all good foreign mass communications to come into Thailand to report the news of You. Will will send his trustworthy people to Thailand to take care of You and to teach You the English language and international social etiquette too”.**

Will, Our Father told Me “Though pimp king Bhumibol, Ratchaneewan Ad-harn, and all Thai people ordered Me to cause difficulties “13 lives who lost in the cave” so as to divert the issues from “What have happened to Kay” and “Kay’s conditions” to “13 lives who lost in the cave”, ***I made lots of foreign mass communications to report the news of “13 lives who lost in the cave” in order to make pimp king Bhumibol, Ratchaneewan, and all Thai people know how much power and effectiveness of all good foreign mass communications is”.***

Will, Our Father told Me “I truly want You to agree to engage Will before Will and You will fly to The Holy Home”. **Accordingly, You and I will have “Loved online” before the same as I heard pronunciations in the song “Last Friday Night” sung by Katy Perry. You and I will “Love online” means you and I will talk to each other, and send messages to each other to get to know each other on the mobile phones, FaceTime, What’s App and Line application.**

Will, Our Father told Me “You’ll have a chance to study the English language and international social etiquette with “teachers” whom Will will choose. Will’s trustworthy people who will come to Thailand to take care of You will have much cash and hold a credit card which Will will be the sponsor to use for Your expenses. And Will’s trustworthy people who frequently come to Thailand and regularly go back to England will carry Your belongings out of Thailand in order to prepare to help You to go out of Thailand”.

Will, Our Father also told Me “If pimp king Bhumibol, Ratchaneewan, the Thai troop, and the Thai government still insist “We won’t allow Prince William and his team to come to get Kay to go out of Thailand”, Will will have fought against them. Will will have proceeded Our case with the UN. Will will have done everything until the UN cannot stand, and will send the UN International Troop to declare war on Thailand”.

Therefore, because the future that Our Father told Me in the 5 previous paragraphs, so I wrote in the script which I call “Ad-harn family will be killed” ***“Ad-harn family, many drug sellers in Thailand, and scores of Thai people who have joined the devil’s dirty plan will be killed by henchmen of pimp king Bhumibol and his gang after; 1) You will have declared “Engagement and marriage of I and Kate are void”, and the truths of you, Me, and the overthrow gang to all good foreign mass communications. 2) You will have requested all good foreign mass communications to come into Thailand to report the news of Me. And 3) You will have sent your trustworthy people to Thailand to take care of Me and to teach Me”.*** I wrote in the script ***“These***

situations will also happen to many foreign devils and many foreign sinners in every country” too.

Will, Our Father supported My thought “Ad-harn family, many drug sellers in Thailand, and scores of Thai people who have joined the devil’s dirty plan **will be killed** because pimp king Bhumibol and his gang **will be nervous** “Our felonies will be exposed to all good foreign mass communications and Will’s trustworthy people who will come to Thailand””. Will, **do you know how curiosity to know the truths of all good foreign mass communications is?** Will, Thailand is not the country of CNN. And I believe that CNN reporters never went into the cave where 13 lives lost in. However, when CNN reported the news of “13 lives who lost in the cave”, CNN reported with “scenery inside the cave”.

Will, Our Father told Me “After Will will have declared the truths of Kate, Middleton family, and the overthrow gang, Kate, Middleton family, many devils in Will’s country, and many sinners in Will’s country **will be murdered** by their “higher hands”. Since their higher hands **will be anxious** for the revelation of their felonies”.

Will, eventually, after brother Harry, you, and I will have been at The Holy Home, and righteous Christian policemen will have received “The Wanted-List from The God”, pimp king Bhumibol Adulyadej, who is the male Satan, his satanic family, his gang, the rest of Thai people who have joined the devil’s dirty plan but are still alive, and the rest of all foreign evils **will kill one another inevitably.**

Will, could you figure out why your father requested the reporters to help? Will, please let Me help you clear. After; 1) You will have declared “Engagement and marriage of I and Kate are void”, and the truths of you, Me, and the overthrow gang to **all good foreign mass communications**. 2) You will have requested **all good foreign mass communications** to come into Thailand to report the news of Me. And 3) You will have sent your trustworthy people to come to Thailand to take care of Me and to teach Me, **who will be under “high-pressure”?** Will, I would like to question you again. **Have you ever known how much power and effectiveness of all good foreign mass communications is, and how curiosity to know the truths of all good foreign mass communications is?** Will, **why do not all good foreign mass communications curious to know who have tormented them and their compatriots? And why do not all good foreign mass communications truly want to work for Our Father?**

Will, after I had sent the email to you on 15 August 2018, I heard a singer pronounces **“Pulitzer”** in a song that “Soft Radio” jockey. Will, “Pulitzer” is an award for excellence in not only literature achievements and musical composition but also **newspaper journalism.**

Will, the voices told Me *“The Thai government will allow all good foreign mass communications to come into Thailand to report the news of You. Since **they’re afraid** “If we don’t allow all good foreign mass communications to come into Thailand to report the news of Kay, all good foreign mass communications themselves will try to find the truths of all Thai people out, and will expose the truths of all Thai people to the world”*”. Will, the voices also told Me *“If the Thai government doesn’t allow all good foreign mass communications to come into Thailand to report the news of You, all good foreign mass communications will have fought against the Thai troop and the Thai government until leaders of their countries can’t stand, and will step out to speak out about the actions of the Thai troop and the Thai government”*”.

Will, I would like you to know. Our Father helped Me to stand a chance to watch a clip that a male BBC reporter interviewed pimp king Bhumibol. *In that clip, the male BBC reporter questioned pimp king Bhumibol by significant questions. I cannot remember all the words of the significant questions. But the meaning of the significant questions, which the male BBC reporter emphasized, were **“Do you have any plans?”** and **“What is your plan?”*** Will, pimp king Bhumibol clearly showed his feelings in that clip. He felt so uncomfortable and moody with the significant questions.

Will, Our Father told Me *“When You were 38 years old, I helped You to watch the clip that Prince Charles requested the reporters to help, in order to see You **“synthesize” later,** and then tell the truths in these video clips to Will”*. Will, a very significant truth is around the end of 2016, *I heard Ratchaneewan’s voice mock at us by snide words in the Thai language **“You yourselves don’t talk to one another.”** I knew the meaning of her mockery. The sense of her mockery is “Kay knew the truths, such as this isn’t a test, and when Jesus will come. And we allowed The God to tell you the truths and your way to survive. If you talk to one another, and synthesize, you’ll know the truths and your way to survive. You yourselves don’t talk to one another and synthesize. It’s not our offenses. We told you all.”* Will, did you understand pronunciations of the refrain of the song **“Coming Around Again”** sung by Carly Simon?

Will, Our Father advised Me *“If Will’s team doesn’t want to show the evidence which they’re gathering to use for running law process, Will can declare only “Engagement and marriage of I and Kate are void”, and the truths of him and You to all good foreign mass communications,* and tell all good foreign mass communications *“We can’t go into details of the overthrow gang because showing evidence will cause damage to cases.”*” *Will, do you know before 2002, I heard Ratchaneewan’s voice once “O is brave to declare “Kay belongs to me””?*

Will, *in case of nobody helps us,* I mean that in case of your authorities have participated in the devil’s dirty plan, why cannot you declare the truths? *I advised you how to declare the truths without any help from your authorities in the script that I call “How many years have they ran the devil’s dirty plan?”* ☺☺ (The script is in this book, section 1, part 5, chapter 6).

Will, in My opinion, after you will have declared *“Engagement and marriage of I and Kate are void”,* and the truths of you and Me to all good foreign mass communications, you do not need to request all good foreign mass communications to report the news of Me. Will, I would like to question you again. *Have you ever known how much power and effectiveness of all good foreign mass communication is, and how curiosity to know the truths of all good foreign mass communications is?*

Anyway, Will, I would like to warn you and righteous authorities in your team. If the righteous authorities in your team are investigating, and you all are pretending that you know nothing about the truths and following orders of the Satans and all evil people, do you know that *the Thai troop, the Thai government, and the Thai police prepared to excuse “We were investigating the same as good authorities in Will’s team. We needed to pretend that we know nothing about the truths and follow orders of the real Satans and all real evil people. Hence, we needed to detain Kay in Thailand. This is an effective method of investigation that we studied from the FBI and Scotland Yard. We did the same as good authorities in Will’s team did. Why do you accuse us “Thailand is the leader of the devil’s dirty plan and strongly want to kill Kay””?*

Will, the fresh truth helps Me to warn you. *If you and all moral Christians strongly believe “This’s a test”, the Thai troop, the Thai government, the Thai police and all Thai people prepared to excuse “We let the story go on like these because we strongly believed “This’s a test” too. And we hurt Kay because we followed orders of all real evil people the same as Prince William and all moral Christians!”*

Will, I told you many times “The Satans and the Thai devils have known “What the future will be” since early December 1999”. And pronunciations in many songs can confirm *“The Satans and all evil people had **successfully** made appointments with one another, and had **completely** assigned their responsibilities before the Satans allowed Our Father to open My mind.” It shows that **the Satans and all evil people planned their plan and alibis for all of their felonies entirely and very well.*** Will, another point is what do you think if I tell you that they prepared to excuse as they all knew “Our names are in “The Wanted-List of The God””?

Will, *Our Father sent Me and you to be born because Our Father actually wants to help everyone to know. “Bearing of fruits”, which Brother Jesus teaches, is **an everlasting truth.*** Nonetheless, *because Brother Jesus had his time to teach around **only 3 years,** so Brother Jesus never teaches about “Bearing of fruits **in this life**”,* or it is called in the English language “What goes around comes around” (“Everything I do comes back to me”). *In consequence, Our Father actually aims to see us help everyone to understand.* However, *they are the Satans and all evil people. Consequently, they actively want to lead everyone so as not to believe “Bearing of fruits”. Are you ready to help everyone to see “Bearing of fruits”, which Brother Jesus teaches, and “Bearing of fruits **in this life**”, or it is called in the English language “What goes around comes around” (“Everything I do comes back to me”) which Our Father truly aims us to help everyone to see as **an everlasting truth?***

Will, I would like to underline it again. The Satans and all evil people can order Our Father to do **“many things”**. Will, do you understand **“many things” not “everything”?**

Will, Our Father told Me “I worry about Will. Will will follow all orders of the Satans and all evil people. I strongly want to help You to succeed in Your first missions, and triumph over the Satans and all evil people. Accordingly, the Satans and all evil people can’t order Me to send all of their thoughts to order Will”.

However, *they have used psychology to **deceive** you.* Three of the examples are;

1. They knew. Two of Our Father's Wills are help us to succeed in our first missions from Our Father, and triumph over the Satans and all evil people. Thus, they cannot order Our Father to order you "Don't receive Kay's emails". Or you would not hear any orders that order you "Don't receive Kay's email". But they would order Our Father to send their thoughts to trick you "If the information in the attached files, which Kay sent to you, are the truths, why did we allow you to read them?" Will, could you remember I told you "One of My Missions is to tell the truths, so they can't stop Me telling the truths"? Will, what are your first missions?

2. They knew. I wrote scrips that I sent to you by using "writing form" instead of "speaking form", but they would order Our Father to change some points in My scripts from "writing form" to be "speaking form". They would order Our Father to send their thoughts to deceive you "Kay wrote these scrips when She felt dizzy". Nevertheless, they cannot order Our Father in order not to question you to help you to think "Though they're in "speaking form", how is it important? Do you understand what Kay wants to tell you?" And

3. They knew. Our Father truly wants to teach all good foreigners and all foreigners who can reform themselves to try to do the right their best to solve their problems before praying to Our Father to request Our Father to help them. Therefore, you will succeed in your first missions. *So, Our Father hinted you by a question "Will, why don't you help Kay?" Then, the Satans ordered Our Father to send their thoughts to laugh at you and control you to think "The voice just provoked me!" Or Our Father encouraged you by telling the truth "Will, you can declare the truths" Nonetheless, the Satans ordered Our Father to send their thoughts to fool you "Don't declare the truths. We warned you." Or they laughed at you after Our Father had encouraged you to tell the truths by unpleasant voice.*

Will, did you understand the examples? Did you know the Satans and all evil people can order Our Father to do "many things" not "everything"? And did you understand they have used psychology to *trick* us?

Will, I would like to emphasize it again. *Our Father has tried to tell and guide us the truths and our way to survive. But the Satans and all evil people have ordered Our Father to send their thoughts to fool us into misunderstanding the truths and our way to survive which Our Father has tried to tell and guide us.*

Will, I apologize. Our Father recently told Me the new information that I told you in these video clips. As a result, I told you in the document that I call “The Last Document” “After brother Harry, you, and I will have been at The Holy Home, and righteous Christian police officers will have received “The Wanted-List from The God”, pimp king Bhumibol, his satanic family, Ratchaneewan Ad-harn, her devilish family, their gangs and all Thai people will kill one another surely”. Will, now, the new information, which Our Father recently told Me, help Me to know. *We will see “Bearing of fruits in this life”, or Buddha called “Karma”, or it is called in the English language “What goes around comes around” (“Everything I do comes back to me”) rebound on Ratchaneewan Ad-harn, who is the female Satan, Ad-harn family, scores of Thai people, and many evil people in your country while I am being detained in Thailand.*

Will, did you understand what I am trying to tell you? Will, have you ever tried to do *the right* your best to help Me to survive, and to help everyone to see “Bearing of fruits *in this life*”, or Buddha called “Karma”, or it is called in the English language “What goes around comes around” (“Everything I do comes back to me”) that are *your first missions from Our Father?*
