

Thai teachings

(17 June 2023)

Before I am stopping sending My mind, I would like you to know what Thai old generation have taught Thai new generation. I have heard these Thai teachings from the Thai society since I was a kid;

- 1) "Knowledge is good. But doing anything to manage to survive even the dirtiest tricks is the best!"
 - 2) "A smart person is the person who can do anything to manage to survive even the dirtiest tricks!"
 - 3) "Bravery is a way to be death!"
 - 4) "The truth never dies but people who tell the truth will die first!"
 - 5) "Nobody never lies to other!"
 - 6) "Honesty cannot be eaten!"
 - 7) "Honest people and sincere people are "the fool"!"
 - 8) "Gossipers and fakers are normal!"
 - 9) "A person who is good at adulation will fast "move forward" in his office!"
 - 10) ""Money" is "The God"!"
 - 11) ""The rich" can do everything in Thailand!"
 - 12) "Do not have any problems with any rich people!"
 - 13) ""The rich" is always "right"!"
 - 14) "Do not have any enemies" The meaning of this Thai teaching is "Do not have any problems with "the wicked"!"
 - 15) "You should make friend and keep relationship with people who will help your image to be good or to be better!"
 - 16) "You should make friend and keep relationship with people who can give you a benefit!"
 - 17) "A person who has "friends" is the person who can give benefits to others!"
 - 18) "You will know "natures" of each person when you do not have any profits to give to!"
 - 19) "Nobody can hurt you if your heart does not accept hurt". The meaning of this Thai teaching is "People who hurt you are not wrong. You yourself are wrong because you yourself want to accept hurt!"
 - 20) "Thai dramas and Thai movies have only 2 plots: "to grab a man" and/or "to grab heritage"!"
 - 21) "Envy is one of the Thai cultures!"
 - 22) Although Buddha teaches Buddhists "Karma is naturally real" Thai Buddhists have taught their new generation "No karma!"
- And

23) “If “a white person” likes you, he will give you everything he has, so just tempt him into pleasing you!”

A Thai quote which I found from going online can help you to know what all Thai people and the Thai society are. The quote is “A man asked Me “What is important and more difficult to find than money?”. I confidently answered “Sincerity of people!””

A way to know what all Thai people are is that more than 90 percentages of all Thai people declare themselves “We are Buddhists. Buddhism is our national religion” But the Thai Buddhists do everything opposite to the teachings of Buddha even the first five basic precepts of Buddhists to help humans to be complete humans such as abstain from killing and do not lie to. ...

... Buddha teaches Buddhists “Selling drugs and taking drugs are mortal sins” But in 2000, more than 85 percentages of all Thai people are drug sellers and drug addicts. Even pimp king Bhumibol is the big boss of the Thai soldier drug selling gang. Thus, many Thai people who could earn much money from selling drugs were appointed to be “nobleman” or “noblewoman” and got “insignia” from pimp king Bhumibol. ...

... A notice is that 3 hearts of Buddhism are: 1) Do goodness 2) Do not do badness And 3) Purify your mind, but could the time since the end of November 1999 helps you to know “All Thai people break all 3 hearts of Buddhism”? ...

... The Father Almighty told Me on 16 June 2023 at around 6:45 pm “The Thai new generation have talked to one another “3 hearts of Buddhism are: 1) Do not do goodness 2) Do badness And 3) Dirty your mind”, and then they have giggled with one another!”

I was born in Thailand and grew up as a middle-class in Thailand. My appearance is the same as Thai people. The Thai language is My first language. Since I was born, I have never spent My life abroad for more than 1 week. I have been severely tormented to addict drugs and suicide by almost all Thai people since I was 14 years old. From I was 14 years old in 1990 to I was 24 years old in 2000, no Thai person dramatized, no Thai person was ordered, and no Thai person was controlled. I mean that I had been seen the natural state of Thai people for 10 years before The Father Almighty started opening My mind. And now only 3 years I will be 50 years old. So, why do not I know all Thai people and Thailand?

The new generation of the Thai people will lie to foreign people “We are the new generation, so we are not the same as our old generation, so that we can reform ourselves” But a truth is that while a baby is growing up to be a child, he absorbs “natures” of his parents naturally. As a result, do you think what the new generation of the Thai people are? Even the Thai kings and the Thai dynasty are like these, how about ordinary Thai people?

Last, you may question yourself “Thailand and all Thai people are the worst. Why The Father Almighty sent Kay’s parents and Kay to be born in Thailand?” You will figure out if you can answer “Why The Father Almighty sent Prince William who is The Real Soulmate of Kay to be born as the eldest son of King Charles and an heir apparent of The British Monarchy that many members were sent by The Father Almighty to be the monarch of British people?” “Why Prince William has Prince Harry who was sent by The Father Almighty as his buddy brother and one of his most trustworthy people?” And “Why both Prince William and Prince Harry can fly a plane?”

Thank you very much, sir.

See you later.

Goodbye.
