

***Thank you so very much, sir***  
***(17 June 2023)***

In this video clip, I would like to say “Thank you so very much, sir” to;

1) Per Una that is one of the brands of Marks and Spencer. As of lately, I have found that designers of Per Una have designed many clothes I can wear and I “click”. The Father Almighty told Me “The designers have designed many clothes for You.” 😊😊

Thank you so very much, sir. I promised that if you continue designing clothes I can wear and I “click”, I will be one of your subsidizers always 😊😊.

2) JOLI SNOB made in Japan. On 14 June 2023, I found your shoes at a department store. Your shoes made by artificial leather and clothe, and I “click” designing of many of your shoes 😊😊.

However, now, your shoes are so very expensive for Me. But because your product’s materials and designs, so, I promised that if I get My money from My book and you continue designing shoes which I “click”, I will be one of your subsidizers always 😊😊.

And

3) BVLGARI that is one of the luxury brands I love in that BVLGARI usually makes their products by white gold. And I love white gold more than gold 😊😊.

On 16 June 2023, I found the new collection of BVLGARI on LINE application on My mobile phone. The collection is “BVLGARI Aluminium 2023”. I “clicked” one watch of the collection at once, and The Father Almighty told Me “Designers of BVLGARI designed the watch for You”. I also saw the phrase “SAVE THE CHILDREN” at the advertising banner, and The Father Almighty told Me “You understand what BVLGARI means” 😊😊

So, I strongly intended to request Prince William to buy the watch at BVLGARI shop in London instead of Me and let his trustworthy English people bring it to Thailand for Me in that I want to wear the watch when I wear jeans 😊😊.

Thank you so very much, sir. I promised that if you continue designing your products that I can wear and I “click”, I will be one of your subsidizers always 😊😊.

Last, I never forget how friendly and kindness PACO RABENNE and House of Fraser are 😊😊.

Thank you so very much for you all again ... Thank you so very much, sir 😊😊.
