

The Father Almighty told Me in the end of August 2023 (29 August 2023)

1) On 27 August 2023 at around 7:45 pm, while I was washing dishes and glasses at My Home, I heard "Why do not You afraid of royal punishment?". I thought to reply "Why do I need to afraid them? I never kill anyone. But the Thai royal family are murderers!" Then, I heard the voice of prostitute princess Ubolratana Rajakanya "We did not kill anyone. Joe Biden himself killed!" After that, I heard the voice of prostitute princess Ubolratana Rajakanya again "Kay means "Someone killed foreign creative people". We did not do. Joe Biden himself did. The pronunciations in the song "All rise" sung by Blue are "The dee dee decision of the Joe re has not me spoken" And it is the truth!"

So, could American reporters please ask Joe Boden "Is it the truth?"?

2) Around on 25 August 2023, while I was thinking of the song "Love Is Color-Blind" and foreign people who became superstars because they have ordered The Father Almighty, The Father Almighty told Me "Kay. The pronunciations in the song are "People having fun discriminating of the different ones. Mama just used to say when You grow up You may be find the way to make these people see that everything I do come back to me" Kay. People who "having fun discriminating of the different ones" that we need to make them see "Everything I do come back to me" do not mean only pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people, but also many foreign people who have ordered Me to make them become famous. Because one of the reasons the foreign people have ordered Me to make them become famous is that they think that if I am a famous person, I will be lifted up to be on higher level of ordinary people!" So, it means that they love to "discriminating of the different ones" too!
