Hi, everyone. Did you see Our Heavenly Father over my head? And did you see stairs to go to heaven at the left of my head? Did you see? So, listen to me carefully. I would like to send my message in this video clip to ***all humans who are not devils, sinners, or wicked people, but they joined the devil's dirty plan***, or I call them "Grey Humans".

Our God told me. The Satans and all evils still continue to control my brother whose name is "Will" whom Our God sent to help me to save the world, and his family so as to succeed in making me suicide, or naturally die. Since the Satans and all evils knew "If we succeed in making Kay suicide, or naturally die, ***we will succeed in bringing all grey humans who don't quit to be brutally tormented in merciless states where are call "Hell" and "The Eternal Flame" with us forever***". ***They are the Satans and all evils, so they have strong intention to bring all humans to die in "Hell" and "The Eternal Flame" with them forever as many as they can.***

Our God also told me. ***If almost all grey humans quit, the Satans and all evils will lose their dark power to control many things up to their minds***, with the result that my brother and his family will understand themselves and will follow my solution. After that, all grey humans who quitted ***will survive*** because they can reform themselves. But ***although all grey humans who still do not quit can reform themselves, Our God will group them into "all evils"*** to be violently tormented in merciless states where are called "Hell" and "The Eternal Flame" with the Satans and all evils ***forever***.

Our God told me "Now, all grey humans knew they aren't devils, sinners, or wicked people". And now, I had got "SLE", or in another word "Lupus" that can cause me suddenly die anytime. I also sometimes think about suicide. And I have paracetamol 500 mg. around 100 tablets in my bedroom. ***Forever brutal torment in merciless states where are called "Hell" and "The Eternal Flame" is not fun. So, if you still love yourself and clever enough, you will know what you must quickly do.***

Did you see stairs to go to heaven at the left of my head? ***Do you want to go up? Or do you want to go down?***
