

## The Last Chance (6)

(2 Pages)

I would like to send my message in this video clip to all humans who are not devils, sinners, or wicked people, but they joined the devil's dirty plan.

I told everyone. I concern about many innocent lives who will be passed on because of the Satans and all evils. Therefore, you may have a question "If Kay really concerns about many innocent lives who will be passed on because of the Satans and all evils, why Kay still waits? Why Kay hasn't suicided yet?"

It is because ...

If I succeed in suicide, or if I naturally die, after 1990 will have come, I will come back, and all innocent lives who passed over because of the Satans and all evils will come back to lives too. But if you do not quit before the deadline of the God comes, at the time when I completely die, you will be suddenly taken down to be brutally tormented in merciless states where are called "Hell" and "The Eternal Flame" with the Satans and all evils forever. Do you understand the words "suddenly" "brutally tormented" "merciless states" and "forever"?

However, if I am still alive, after Will and I will have been at the Holy Home, all innocent lives who passed over because of the Satans and all evils will come back to lives. And if you quit before the deadline of the God comes, you will survive from violent torment in merciless states where are called "Hell" and "The Eternal Flame" with the Satans and all evils forever. I would like to question you again. Do you understand the words "violent torment" "merciless states" and "forever"?

The God told me. The Satans and all evils fooled you into killing me *who came to save your lives*. As *if I die, nobody can save you to survive*.

Did you understand ***“If you don’t quit and I die” means your  
“violent torment” in “merciless states” “forever”?***

***Did you know why I still wait?***

I am still waiting ***for you to quit!!!***

***Whom you should believe,  
the Daughter of the God,  
or  
the Satans and all evils?***

.....
