

The Last Chance (7)

I would like to send my message in this video clip to all humans who are not devils, sinners, or wicked people, but they joined the devil's dirty plan.

Now, "Free Will" still belongs to you. I mean that **now, you can choose** between:

1) You will die in hell and the eternal flame with the Satans and all evils **forever**. Or

2) You will get chances to reform yourself in the new heavenly world.

However, **if the deadline of the God comes but you do not quit, you cannot choose anything anymore**. The only one way for you is violent torment in merciless states where are called "Hell" and "The Eternal Flame" with the Satans and all evils **forever**.

The God told me "Numerous bad foreigners will reform themselves after they will have seen and will have felt "Hell" and "The Eternal Flame"". Think over. **If forever brutal torments in merciless states where are called "Hell" and "The Eternal Flame" with the Satans and all evils are fun, why countless bad foreigners will intend to reform themselves after they will have seen and will have felt "Hell" and "The Eternal Flame"?**
