

**The Last Chance (8)**  
**(What the God wants)**  
(2 Pages)

This is an emergency video clip.

I had started to declare “The Last Chance” since 24 January 2020, but I heard the news of Kenny Rogers on 22 March 2020 in the morning. So, I as a Person of the God would like to proclaim that;

Although you are not a devil, a sinner, or a wicked person, although you are a girl or a boy, and although you quit before the deadline of the God comes, or in the last minute, ***if from 22 March 2020 until the deadline of the God comes, you confine freedom of and/or control and/or torment and/or kill others especially others who want to help me and Will to save the world***, the God will not definitely protect you, and ***you will be brutally tormented in merciless states where are called “Hell” and “The Eternal Flame” with the Satans and all evils forever, or not, it is up to the God’s decision.***

I would like you to know. The most important targets of all evil people who launched Coronavirus are Ayatollah Ali, Pope Francis, Xi Jinping, Will’s family, Will and me. And ***the God had let them launch Coronavirus before the God let me know what will happen if I die. So, if you are clever enough, you will know what the God wants*** 😊 😊

I advised you who are not a devil, a sinner, or a wicked person to confess to the world who enticed you to join the devil’s dirty plan. ***The truths since K9 was born until the God will turn back the time to 1990 will be written as the world’s history.*** So, I questioned you “Nobody is alive forever. ***What will you leave for your surname?***” 😊 😊

Last, ***rest in peace for a moment, Kenny Rogers. You will come back to life soon*** 😊 😊

Did you see the God in this video clip?

***“Nobody is alive forever.  
What will you leave for your surname?”***

A little, everyone, a little ☺ ☺

I would like you all to know behaviors and habits of almost all Thai and Thailand.

***When Thailand talks to American authorities behind China, Thailand adulates and takes side America.***

***But when Thailand talks to Chinese authorities behind America, Thailand adulates and takes side China.***

In Thai language calls “Nok song hua”, or can be translated in English “A bird that has 2 heads”.

Have you ever noticed ***whom Xi Jinping loves as if she is his daughter while the US Government is helping Thailand to fight against Coronavirus?***

You will know I told you the truths if you know ***what happened between Japan and Thailand after Pacific War had been in the end.***

I was born in Thailand. I have lived my life as an ordinary girl in Thailand since I was born. I have been brutally tormented by scores of Thai since 1990 when I was just 14 years old. And now I am nearly 44 years old. ***Why do not I know almost all Thai and Thailand? I am the most optimistic girl, so what you should think if I see evil behaviors of almost all Thai and Thailand. If almost all Thai and Thailand are good, why the God let foreigners call Thailand that “Prostitute Country”? Many countries have prostitutes. Why the God let foreigners call only Thailand that “Prostitute Country”?***

Did you see the God in this video clip?

I told you because I do not want anyone and other countries be ***victims*** of almost all Thai and Thailand.
