

The Last Chance (Updated)

(3 Pages)

“Doctor Dang” and the Thai devils fooled me, so I told a truth in my first e-book to everyone wrong.

I told you. If I succeed in suicide, or if I die, the world will be very unrest since the Satans and all evils will succeed in the devil’s dirty plan. But because Our God recently told me, so now, I knew fresh truths.

Listen to me carefully.

If I succeed in suicide, or if I die, we will not see the Satans and all evils kill one another because Our God will immediately take the Satans, all devils, all sinners, all wicked people and all humans who are not devils, sinners, or wicked people, but they joined the devil’s dirty plan down to hell and the eternal flame at the time when I completely die. I mean that ***although all humans who joined the devil’s dirty plan are not devils, sinners, or wicked people, at the time when I completely die, they will be immediately taken down to be severely tormented in merciless states where are called “hell” and “the eternal flame” with the Satans and all evils forever.*** Since they tormented and killed me, a Person of the God, and destroyed the God’s Wills.

Let me clarify. If I succeed in suicide, or if I die, all humans who are not devils, sinners, or wicked people, but they joined the devil’s dirty plan will not have any chances to see and feel purgatory, hell, the eternal flame and heaven. ***As I die before Will and I will be at the Holy Home. As a result, they will not have any chances to think about to reform themselves. They also tormented and killed me, a Person of the God. Therefore, if this situation happens, the rest of people who still will be in the new beautiful world will be only all good foreigners. But all good foreigners will have been left in the world until Our God will turn back the time to 1990 to send me come back to the world again.***

Nevertheless, if I survive, I mean that if I do not suicide, and I succeed in my first missions from Our God, after Will and I will have been at the Holy Home, all humans who are not devils, sinners, or wicked people, but they joined the devil's dirty plan will have chances to see purgatory, hell, the eternal flame and heaven in my eyes, and feel purgatory, hell, the eternal flame and heaven in their dreams. They will scare dying in hell and the eternal flame, with the result that they will strongly intend to reform themselves to live morally all their lives. Before Our God will turn back the time to 1990, although they will have gotten sentence such as public service, fine and/or prison, Our God will have protected them and they will have chances to reform themselves in the new heavenly world. Accordingly, ***if I survive, only the Satans, all devils, all sinners and all wicked people will be taken down to be brutally tormented in merciless states where are called "hell" and "the eternal flame" forever.***

Our God told me "Countless foreigners can reform themselves". But the Satans and all Thai evils knew "We can't reform ourselves", so that they really want to bring all foreigners especially the new generation to be violently tormented in merciless states where are called "hell" and "the eternal flame" with them forever. Therefore, ***the Satans and all Thai devils fooled many foreign humans "If Kay suicides or dies, we'll accomplish the devil's dirty plan and triumph over the God together"***. I would like to underline it again. ***The Satans and all Thai devils knew "What will happen if Kay succeeds in suicide, or if Kay dies". Because I heard their voices giggle with one another while I was thinking about suicide "คนคงหายไปเฉอะเนอะ", or can be translated in English "Untold foreigners will be disappeared"***

You will know I told you the truths if you know the death of Devadatta monk who tried to kill Buddha. So, could you figure out whom I am still alive for. I would like you to know. Now, I sometimes think about how to succeed in suicide. So, if you participate in the devil's dirty plan because you want to accomplish the devil's dirty plan and triumph over the God, or just because you have felt fun or happy, and you are clever enough, you will know what you should do. Because ***if you are clever enough, you will know nothing the God cannot do,***

nobody can triumph over the God, and the God has 3 Person: The God, the Daughter and the Son, and the Holy Spirit. I would like to emphasize it again. You will know I told you the truths if you know the death of Devadatta monk who tried to kill Buddha. To search for the death of Devadatta monk on search engines, you will know how to spell the name “Devadatta” by visiting my website www.angelkaybabygirl.com, go to topic “The Last Chance”.

Did you know why the Satans and all Thai devils have ordered Our God to make me cannot sleep almost all night since around the middle of January 2020? It is because they all knew what will happen. They all knew “On 22 January 2020 at around 3:00 a.m. Kay will know the truths what will happen if she succeeds in suicide, or if she dies” And they all knew “What will happen if all humans who aren’t devils, sinners or wicked people, but they joined the devil’s dirty plan know these truths”. Hence, *they all who have a belief “The future can be changed” really want me naturally die. In that they all knew “If Kay succeeds in suicide, or naturally dies, all humans who aren’t devils, sinners, or wicked people, but they joined the devil’s dirty plan will be immediately taken down to be violently tormented in merciless states where are called “hell” and “the eternal flame” with us forever”.*

Last, did you understand the meaning of the song “Eternal Flame” sung by the Bangles. And I believe you knew “*Kay never lies to anyone*”.
