

Introduction
to
**“Message to Queen Elizabeth
(The Truths of Princess Diana)”**
And
**“The end
of
pimp king Bhumibol and the satanic Chakri dynasty”**

(These 2 chapters
were in
“Is Jesus Christ coming?” (Old Version) on Google Play.
But
I rewrote them for posting on My website and for My book.
So,
I added this introduction for this section
to help My book to be more completed.)

Two of My Missions is to help everyone to see “Law of Karma in this life” and to save all ethical thrones from the devil’s dirty plan.

I mean that one of My Missions is to help everyone to see “bad karmas” rebound on Camilla and all prostitute devils who became “queens” or “princesses”, in this life.

“Law of Karma in this life” is not The Judgement of Jesus. But “Law of Karma in this life” is “Everything I do comes back to me”, or it is called in English proverb “What goes around comes around”. I mean that “Law of Karma in this life” is if you try to hurt, hurt, try to kill, or kill other, you will be hurt or will be killed in this life.

However, now, Camilla has gotten “good things” because she has worked the devil’s dirty plan with pimp king Bhumibol and the satanic Chakri dynasty together to order The God, so King Charles, Prince William, and Prince Harry have been ordered and controlled to strongly believe the wrong beliefs of Christianity “We must spend our time with harlots more than 1 hour until Jesus will be coming to judge the living and the dead” and “Jesus is coming to judge the living and the dead soon”.

The good things **are not fit for Camilla who is a prostitute devil. The God told Me many times** “The man whom Camilla **truly loves** is Andrew Parker Bowles in that Andrew chose her to be his wife and the mother of his children. However, King Charles chose Princess Diana. Thus, to **revenge King Charles and Princess Diana, Camilla has pretended to love King Charles to overthrow The British Monarchy so as to support Andrew and herself to be on high position in the British society and so as to make almost all British people to be her slaves by being slaves of drugs!**”

Although “Message to Queen Elizabeth (The Truths of Princess Diana)” and “The end of pimp king Bhumibol and the satanic Chakri dynasty” which had been posted Prince William on Christmas Day 2017 were gathered to be in My first e-book “Is Jesus Christ coming?” on Google Play, The God woke Me up on 15 September 2022 at around 3:30 am (Bangkok time) to hunch Me to unite, correct, complete, and then post them on My website again to proclaim the truths more widely.

To officially declare the truths by this book, *before I sent the manuscript of this book to the publisher, I had corrected and had completed them again and again according to the truths that The God **recently** told Me.*

Although *Queen Elizabeth was passed over on 9 September 2022 (Thailand time), after Queen Elizabeth had been passed on, The God told Me many important truths. In consequence, “Message to Queen Elizabeth (The Truths of Princess Diana)” and “The end of pimp king Bhumibol and the satanic Chakri dynasty” (Latest Updated) which I rewrote for this book will help everyone especially British people to know the truths what Camilla and Andrew Parker Bowles have done with pimp king Bhumibol and the satanic Chakri dynasty to The British Monarchy, what Princess Diana was confronted by Bowles family and the overthrow gang, and why Camilla, Andrew, pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people **cannot** let King Charles, Prince William, and Prince Harry **know the truths** “We have been fooled into waiting for The Judgement of Jesus that will take place in **4457 AD!**” ...*

... Shall we see the truths ...

Message to Queen Elizabeth
(The Truths of Princess Diana)

(Rewrite of “The Last Document”
 which was posted Prince William on Christmas Day 2017.
 And then,
 it was completed again for this book.)

Queen Elizabeth, sir. I told you. The God told Me *“Car accident that caused Princess Diana passed over was made by bad plainclothes policemen. Those bad plainclothes policemen want to defame The British Monarchy, and then overthrow The British Monarchy.”* It shows that *the overthrow gang who has run the devil’s dirty plan was set up before 1997. They have many wicked authorities and lots of evil people all over the world as their connections.*

Her Majesty the Queen, sir. Could you remember the news of the night when Princess Diana passed on? *The driver wanted to run away from many paparazzi. After that, the car crashed. Last, Princess Diana and Dodi passed on.* Her Majesty the Queen, sir. *Have you ever doubted? The driver was good at driving any cars. Why did he speed the car up in the tunnel until he could not control the car? Have you ever doubted? Why was his tongue cut?*

Her Majesty the Queen, sir. I sincerely believe that *some evil plainclothes policemen were in the paparazzi group. They might threaten the driver with their guns, so the driver speeded the car up to run away. Then, the car crashed. Finally, Princess Diana and Dodi passed on.*

Her Majesty the Queen, sir. *Princess Diana and Dodi could not tell the truth to anyone, so the driver was the best witness. As a result, some evil plainclothes policemen cut the driver’s tongue to threaten him “If you want to stay alive, you mustn’t tell the truth to anyone. If you tell the truth to only one person, you won’t lose only your tongue!” These evil plainclothes policemen also really wanted to threaten other people “If you don’t want to be injured the same as the driver, you must shut your mouth up!”*

Her Majesty the Queen, sir. *A British plainclothes policeman is a kind of police. Unless an order of their big boss and support from their colleagues, they cannot do any outlaw assignments, right? Another significant point is that INTERPOL OFFICE is in France where Princess Diana and Dodi passed away, right?*

Her Majesty the Queen, sir. *Pimp king Bhumibol, prostitute queen Sirikit, the satanic Chakri dynasty, and the overthrow gang have carefully run their plan to overthrow The British Monarchy step by step for a long time.* Please allow Me to help you to see. *Prince Charles will be The King of The United Kingdom and The Other Commonwealth Realms. Before Prince Charles chose Lady Diana, pimp king Bhumibol, prostitute queen Sirikit, the satanic Chakri dynasty, and the overthrow gang had planned “If Prince Charles chooses to marry a woman who isn’t in the overthrow gang, we’ll “get rid of” her certainly”* *The overthrow gang by pimp king Bhumibol had sent many wicked women, including Camilla and Lady Sarah, to close up Prince Charles.* Nonetheless, at that time, Prince Charles was smart enough for knowing how his heart felt, and how an excellent woman is. *As a result, Prince Charles chose Lady Diana to be his wife and the mother of his children who will be “heirs apparent”.* Thus, the overthrow gang could not hit their target.

Her Majesty the Queen, sir. The God told Me “*Queen Elizabeth let Prince Charles marry Lady Diana because Queen Elizabeth had noticed “Charles loves Diana in that his face and his body languages showed that he feels shy and happy while we were talking about “Lady Diana” together.*” Her Majesty the Queen, sir. However, *the overthrow gang by pimp king Bhumibol tried to make Lady Diana cancel the engagement. Thus, Lady Diana had been heard “The love story of Charles and Camilla” before the engagement day came with the result that Princess Diana’s heart had been hurt since then.* This is the reason why when a reporter asked Lady Diana “Does he (Prince Charles) love you?” on the engagement day, Prince Charles’ face showed his feelings of love for Lady Diana. He felt so shy and very happy. But Lady Diana’s face showed her uncertainty feelings about love from Prince Charles. In that she was wondering “Why did the reporter ask like this? What did he know about Charles and Camilla?”

Her Majesty the Queen, sir. *Princess Diana was a good woman, so she had the honest heart, with the result that she would not definitely betray Prince Charles and join the overthrow gang.* The overthrow gang really knew “*Although Princess Diana is a good woman, Princess Diana marries Prince Charles when she is so young. When Princess Diana marries Prince Charles, she is just 19 years old*”. The overthrow gang also knew psychology. They knew “*Princess Diana was a broken-home girl. How her heart and feelings will be?*” They knew “*Princess Diana needs love and warm from the man whom she really loves more than other women*”. Hence, *the overthrow gang by pimp king Bhumibol believed “Although Prince Charles and Princess Diana love each other, it isn’t difficult to make Prince Charles and Princess Diana divorce”.*

In consequence, *the overthrow gang by pimp king Bhumibol continued working with Bowles family together to devastate the family of Prince Charles and Princess Diana.*

Her Majesty the Queen, sir. After Prince Charles had married Princess Diana, *pimp king Bhumibol and prostitute queen Sirikit assigned Camilla to launch the rumour “Prince Charles truly loves Camilla”, and to telephone Princess Diana to provoke Princess Diana so as to make Princess Diana not trust Prince Charles, then quarrel with each other, and finally, “divorce”.* The God told Me many times “While Princess Diana was being Prince Charles’s wife, and the rumour “Prince Charles truly loves Camilla” was being launched, *Camilla telephoned Princess Diana to provoke Princess Diana many times. An example was “Diana, think twice. Whom Charles really wants to meet when he comes to Bowles’ home?”*

Her Majesty the Queen, sir. *Camilla telephoned Princess Diana to provoke Princess Diana by provocative words when Prince Charles was going to Bowles’s house to meet “his friends”. Prince Charles did not know these facts, and really thought “Andrew is my own good friend”. Princess Diana and Prince Charles also never directly talk about this point together as Princess Diana thought “If I asked my husband to know the truth, he would not confess definitely, so I’ll observe my husband by myself”. When Princess Diana was out of temper and asked Prince Charles “Why did you need to go to Bowles’ house?”, he sincerely answered “To talk to my friends”. He did not understand why Princess Diana yelled, screamed, and tried to suicide.* Maybe Prince Charles thinks “I’m a good prince. I’ll be a good king. All of my friends are sincere”. Consequently, he forgets “Many wicked people have their own evil purposes of making a relationship and getting close me”.

Her Majesty the Queen, sir. The God told Me *“Prince Charles used to persuade Princess Diana to go to Bowles’ house with him. But because Princess Diana had known the mind of Camilla since the start and Princess Diana never pretended (Princess Diana was sincere), so Princess Diana did not want to involve with Camilla and Andrew.* As a result, Princess Diana denied going to Bowles’ house with Prince Charles. *Whereas, at that time, Prince Charles was around 30 – 35 years old that is an age of addict to friends. But Princess Diana was around 19 – 24 years old and pregnant Will, then Harry. So, Princess Diana was pregnant when she just stepped over “teenage years”. And Pregnant women have mood swings too.”*

Her Majesty the Queen, sir. Therefore, *while Princess Diana was thinking “If Charles doesn’t love Camilla, why does he need to usually go to Bowles’ house?”, Prince Charles was thinking “Why Diana is never a reasonable woman. Andrew and Camilla are my good friends. Andrew and I have many interested topics to talk to together. Why Diana must be furious every time when I go to Bowles’ home?”*

Her Majesty the Queen, sir. **The God summarily told Me later...**

... “Princess Diana had been fooled “Camilla was the **first love** of Prince Charles, and Prince Charles **still loves** Camilla” since before engagement day came. So, after Princess Diana had married Prince Charles, the actions of Prince Charles which **seemed to care “his friends” more than her but never care her feelings** made Princess Diana hurtfully believed “I am not the most important person for Charles but Camilla is “the heart of Charles”” Therefore, Princess Diana felt **so much anguished**. ...

... And because Princess Diana married Prince Charles when she was **so young (19 years old)**, so she did not know how the best way “to handle” Camilla and “how to manage her hurt mood”. She also could not consult anyone who wished her the best. And one of the wicked people who usually “set Princess Diana by the ears” was **Lady Sarah**, her sister who has been in the overthrow gang, but Princess Diana trusted her. As a result, when Princess Diana was in a good mood, she was so lovely. But when she **felt hurt**, she was **upset at** Prince Charles, yelled, screamed, and tried to suicide.”

Her Majesty the Queen, sir. *The truths which The God told Me in the former paragraphs were the causes of **hurtful** thought of Princess Diana “Queen Elizabeth, Charles, and The British Monarchy **fooled** me into marry Charles in that I am fit for being “The Queen” more than Camilla. In reality, Charles loves Camilla. Charles still spends his life with me because “an heir apparent” needs to keep his reputation, and I am the mother of his children too!”*

Her Majesty the Queen, sir. **Did you understand why when Princess Diana was being with Prince Charles as his wife, she was extremely different from at the time when she had been with Prince Charles as “Lady Diana”?** And why after Princess Diana had married Prince Charles, she was “**a moody person**” when she was with Prince Charles?

Her Majesty the Queen, sir. Because *Prince William never listens to Me, but cares “Jesus” and “the beliefs of Christianity” more than Me, and “has gotten close” Kate who is a prostitute devil and her children without paying any attentions to My feelings for donkey’s years, so I understood how anguished Princess Diana felt because of the deeds of Prince Charles.*

Her Majesty the Queen, sir. *Did you understand why Princess Diana published the book “Diana, Her True Story”? Why Princess Diana devoted her life to Prince William, Prince Harry, and charity works? And why Princess Diana made up her mind to “date” Dodi after she had divorced Prince Charles?*

Her Majesty the Queen, sir. The God told Me many times “While Prince Charles was being Princess Diana’s husband, Queen Elizabeth warned Prince Charles to stop involving his life in Camilla. Queen Elizabeth warned Prince Charles “Camilla **isn’t** a good woman. She can break your lovely family down. Have you ever heard rumours about you and Camilla?”” Nevertheless, *Prince Charles did not care about your words (Because Prince Charles did not know what happened to Princess Diana. So, he thought “The rumours are unreal. Andrew is a fun talker. He is my talkative friend. If I care the rumours and do not go to his home the same as I usually do, it will show that I accept that the rumours are the truths!”)*. Her Majesty the Queen, sir. Are these the truths?

Her Majesty the Queen, sir. You are right. *“Camilla isn’t a good woman”. I told you “Camilla is a prostitute devil”. Camilla and Andrew Parker Bowles, who is her ex-husband, have joined the overthrow gang for a long time.* Her Majesty the Queen, sir. *Please think through. What kind of a woman who had her own husband and children but could accept rumours “I and another man were adulteries”? At that time, Camilla had her own husband and children. Why was not she shy?*

Her Majesty the Queen, sir. *How about Andrew Parker Bowles? At that time, Andrew was a high-level British Army soldier. Why could Andrew stand the rumours about Prince Charles and Camilla who was his own wife including the rumour “Prince Charles had sex with Camilla”? What kind of a soldier-spouse who get close a royal couple under “sexual rumours” but still feel “indifferently”? Why could Andrew bear to see Camilla with Prince Charles? Why Andrew and Camilla could meet Prince Charles without feelings bad and jealous? And why was not Andrew who was a high-level British Army soldier shy?*

Her Majesty the Queen, sir. I am not a man, but I know. ***It is about men's honour and prestige.*** A very significant truth which I would like to point you to see again is that *at that time, Andrew was a high-level British Army soldier. Why did not he love his honour and prestige? Why? It is because Andrew and Camilla inwardly have evil essential purposes, so Andrew could abandon his reputation and prestige behind.*

Her Majesty the Queen, sir. **The God told Me** *“One of their plans was that launching the rumour “Prince Charles had sex with Camilla” to make Princess Diana cannot tolerate spending her life with Prince Charles, but to tempt Prince Charles to “pity” Camilla!”*

Her Majesty the Queen, sir. I know *behaviours and habits of devils, but Prince Charles never knows. Prince Charles chose Lady Diana. Thus, Camilla not only wants to overthrow your family to support Andrew, who is her ex-husband, and herself to sit on high positions in the British society, but Camilla also wants to revenge Prince Charles and Princess Diana. All prostitute devils are very good at pretence. Although in their real hearts, they really want to kill you, they can smile and tell you “I love you. I really love you”.*

Her Majesty the Queen, sir. *After Prince Charles and Princess Diana had divorced, pimp king Bhumibol sent “Donald J. Trump” to “win” Princess Diana's heart. After Trump had not succeeded in “win” her heart, pimp king Bhumibol ordered the overthrow gang to assassinate Princess Diana. In that pimp king Bhumibol, prostitute queen Sirikit, and the satanic Chakri dynasty strongly want to blacken The British Monarchy “The British Monarchy is behind the scene to kill Princess Diana to open a way for Prince Charles to marry Camilla” They enjoyably thought “Because Princess Diana is “The Queen of Hearts” of tremendous people all over the world, so it will be a foremost opportunity to knock The British Monarchy down!”*

Her Majesty the Queen, sir. *While pimp king Bhumibol was assigning the overthrow gang to assassinate Princess Diana, pimp king Bhumibol never forgot to emphasize to the overthrow gang so as to carefully run their assassination plan “You must do everything in order to leave something can make people doubt the accident, but in order not to help anybody can catch up our assassination plan.”* Her Majesty the Queen, sir. **The God told Me several times** *“After pimp king Bhumibol had succeeded in assassination Princess Diana, pimp king Bhumibol laughed at The British Monarchy and all good Christians, and thought “The world will belong to us soon””.*

Her Majesty the Queen, sir. *I strongly believe that some wicked plainclothes policemen who cut the driver's tongue **beguiled** the driver into believing "The British Monarchy sent us".*

Her Majesty the Queen, sir. **The God told Me many times** "*Andrew and Camilla **had waited until they were sure** "Camilla is marrying Prince Charles certainly". Then, Andrew and Camilla divorced". Are these the truths?*

Her Majesty the Queen, sir. On 5 December 2019, at night, The Holy Spirit hunched Me to question you. *Could the truths that I told you earlier help you to figure out why Camilla and Andrew divorced, and why Camilla married Prince Charles?* And Her Majesty the Queen, sir. My question is *if Prince Charles was not "an heir apparent of The United Kingdom and The Other Commonwealth Realms", would Andrew be "his good friend" and "a fun talker" who had many interested topics to talk to him together? And if Prince Charles was not "an heir apparent of The United Kingdom and The Other Commonwealth Realms", would Camilla still "love" Prince Charles, divorce Andrew, and marry Prince Charles?*

Her Majesty the Queen, sir. *The overthrow gang chose Bowles family and supported Camilla, who is a prostitute devil, to be the wife of Prince Charles because Camilla **has an evil heart**. She **loves to fake and is very good at pretence**. She **has banded the overthrow gang together and has closed up Prince Charles for a long time too**. Prince Charles felt "Andrew and Camilla are my **important** friends" as well.*

Her Majesty the Queen, sir. **The God told Me many times** "*Since 2000, the overthrow gang has ordered Me (The God) to control Prince Charles to feel "Camilla is my own best friend" "I trusted Camilla" and maybe "I really love Camilla"". I mean that The God has laid the emotion "I should choose Camilla to be my wife" down on Prince Charles. This is in their devil's dirty plan too. The God also told Me "Prince Charles is an elderly-widower, so he really feels "I have felt lonely, and want a good woman to be my best fulfil friend"". I believe that Camilla has also ordered The God to make Prince Charles **really forget** "I still have my 2 lovely sons, my parents, and my siblings who always wish Me the best from their truly sincere hearts".*

Her Majesty the Queen, sir. *How about James Lifford Hewitt, who has been an imposter he was an adultery of Princess Diana? He is an English former household cavalry in the British Army. He is a type of British soldier. However, he spoke something destruction Princess Diana's life and your family. Why did not he love his honour and prestige? Why did he speak out about Princess Diana and him that?*

Her Majesty the Queen, sir. I went online. Some websites told Me the information of James Lifford Hewitt. They told readers "James Hewitt was an adultery of Princess Diana. They've many photos." I immediately questioned Myself "What are the photos? Where? On bed? *If those photos show James Lifford Hewitt and Princess Diana on a bed, who took those photos?*"

Her Majesty the Queen, sir. *I have an experience in faked photos. Ratchaneewan Ad-harn, her devilish family, and their gang really want to break My virginity down. Hence, they hired Wisit Sanerkaew, nickname "Tu", to fool Me into sleeping in many hotels many times. When Ratchaneewan and her devilish family knew "Kay is still a virgin girl", they were very grumpy. They actively want to kill Me. Destruction My life has been in their plan. Therefore, they hired a woman whose appearance is similar to Me to make many faked photos, and fool a few good Thai people and many good foreigners into believing "Kay was on beds with Tu in many hotels many times. Kay lost Her virginity for Tu".*

Her Majesty the Queen, sir. *I would like to open your eyes to see. Pimp king Bhumibol, prostitute queen Sirikit, and the satanic Chakri dynasty assigned the overthrow gang to make the faked scene "James Lifford Hewitt was an adultery of Princess Diana."*

Her Majesty the Queen, sir. *The overthrow gang chose James Lifford Hewitt in that Prince Harry's face is similar to Prince Philip and James Lifford Hewitt. Thus, it is not difficult to trick all good English people and all good people all around our world into believing "Prince Harry is a son of James Lifford Hewitt and Princess Diana". I believe you know what I mean. Anyway, The God told Me many times "The overthrow gang ordered Me (The God) to make Prince Harry's appearance similar to James Lifford Hewitt." This is in their devil's dirty plan too.*

Her Majesty the Queen, sir. **Have you ever known, in July 2004 (After The God had started opening My mind for about 4 years), James Lifford Hewitt was arrested outside a restaurant in Fulham with Alison Bell, a CNN journalist, for the possession of cocaine? A drunken Hewitt had 0.36 grams of cocaine in his pocket, but he was just given a warning, and Bell was released without charge.**

Her Majesty the Queen, sir. I told you the devil's dirty plan many times. **I told you "Pimp king Bhumibol has been the big boss of the Thai soldier drug-selling gang since around 1973". However, after I had calculated the lifetime of pimp king Bhumibol, I found that he started to be the big boss of the Thai soldier drug-selling gang before 1973.**

Her Majesty the Queen, sir. **Have you ever known what happened in Thailand on 14 October 1973 (1973 Thai popular uprising), and on 6 October 1976 (Massacre)? If you know reaction of pimp king Bhumibol and the satanic Chakri dynasty at that time, you will know what kind of man pimp king Bhumibol and the satanic Chakri dynasty are.**

Her Majesty the Queen, sir. **Pimp king Bhumibol grew up under the uncertainty politic crisis in Thailand. Hence, he can do anything just to manage to survive even the dirtiest tricks. Could you figure out what kind of man he is?**

Her Majesty the Queen, sir. **Could you remember that pimp king Bhumibol and prostitute queen Sirikit went to the western world in 1960? What do you think about going to the western world of pimp king Bhumibol and prostitute queen Sirikit in 1960? Her Majesty the Queen, sir. I told you many times "All Thai people have very envious hearts" And The God told Me many times "Pimp king Bhumibol and prostitute queen Sirikit went to the western world in 1960 to survey "How could we run the devil's dirty plan in these countries?"**" Her Majesty the Queen' sir. **Pimp king Bhumibol and his gang have supported other countries to become the Land of Drugs the same as Thailand by contacting many evil authorities in other countries to join them.**

Her Majesty the Queen, sir. To help you to know that I told you the truths, *I would like to underline the truths again;*

1) Pimp king Bhumibol has been the big boss of the Thai **soldier** drug-selling gang since before 1960.

2) Pimp king Bhumibol and high-level Thai **soldiers** are the main figure of the devil's dirty plan.

3) Pimp king Bhumibol has genuinely wanted to see other countries be the worst **the same as** Thailand before he dies.

4) Pimp king Bhumibol and his gang **have contacted** evil foreign people in other countries **to work** the devil's dirty plan **together since before 1960.**

5) Andrew Parker Bowles was a **soldier.**

6) Camilla Parker Bowles was a **soldier's** wife.

7) Andrew Parker Bowles was pushed up on **high position** in England after Prince Charles had married Camilla.

8) James Lifford Hewitt is a **soldier** the same as Andrew Parker Bowles. And

9) Some websites told Me "James Lifford Hewitt **quickly** steps up on **higher** soldier chairs".

Her Majesty the Queen, sir. *As I said all earlier, could you link these truths together?*

Her Majesty the Queen, sir. *Could you remember that Princess Diana hit a bottle on Prince Charles' head?* I saw that photo many times. Many experts in the relationship and many critics criticized "Princess Diana did that because Prince Charles and Princess Diana had had problems in their marriage life". Nonetheless, **after I had watched a clip on YouTube, I noticed that while Princess Diana and Prince Charles were being in that situation, Princess Diana was shy and considerate, and Prince Charles was shy and felt fun. Why did many experts in the relationship and many critics criticize that?** Her Majesty the Queen, sir. *As I said all earlier, could you link these truths together?*

Her Majesty the Queen, sir. **All that I told you earlier confirm the truths "The overthrow gang by pimp king Bhumibol have carefully run their plan to overthrow The British Monarchy step by step for a long time."** *Could you remember when Princess Diana started to think "Prince Charles loves Camilla"? Could you remember when there was the rumour "Prince Charles truly loves Camilla"? Could you remember when there was the rumour "Prince Charles had sex with Camilla"? Could you remember when James Lifford Hewitt got close Princess Diana? Could you remember when James Lifford Hewitt sold his unreal story about Princess Diana and him to gossip magazine? Could you remember when James Lifford Hewitt*

*declared “I was an adultery of Princess Diana”? And could you remember when there was the rumour “Prince Philip was behind the scene to assassinate Princess Diana to open a way for Prince Charles to marry Camilla”? Her Majesty the Queen, sir. **Princess Diana was passed on. She cannot tell any truths to anyone anymore.***

Her Majesty the Queen, sir. I would like to question you. Who could observe your family’s behaviours and habits? Who could know your family’s movement? *If they **were not** insiders, how **could** they know that Prince Charles felt “Andrew and Camilla are my important friends”? How **could** they predict “When Prince Harry grows up, his face will be similar to Prince Philip and James Lifford Hewitt”? How **could** gossip journalists believe them, and published those many unreal stories to the public? And **if** they did not have “The big one” to support them, why “the rumours” were launched continually?*

Her Majesty the Queen, sir. *The overthrow gang by pimp king Bhumibol devastated **not only** the family of Prince Charles and Princess Diana **but also** the family of Prince Andrew, Duke of York, and Princess Sarah, Duchess of York. The God told Me many times “Prince Andrew and Princess Sarah divorced **because of words of others.** Almost all women love to listen to words of others.” The voices also told Me “Prince Andrew and Princess Sarah **still** love each other. They still haven’t had anyone since they divorced.” ☺☺*

Her Majesty the Queen, sir. You have much experience. If you listen to Me and believe My words, I believe that you know the real situation in your country at present. **How about The United States of America? All good Americans do not have any good kings or any good queens who can balance the US. Government’s power to protect and save them.** The devil’s dirty plan was thought and has been run for a long time. I knew the Satans and the Thai devils. They will not let anyone who is not their real friend to sit on high-level authoritative chairs certainly. I mean that **now, their real friends sat on all high-level authoritative chairs in every country. How can all good Americans do if their government participates in the devil’s dirty plan?**

Her Majesty the Queen, sir. *Everyone has heard different stories. The God told Me many times “Pimp king Bhumibol, prostitute queen Sirikit, and the satanic Chakri dynasty have ordered Me to send their thoughts **to lie to** all good people around our world “Queen Elizabeth is an immoral queen, and Prince Philip was behind the scene to kill Princess Diana.””*

Her Majesty the Queen, sir. ***Pimp king Bhumibol, prostitute queen Sirikit, and the satanic Chakri dynasty have fooled many people by The God's Voice*** “While Kay was hearing the voices which told Kay “Barack Obama is an excellent leader. He really wants to help You”. So, Kay tried to help him, other people were hearing “Barack Obama is a devil. He’s a terrorist. He really wants to knock the world down.” Now, numerous foreigners knew the truth of Barack Obama. The voices fooled Kay. How about Queen Elizabeth and The British Monarchy? Kay has heard many pieces of good information about Prince William, Queen Elizabeth, and The British Monarchy. If Prince William is Kay’s Real Soulmate, if Queen Elizabeth is a lovely woman and a moral queen, and if The British Monarchy is an excellent monarchy, why has Prince William let Kay be tormented for so long? Why hasn’t Queen Elizabeth allowed Prince William to help Kay to fly to The Holy Home to save Her life? Why has The British Monarchy done the same as they want Kay to die? Have you ever known what behaviours of Prince William and Prince Harry are? Kay was fooled again indeed.”

Her Majesty the Queen, sir. ***You, your family, and all ethical monarchies have shut your mouths for a long time. You think “Explanation the truths isn’t the royal family’s business”. In consequence, many of your citizens have spoken out instead of you and your family. Human society mixes good citizens and bad citizens together. Some citizens always wish you the best. But some citizens always wish you maliciously.*** Her Majesty the Queen, sir. ***Power, influence, and a lot of money are delightful for all evil British politicians and all corrupt British government officers.*** You do not know their real hearts, but The God knows.

Her Majesty the Queen, sir. ***If Prince William and I are at The Holy Home, The God will tell you, your family, and all ethical monarchies “whom you can trust, whom you cannot trust, who want to protect your family and your beloved citizens from the Satans, all devils, all sinners, and all wicked people, but who want to overthrow your family and tempt your beloved citizens to be slaves of drugs.” All foreigners who have their king or their queen will know the truths who are in the overthrow gang, and what the overthrow gang has done to overthrow their own monarch to tempt almost all foreigners to be slaves of drugs since before 1960.*** Her Majesty the Queen, sir. ***You are a Christian queen. Why do not you let Me, The Daughter of The God, lead your way? Why do not you solve our problems by My solution?***

Her Majesty the Queen, sir. The God told Me many times;

- 1) “Princess Diana will come back to life to be the good wife of Prince Charles, and the good mother of Prince William and Prince Harry.” And
- 2) “Princess Beatrice and Princess Eugenie heard “Kay will help our happy family to come back””.

Her Majesty the Queen, sir. Why do not you want to see your sons, your daughter, your nephews, and your nieces live happy lives? Why do not you wish to see “Happy Ending”?

Her Majesty the Queen, sir. **I would like to highlight it again. The overthrow gang in the countries where have the ethical monarchs were set up for a long time. They were set up before I was born in 1976. They have their henchmen in all industries: INTERPOL, politicians, police officers, soldiers, government officers, servants of royal families, reporters, journalists, critics, experts in the relationship, creative people, and business circles. I mean “all industries”. As a consequence, The God sent Me as The Greatest Saviour, and sent Prince William as My backup to save all ethical monarchies, untold foreigners, and the world to survive. If Prince William and I are at The Holy Home, we can save not only the monarch system, all good British people, and all moral Americans, but also all innocent people all around our world. The Satans, all devils, all sinners, and all wicked people all around our world have led our world into an evil age. Why can you wait to save our world?**

Her Majesty the Queen, sir. Last, **The God has 3 Person: The God, The Daughter and The Son, and The Holy Spirit. Prince William is The Son of The God. I am The Daughter of The God. Why do we need to wait for Jesus?** Why do not you give “Happy Ending” to be “the greatest new year present” to Me and the good all around the world? **The greatest new year present is that help Prince William and Prince Harry to know their first essential mission from The God. Their first essential mission from The God is that help Me to go out of Thailand to fly to The Holy Home. Consequently, My life will be saved to protect all virtuous monarchies, countless foreigners, and the world.**

.....

The end
of
pimp king Bhumibol and the satanic Chakri dynasty

(Rewrite of “The Last Document”
which was posted Prince William on Christmas Day 2017.
And then,
it was completed again for this book.)

I suggest you to read this chapter with “Why just “Declare” “Request” and then “Receive”?” in this book, section 1, part 3, chapter 2.

First of all, I would like to emphasize it again. Pimp king Bhumibol is the ninth king of the satanic Chakri dynasty (King Rama IV). “K9” means “dog”. And Pimp king Bhumibol and prostitute queen Sirikit are still alive.

I told you many times. One of The God’s Wills is to help everyone to see “Bearing of fruits in this life”, or Buddha called “Karma” as a natural result of, and a natural reaction to, or it is called in the English language “What goes around comes around”.

I told you many times. “Bearing of fruits in this life”, or Buddha called “Karma”, or it is called in the English language “What goes around comes around” in the current millennium is not The Judgement of Jesus. But it is if you try to hurt, hurt, try to kill, or kill other, you will be hurt, or will be killed in this life. Do you hear pronunciations in the song “Love Is Color-Blind” sung by Sarah Cornor Feat. T.Q. the same as Me? When the song passes around 57 seconds, I heard “Everything I do comes back to me.”

Pimp king Bhumibol and his satanic family have felt ecstatic to torture Me, Will, all ethical monarchies, all innocent foreign creative people, and all guiltless people all around our world because of their thoughts “Just keep our excellent images and carefully choose our henchmen. Hence, nobody can expose our felonies, and bring us to any courts”. Nonetheless, “Bearing of fruits”, or Buddha called “Karma”, or it is called in the English language “What goes around comes around” is an everlasting truth. As a result, if Will and I are at The Holy Home, pimp king Bhumibol, his satanic family, all devils, all sinners, and all wicked people cannot run away from their own abundant bad fruits surely. We will see “What goes around comes around” (“Everything I do comes back to me”). They will kill one another certainly. I mean that whoever you are, how mastermind of your plan is, how a huge number of your henchmen are, and how excellent of your excuses are, if the fittest factors come, you cannot run

away from “bearing of your bad fruit”, or Buddha called “your bad karma” **definitely.**

Accordingly, I would like to open your eyes to see *how malevolent minds of pimp king Bhumibol and his satanic family can run its process to rebound unkind situations that they have thought, have felt, and have done to us, on them in their lifetime, when the fittest factors come.* The God calls this process “bearing of fruits **in this life**”, or Buddha called “karma” as a natural result of, and a natural reaction to, or it is called in the English language “What goes around comes around” (“Everything I do comes back to me”). I would like to open your eyes to also see. *How can we manage our advantages to complete the fittest factors? Why do we need to wait for Jesus?*

After Will will have declared the truths, Ratchaneewan Ad-harn, her devilish family, and scores of Thai people who have banded the devil’s dirty plan together will be killed by orders of pimp king Bhumibol and the satanic Chakri dynasty. I mean that they will be killed while I am still being detained in Thailand (Before The God will give “The Wanted-List of The God” to righteous foreign police officers.) I explained in this book many times why they will be killed. *The God told Me many times “Ratchaneewan and Pongthep Ad-harn themselves will have been seen their son, daughter, daughter-in-law, and nephew be brutally tormented to be suffering death. Then, they’ll be violently tormented to be agonized death. In that, they love to torture the good for their fun, and love to torment You, The Daughter of The God, to be heartbreak death.”.*

(Whereas, The God told Me in early November 2022 “Pimp king Bhumibol and the satanic Chakri dynasty will forthwith order their henchmen to kill Ad-harn family and many gangsters in Ad-harn family’s gangs after pimp king Bhumibol and the satanic Chakri dynasty will have made a mistake in controlling Will, King Charles, and brother Harry!”)

Not only Ad-harn family and scores of Thai people who have banded the devil’s dirty plan together will be killed by orders of pimp king Bhumibol and the satanic Chakri dynasty after Will will have declared the truths, but also bosses of Thai mafia gangs, high-level Thai mafia gangs, and many hooligans of Thai mafia gangs. In that pimp king Bhumibol, his satanic family, and all corrupt Thai authorities will excuse “The Satans, all Thai devils, and all Thai sinners are killing one another. They all are bearing their own abundant bad fruits.”

Later on, after Will and I will have been at The Holy Home, The God will give “The Wanted-List from The God” to righteous foreign police officers. Please do not forget that pimp king Bhumibol who is a male Satan, all devils, all sinners, and all wicked people have worked together to order The God to do **many felonies up to their minds**. The examples are 1) Order The God to continue running the devil’s dirty plan to overthrow all ethical monarchies to tempt almost all foreigners to be drug addicts and drug sellers (so as to be their slaves). 2) Order The God to torment Me to be distressful death. 3) Order The God to “massacre” in the Muslim World. 4) Order The God to make wars happen in many parts of our world. 5) Order The God to make disasters to kill colossal people around our world. 6) Order The God to kill many foreigners. 7) Order The God to torture the good. 8) Order The God to send their thoughts to “order” many people including many innocent members of all ethical monarchies to do as their orders. 9) Order The God to “control” many people including many innocent members of all ethical monarchies to do many things up to their minds. And 10) Order The God to make many devils and many sinners sit on high-level authoritative chairs of all foreign countries. **A significant truth is they have helped one another to condition The God “We’ll kill Kay and Her parents, if You do not do as our minds”**. So, The God actually knows **“Who else ordered”**. In consequence, **The God, who knows everything, confirms in “The Wanted-List from The God” “Who else have collaborated the devil’s dirty plan together”**.

In “The Wanted-List from The God” has 2 parts; 1) “The Wanted-List of The God” which has names of all Satans, all devils, all sinners, and all wicked people all around our world. And 2) “The Wanted-List of each country” (The Wanted-List from The God) which has names of foreigners who join the devil’s dirty plan, but they are not Satans, devils, sinners, or wicked people, and they quit in time. These Wanted-Lists will tell us what their felonies are, dates and times when they committed the felonies, and where the rest of the evidence is. **The God truly knows these truths inasmuch as pimp king Bhumibol, his satanic family, and his gang started running the devil’s dirty plan before 1960. And since December 1999, pimp king Bhumibol, his satanic family, Ratchaneewan Ad-harn, her devilish family, all devils, all sinners, and all wicked people have joined together to “order The God” to accomplish the devil’s dirty plan. All righteous foreign police officers just do their duty the best by insisting on bringing the Satans and all evil people who are in “The Wanted-List of The God” into their law process.**

In “The Wanted-List of The God” has names of **copious** Thai people. After that, righteous foreign authorities have to talk to high-level Thai authorities “We must bring all Thai people whose names are in The Wanted-Lists into our law process. Thailand must send the offenders in groups order to The Wanted-Lists. The first group, the second group, the third group, until the last group.”

Pimp king Bhumibol and his satanic family are in **the first group** of “The Wanted-List of The God”. The God told Me many times “Pimp king Bhumibol’s name is **the first name** in “The Wanted-List of The God”. Many important Thai devils are in early groups of “The Wanted-List” too”. Whereas, the high-level Thai authorities will tell the righteous foreign authorities “We **can’t** send pimp king Bhumibol, his family, and many Thai people whose names are in The Wanted-Lists to your countries **because they’re innocent.**”

All righteous foreign police officers **just insist on** bringing all Thai people whose names are in “The Wanted-List of The God” into their law process by telling the high-level Thai authorities “**If you don’t want us to declare war on Thailand, you must send all Thai people whose name are in The Wanted-Lists to our countries.**” Finally, the high-level Thai authorities will tell the righteous foreign authorities “We’re sending important Thai people whose name are in the early groups to your countries.” However, **they still will not** send pimp king Bhumibol and his satanic family abroad.

Pimp king Bhumibol and his satanic family are leaders of the Thai soldier drug-selling gang. Pimp king Bhumibol, his satanic family, and high-level Thai soldiers in his gang prepared **to excuse** “Ad-harn family and their gangs did. We didn’t do.” And because: 1) Ad-harn family is the third from the top of the Thai police drug-selling gang, and 2) There are names of high-level Thai police officers in the early groups of The Wanted-Lists, **so gangsters of Ad-harn family including the high-level Thai police officers will be killed to “everlastingly shut their mouths up”** by orders of pimp king Bhumibol, his satanic family, and high-level Thai soldiers certainly. Next, many Thai police officers and many Thai soldiers **will start killing each other surely.**

Please do not forget that words of foreign devils and foreign sinners will not have too much weight enough for sending pimp king Bhumibol and his satanic family into prison. Because pimp king Bhumibol and his satanic family have excellent images, so they can excuse “Many criminals have claimed to be us and have used our names to entice many foreigners to commit the devil’s dirty plan together.” Nonetheless, **what will happen, if details of their felonies are revealed from their close-up henchmen who have excellent image the same as them,** such as their officers who have managed their properties, the high-level Thai soldiers, many Thai businessmen who have helped them to launder their dirty money, and many Thai people who have worked with them together since the beginning. **These felonious offenders are the best witnesses to prove to all foreign courts “King Bhumibol and the Chakri dynasty are the leaders of all criminals to run the devil’s dirty plan.” The felonies of pimp king Bhumibol and his satanic family will be clearly revealed because of these felonious offenders.**

Pimp king Bhumibol and his satanic family know psychology of all righteous foreign police officers. They will think paranoid thought “If the righteous foreign police officers, especially many righteous Scotland Yard, many righteous FBI, and many righteous Christian police officers, successfully bring many Thai devils and lots of Thai sinners who also are felonious offenders into foreign law process, and persuade them “You must tell us the truths. We can save you as our witness and/or reduce your sentence.”, the Thai devils and the Thai sinners who are sent into foreign law process will open their mouths to reveal the truths “King Bhumibol and the Chakri dynasty are the leaders of us.”” Thus, the felonies of pimp king Bhumibol and his satanic family will be exposed. **For these reasons, pimp king Bhumibol and his satanic family will not definitely trust anyone. They will have secretly ordered “their henchmen” to kill all Thai offenders whose names are in the early groups of “The Wanted-List of The God” before the Thai offenders will be sent into foreign law process.**

After many Thai offenders whose names are in the early groups of “The Wanted-List of The God” will have been quickly killed one by one, one by one, and one by one, all Thai devils and all Thai sinners will know whose orders. Many henchmen of pimp king Bhumibol and his satanic family, and many Thai offenders whose names are in the early groups **will be afraid “It will be our queue soon”.** Hence, **they will team up to assassinate pimp king Bhumibol and his satanic family.** They will think “If king Bhumibol and his family are still alive, we’ll be killed someday soon.” They will also think “King Bhumibol himself allowed Ad-harn family, especially “Nattha Ad-harn”, nickname “Tom”, the daughter of Ratchaneewan and Pongthep, to tell “the top secret” to Kay, and emphasize “the top secret” to Kay many

times “Prince William is Your Real Soulmate” because king Bhumibol truly wants to see Kay suicide. Kay knew “the top secret” because of king Bhumibol. And king Bhumibol himself allowed Camilla, Kate, and Meghan to order The God to “kill” Queen Elizabeth too. **These’re his big mistakes. Why will king Bhumibol kill us?”**

While pimp king Bhumibol and his satanic family will be confronting the situation earlier, immense Thai people who are demonic will not want any countries to declare war on Thailand. Thus, they will collaborate with one another to call for amending article 6 of the constitution of Thailand and article 112 – 116 of the criminal law of Thailand to open the way to overthrow pimp king Bhumibol and the satanic Chakri dynasty, and send pimp king Bhumibol and the satanic Chakri dynasty as the felonious offenders abroad.

Anyway, although all friends of pimp king Bhumibol and the satanic Chakri dynasty **who became “the kings of Muslim Monarchies” or “the leaders of their countries”** will be overthrown after all good foreigners and all foreigners who can reform themselves will have seen “purgatory” “hell” and “the eternal flame” in My eyes and will have felt “purgatory” “hell” and “the eternal flame” in their dreams, **there will have the period of the time before they will be overthrown. And at the period of that time, the situations will be;**

While many henchmen of pimp king Bhumibol and his satanic family, and many Thai offenders whose names are in the early groups will be working together to assassinate pimp king Bhumibol and his satanic family, and while the immense Thai people will be teaming up to overthrow pimp king Bhumibol and the satanic Chakri dynasty to send them as the felonious offenders abroad, **many wicked members of the Muslim Monarchies who agreed with pimp king Bhumibol and his satanic family to join the devil’s dirty plan will be being anxious** “If righteous Scotland Yard, righteous FBI, and righteous Christian police officers successfully get king Bhumibol and his family as felonious offenders from Thailand, **king Bhumibol and his family will open their mouths to reveal the truths who members of the Muslim Monarchies that agreed to band the devil’s dirty plan together are. Many righteous Scotland Yard, many righteous FBI, and many righteous Christian police officers will exchange their information with many righteous Muslim policemen.”**

One of the felonies of *the wicked members of the Muslim Monarchies* is *they ordered The God to make them sit on The King's chair. Some of them controlled their father to choose them to be the king or the next king.* They also *controlled enormous good Muslims so as not to wait for Na-bee Mohammad and Me, but so as to be extremists for "J-Had".*

Many wicked members of the Muslim Monarchies who agreed to join the devil's dirty plan will think paranoid thought "I'll be arrested because of the words of king Bhumibol and his family." Then, *the wicked members of the Muslim Monarchies who agreed to be a part of the devil's dirty plan will send "terrorists" into Thailand to assassinate pimp king Bhumibol and his satanic family.* *Nonetheless, many Thai devils who are in authority will let "the terrorists" of the wicked members of the Muslim Monarchies come into Thailand to assassinate pimp king Bhumibol and his satanic family.* *Because both many Thai devils who are in authority and "the terrorists" of the wicked members of the Muslim Monarchies "genuinely want to see pimp king Bhumibol and his satanic family die".*

Anyway, *there are many mafia gangs all around our world. Some are called "FBI most wanted". Some are called "Scotland Yard most wanted". Some are called "INTERPOL most wanted". Some are called "Yakuza". And some are called "CIA".* Some clearly reveal themselves "We're mafias". Some do not reveal themselves. However, they agreed with pimp king Bhumibol, his satanic family, and all Thai mafia gangs to work the devil's dirty plan together. *They will be nervous "Our illegal actions will be exposed".*

The Thai mafia gangs enticed the foreign mafia gangs all around our world by explaining *"King Bhumibol is the king of Thailand. King Bhumibol and his family are the leaders of us. Hence, no Thai person braves to be an obstacle of us. Nobody will tell Kay "Prince William is Your Real Soulmate". Kay won't know this truth until She dies surely".* Therefore, although all foreign mafia gangs agreed with pimp king Bhumibol to reveal the truth to Me "Prince William is Your Real Soulmate", **after Will and I will have been at The Holy Home,** *they will be grumpy and bellicose "Originally, you all knew that the story was going on like these. Why do you persuade us to work the devil's dirty plan together? Why did king Bhumibol and the Chakri dynasty allowed The God to tell Kay who Her Real Soulmate is? Why did king Bhumibol allowed Camilla, Kate, and Meghan to order The God to kill Prince Philip and Queen Elizabeth? Why did not you tell the truths to us "Kay will not definitely die!"? And why have you planned to throw your guilts on us?"*

*All foreign mafia gangs who agreed to join the devil's dirty plan will want to **revenge** pimp king Bhumibol, his satanic family, and all Thai mafia gangs. Thus, they will send "professional killers" into Thailand to **assassinate** pimp king Bhumibol and his satanic family, and **kill** bosses of the Thai mafia gangs who enticed them to be a part of the devil's dirty plan. **And many Thai devils who are in authority will let "the professional killers" of all foreign mafia gangs all around our world come into Thailand too. In that, both the Thai devils who are in authority and "the professional killers" of all foreign mafia gangs all around our world "genuinely want to see pimp king Bhumibol and his satanic family die". Nevertheless, if "the professional killers" of the foreign mafia gangs all around our world succeed in killing the Thai mafia gangs in Thailand, it will be useful for all Thai authorities. Because all Thai authorities can excuse "We aren't the devils or the sinners. The Thai devils and the Thai sinners are the Thai mafia gangs and the foreign mafia gangs. And they all are bearing their own abundant bad fruits."***

*It is not enough. Pimp king Bhumibol and his satanic family were behind the scenes to **assassinate** Princess Diana of Wales in 1997, Princess Grace of Monaco in 1982, John F. Kennedy in 1963, and Marilyn Monroe in 1962.*

*Pimp king Bhumibol, prostitute queen Sirikit, and their gang started to run the devil's dirty plan on the US. at the time when the US. Troop **began in alliance** with the Thai troop. As the US. is a big and powerful country. But all good Americans do not have any good kings or any good queens to protect and save them, with the result that all good Americans cannot do anything if their government is a part of the devil's dirty plan. **Pimp king Bhumibol, prostitute queen Sirikit and their gang just choose wicked, greedy, and pimp American authorities to cooperate the plan together.***

In 1960, pimp king Bhumibol and prostitute queen Sirikit went to the western world. And the monarch of the UK and the monarchs in Europe have been their first targets to overthrow since then.

In case of Princess Grace of Monaco, I sincerely believe that somebody who is in the overthrow gang by pimp king Bhumibol and the satanic Chakri dynasty, put "something" in her dishes and/or in her glasses. And that thing made blood tube in her brain break up.

Why did the overthrow gang by pimp king Bhumibol and the satanic Chakri dynasty do that?

It is because before the overthrow gang by pimp king Bhumibol and the satanic Chakri dynasty would assassinate Princess Grace of Monaco, they had known “Princess Grace of Monaco is a good woman. She has the honest heart. So, she won’t definitely betray and kill her husband”.

The God verified the truths earlier to Me *“If Princess Grace of Monaco and Princess Diana of Wales were not good women, they would be still alive. In that, the overthrow gang would succeed in invitation them to be a part of the devil’s dirty plan”.*

As a consequence, *the overthrow gang by pimp king Bhumibol and the satanic Chakri dynasty truly wanted to see King Rainer III of Monaco marry a new wife who was in the overthrow gang. Pimp king Bhumibol, his satanic family, his gang, all sinful CIA, all evil American authorities, and all wicked Monaco authorities planned “If Princess Grace of Monaco dies, King Rainer III of Monaco’s heart will be broken and bruise, so King Rainer III of Monaco will look for a new woman to heal his heart. And it’ll be possible to send a prostitute devil who is in the overthrow gang into the Monaco Palace as the new wife of King Rainer III of Monaco.”*

I told you *“I sincerely believe that somebody put “something” in dishes and/or glasses of Princess Grace of Monaco. And that thing made blood tube in her brain break up”.* And **The God told Me** *“CIA has much knowledge of poison”.*

Could you remember when Princess Grace of Monaco was passed over, she was just 52 years old only, and when Princess Diana of Wales was passed on, she was just 37 years old only?

I would like you to know. *I do not believe Princess Grace of Monaco’s close friend who revealed Princess Grace of Monaco’s letter which Princess Grace of Monaco confessed “I was an adultery of the husband of my friend”.* Please do not forget that *Princess Grace of Monaco’s close friends are Americans.* And please carefully consider. *If all moral Monaco are fooled “King Albert II of Monaco is a son of Princess Grace of Monaco and her adultery”, what will happen?*

In case of JFK, JFK was assassinated because he knew the devil’s dirty plan, but did not surrender to work the devil’s dirty plan with pimp king Bhumibol, his satanic family, all sinful CIA, all evil FBI, and all corrupt American authorities together.

In case of Marilyn Monroe, a retired CIA confessed “I worked for CIA 41 years. I killed 37 people, including Marilyn Monroe. Before I killed Marilyn Monroe, I had never killed any women. But **my boss told me “Marilyn Monroe is a dangerous woman of America.** She has gone on bed with not only John F. Kennedy but also Fidel Castro.” **CIA and my boss worried “If she is still alive, she’ll tell top-secret information of America to Fidel Castro,** who is the leader of a communist country. Communist countries are enemies of the United States of America, so we can’t let Marilyn Monroe still alive.””

I sincerely believe that Marilyn Monroe was a spy of the United States of America. If Marilyn Monroe was not a spy of the United States of America, why did she know “the top-secret information”? And why did CIA worry “If she is still alive, she’ll tell the top-secret information of America to Fidel Castro.” A significant reason why I strongly believe that Marilyn Monroe was a spy of the United States of America is **if Marilyn Monroe was an ordinary star, why Marilyn Monroe could go on bed with both JFK who was the president of the US. and Fidel Castro who was the leader of a communist country?**

I truly believe that Marilyn Monroe was murdered as she knew the devil’s dirty plan. **Some wicked American Authorities who joined the devil’s dirty plan with pimp king Bhumibol and the satanic Chakri dynasty together genuinely wanted her to destroy the marriage life of JFK and Jacqueline Kennedy. Because they really wanted to see a prostitute devil marry JFK, and entice JFK to participate in the devil’s dirty plan.** But Marilyn Monroe could not succeed in her assignment and knew the top-secret information a lot. Then CIA, a dirty organization of the United States of America, ordered the CIA officer to kill her.

The felonious cases were happened by pimp king Bhumibol, his satanic family, his Thai gang, and many evil authorities all around our world. They have teamed up to assassinate many eminent people to overthrow all ethical monarchies especially The British Monarchy and all ethical monarchies in Europe since pimp king Bhumibol and prostitute queen Sirikit went to the western world in 1960. Inasmuch as they have actively wanted to tempt untold foreigners all around the world to be drug addicts and drug sellers (as their slaves). And since December 1999, they have participated in making Me be affliction death or suicide, and torturing foreigners all over the world.

The most crucial point is pimp king Bhumibol and his satanic family knew the foreign devils and the foreign sinners who are a part of the devil's dirty plan, such as all worst foreign politicians, all worst foreign soldiers, all worst MI6, all worst INTERPOL, all worst CIA, all worst FBI, all worst DEA, all worst Scotland Yard, and all worst KGB. Hence, in the period of the time when the friends of pimp king Bhumibol and the satanic Chakri dynasty who became "the kings of Muslim Monarchies" and "the leaders of their countries" still have not been overthrown, these worst guys will send their colleagues to assassinate pimp king Bhumibol, his satanic family, and all Thai authorities who have joined the devil's dirty plan too. Because they will be afraid "If king Bhumibol, his family, and all Thai authorities who have worked the devil's dirty plan with us together are successfully sent to righteous Scotland Yard, righteous FBI, and righteous Christian police officers, they will open their mouths to reveal the truths who else have participated in the devil's dirty plan".

I believe that in case of the previous paragraph, many Thai devils who are in authority will not let "the dangerous companions" come into Thailand easily. Since it means "Death of all bad Thai authorities" too. However, many tricks of "the dangerous companions" and much high technology equipment of "the dangerous companions" will help "the dangerous companions" to quickly come into Thailand and easily create the scenes to kill pimp king Bhumibol, his satanic family, and many Thai authorities who have banded the devil's dirty plan together. The situations will be the same as when pimp king Bhumibol, his satanic family, his gang, and all evil foreign authorities created the scenes to kill Princess Diana of Wales, Princess Grace of Monaco, JFK, and Marilyn Monroe. It will clearly show "bearing of fruits in this life", or Buddha called "karma", or it is called in the English language "What goes around comes around" ("Everything I do comes back to me" or another proverb is "You reap what you sow"). I would like to remind you again "Bearing of fruit in this life" that The God wants Me and Will to help everyone to see is "if you try to hurt, hurt, try to kill, or kill other, you will be hurt or will be killed in this life".

From My explanations earlier, could you imagine after Will and I will have been at The Holy Home, how feelings and thoughts of the friends of pimp king Bhumibol and the satanic Chakri dynasty who work the devil's dirty plan with them together but have good images, will be if we will have known "They are a part of the devil's dirty plan"? The most important point for them is that they all knew "All felonious offenders who cannot reform themselves will be sentenced by "Sha-re-ah Law"" ☺☺.

Please do not forget that *pimp king mha Vajiralongkorn, who became the present king of Thailand, has had **dirty life**, and all members of the satanic Chakri dynasty have had **“the sexual top-secrets”** (such as they are **“in heat”** every season, all female members of the satanic Chakri dynasty **lost virginity before marry**, and although they had married, **they had adulteries**. (They are **promiscuous**, or another word is **“screw”**) ☺☺). They all have also **teamed up to be the leaders to order The God** to win the devil’s dirty plan. And they are **“Thai people”** too. One of **“Thai styles”** is to be **ready to do anything to manage to survive even the dirtiest tricks**. Hence, after the righteous foreign police officers will have received **“The Wanted-List of The God”**, pimp king Bhumibol who has pretended to die, prostitute queen Sirikit, and their evil descendants **will not trust one another**. They are male Satans, female Satans, and a group of devils. Could you imagine what will happen to them whose names are in **the first group** of **“The Wanted-List of The God”**? (The details of this paragraph are in this book, section 2, part 4H, chapter 5: Overlapping Plans, and section 2, part 5K, chapter 7: Overlapping Plans (2))*

While these situations will be happening, all Thai people who have joined the devil’s dirty plan together but still will not be sent into foreign law process **will not trust one another** the same as pimp king Bhumibol, prostitute queen Sirikit, and their evil descendants. **They will think paranoid thought** **“If others are successfully sent abroad, the others will reveal the truths of mine to many righteous Scotland Yard, many righteous FBI, and many righteous Christian police officers”**. **One of the demonic habits of all Thai people is they can do anything just to manage to survive even the dirtiest tricks**. Hence, they will think **“I must get rid of the others who know my felonies”**. And then, **they will kill one another surely**.

How about *Thai businessmen and Thai people who are a part of the devil’s dirty plan, but they are spending their lives abroad? After “The Wanted-List of The God” will be in hands of the righteous foreign police officers, all foreign governments will run process to bring all Thai people in this group into their law process*. The Thai people in this group **have 2 choices**; 1) Continue spending their lives abroad. **If they select this choice, they must go into the foreign law process**. So, **they will be murdered by foreign devils and foreign sinners**. In that pimp king Bhumibol, his satanic family, Ratchaneewan Ad-harn, her devilish family, and the Thai devils told them who the foreign devils and the foreign sinners in those countries are so as to convince them **“You’ll achieve the devil’s dirty plan surely”**. Or 2) Come back to Thailand. **If they select this choice, they will be killed by orders of pimp king Bhumibol, his satanic family, and his gang**.

*All foreign devils and all foreign sinners **cannot** assuredly run away from these situations the same as all Thai devils, all Thai sinners, and all Thai people who decided to participate in the devil's dirty plan.*

*The God told Me many times “If the Thai government insists to foreign countries “We **won't** send king Bhumibol, his family, the high-level Thai authorities, the Thai politicians, and the Thai businessmen whose names are in “The Wanted-List of The God” into foreign law process”, we'll see many foreign countries **declare war** on Thailand. **Thailand will be in wars both inside and outside** the same as Thailand has done to Syria, many countries in the Muslim world and Ukraine”.*

*On the other hand, **what will happen if pimp king Bhumibol, the satanic Chakri dynasty, and the high-level Thai authorities pretend to sincerely invite, or faithfully allow the righteous foreign police officers to interrogate them in Thailand?***

*In case of the former paragraph, **it will speed their time to die up.** Inasmuch as the foreign devils and the foreign sinners all around our world (For example; All wicked members of the Muslim Monarchies, all worst foreign politicians, all worst foreign soldiers, all worst MI6, all worst INTERPOL, all worst CIA, all worst FBI, all worst DEA, all worst Scotland Yard, all worst KGB, and all international mafia gangs) will be **anxious** “Whenever righteous foreign police officers arrive Thailand, our time's up!” In consequence, **they cannot let pimp king Bhumibol, his satanic family, and the high-level Thai authorities are still alive.** By the way, do not worry about all righteous foreign police officers. After Will and I will have been at The Holy Home, The God will protect and save all good foreigners and all foreigners who can reform themselves ☺☺.*

*The God also told Me “After all good foreigners and all foreigners who can reform themselves including Christian police officers, Muslim policemen, Christian soldiers, Muslim soldiers, and foreign politicians around the world will have seen hell and the eternal flame in Your eyes, and will have felt hell and the eternal flame in their dreams, they **will scare** dying in hell and the eternal flame with the result that they all will become Your “**partisan-disciples**” and will do everything You will request them including doing their duty the best to bring pimp king Bhumibol, his satanic family, and their all henchmen to be sentenced ☺☺.*

If Will and I are at The Holy Home, pimp king Bhumibol and his satanic family will start to get rid of “their own blood” surely. Their own companions will try to assassinate them certainly as well. The immense Thai people will team up to amend the Thai laws to overthrow them and send them as the felonious offenders abroad. scores of Thai people will also kill one another inevitably. And many Thai people who are a part of the devil’s dirty plan will die in violent deaths. The God told Me 2 to 3 times “Pimp king Bhumibol and his satanic family will be “brutally tormented to die”, and many Thai people who are a part of the devil’s dirty plan will die in bombs and/or violent shootings. When they die, their internal organs will be out of their bodies. Their hearts will be scooped out of their bodies like messengers of death scoop their hearts out. Because they love to torment the good, knock the hearts of the good down, and torture You to be heartbreak death”.

I cannot confirm who will succeed in assassination pimp king Bhumibol, prostitute queen Sirikit, and their evil descendants. But if Will and I are at The Holy Home, everyone will see whatever and wherever pimp king Bhumibol and his satanic family will be, they cannot run away from being overthrown and violent torments to be death definitely.

I would like to highlight it again. “Bearing of fruits **in this life**” in the current millennium **is not** The Judgement of Jesus. But we will see 2 steps of “Bearing of fruits **in this life**”, or Buddha called “Karma”, or it is called in the English language “What goes around comes around” (“You reap what you sow” or “Everything I do comes back to me”);

1. After Will will have declared the truths, Ratchaneewan Ad-harn, Pongthep Ad-harn, Ad-harn family, scores of Thai people who have joined the devil’s dirty plan, some important foreign devils, and some important foreign sinners **will be killed** by their “higher hands” certainly.

(I would like to **remind** something The God told Me in early November 2022 again “Pimp king Bhumibol and the satanic Chakri dynasty will forthwith order their henchmen to kill Ad-harn family and many gangsters in Ad-harn family’s gangs after pimp king Bhumibol and the satanic Chakri dynasty will have made a mistake in controlling Will, King Charles, and brother Harry!”)

And

2. After Will and I will have been at The Holy Home;

2.1) Pimp king Bhumibol, prostitute queen Sirikit, and their evil descendants **will be overthrown inevitably**. As they have teamed up to continue overthrowing all ethical thrones especially The British Monarchy, all virtuous monarchies in Europe, and Imperial House of Japan.

2.2) While pimp king Bhumibol and the satanic Chakri dynasty will be being overthrown, pimp king Bhumibol, the satanic Chakri dynasty, the rest of the devils, the rest of the sinners, and the wicked **will be also detained in their countries or their zones to kill one another surely**. As they have participated in detaining us to torment us to be distressful death. And

2.3) Thailand will be **in wars both inside and outside**. As pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people have cooperated altogether to order The God to cause “wars” in many parts of our world.

*All which I explained earlier are some essential reasons why pimp king Bhumibol, his satanic family, Ratchaneewan Ad-harn, her devilish family, all devils, all sinners, and all wicked people **have done everything to fool Will, all ethical members of The British Monarchy, and all moral Christians into waiting for the end of the test, and The Judgement of Jesus which will not certainly occur in the current millennium but will take place in 4457 AD, and cannot let Will, King Charles, brother Harry, and all ethical members of The British Monarchy out of their control!***
