

The middle script of 9 June 2023 to 10 June 2023

In this video clip, I would like to tell you that the next week, I am opening many video clips which will help foreigners to know many truths especially what pimp king Bhumibol, the satanic Chakri dynasty, and David Cameron assigned the consultants of King Charles to betray King Charles or stab King Charles into his back. The video clips will also help foreigners especially foreigners who have worked the devil's dirty plan with pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people and have an important role in the plan to know what natures of all Thai people are when they confront a difficult or dangerous situation.

After you will have finished listening to the video clips of the next week, you all will know that why I have usually warned you "One should be afraid of the words "betray" and "stab one into the back" in that people who betray you or stab you into your back are not your enemies!" Because the video clips will help you all to know natures of pimp king Bhumibol, the satanic Chakri dynasty, high-level Thai soldiers, and all Thai people when they confront a difficult or dangerous situation. Conversely, you all will know natures of Ratchaneewan Ad-harn and Ad-harn family when they are betrayed by pimp king Bhumibol, the satanic Chakri dynasty, high-level Thai soldiers, and all Thai people. And they all are all Thai people!

I mean that the video clips of the next week will help you all to know that all Thai people can do anything to manage to survive even the dirtiest tricks. And the dirtiest tricks including betray their own friends and stab their own friends into the back!

I told you "Pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people have it in their minds to blacken Queen Elizabeth, King Charles, Prince William, The British Monarchy, all British people, the UK, and other countries such as the US, Japan, South Korea, and India."

Once again: "One should be afraid of the words "betray" and "stab one into the back" in that people who betray you or stab you into your back are not your enemies!"

Next week. Do not miss!

Thank you very much, sir.
