

The truths ***(5 December 2023)***

I told you “Pimp king Bhumibol and the satanic Chakri dynasty started enticing the US troop to commit the devil’s dirty plan at the time when the Thai troop started allying with the US troop”

The truths Allah or another name is Jehovah told Me more are:

1) Pimp king Bhumibol and the satanic Chakri dynasty agreed with high-level US soldiers to divide shares from selling arms to one another at the time when the Thai troop started allying with the US troop. Pimp king Bhumibol himself advised the high-level US soldiers “We need to use some tricks to run our business smoothly and very well. We sell arms, so wars must be declared on many countries in that arms will be sold difficultly if the world is peaceful. Thus, we have to make conflicts and wars happen in the world so as to receive a large number of profits from selling arms!”

2) Pimp king Bhumibol himself advised the high-level US soldiers to use natural resources of other countries until the natural resources of the other countries will be used up. After that, the US will have natural resources of the US to use for the US.

3) For those reasons, which countries are abundant of natural resources, the US has to find an alibi to declare war on them such as the US wants crude oil in Iraq, the US has to declare war on Iraq. This process will help arms to be necessary and if the US triumphs over those countries, the US will have an alibi to manage natural resources of those countries!

(Could you notice that Israel wants to possess Palestine in that Palestine is located near Mediterranean Sea, so Israel has used the process which pimp king Bhumibol advised the high-level US soldiers to do by agreeing with pimp king Bhumibol and the satanic Chakri dynasty to control Hamas to start the war on 7 October 2023 too? The Father Almighty told Me in November 2023 several times “Kay, after You had told the plan of pimp king Bhumibol, the satanic Chakri dynasty, Joe Biden, Netanyahu, and high-level Israeli soldiers to help Israel to possess Gaza and Palestine to the world, Israeli soldiers who knew the plan did not know how to say!”)

The high-level US soldiers thought “The advices are very good”, so the US government brought them to set country’s policies up. But pimp king Bhumibol, the satanic Chakri dynasty, and the Thai troop have thought “Nobody knows who else are behind the scenes of these processes. We create our image to be “the best”, and these processes help other people to believe “The Thai dynasty, the Thai government, and all Thai people are godly, but the US government and all American people are devilish.” So, although we are the first thought of these processes, Thailand will be peaceful, we will have much time to run the devil’s dirty plan as innocent country, and we will be free from any felonies!”

I believed that our God told Me the truths because our God told Me “The white has a parallel brain. They think straight” But My experiences in all Thai people since I was a girl have helped Me to know that some of the natures of all Thai people are “envious” “cheat” and “tricky”. The brains of all Thai people are formed to be “devious” and “demonic” by their family since they were born. “A Thai smile” means that a Thai person gets a benefit and/or that Thai person wants to kill you! And our God confirmed Me “What You have known about all Thai people are the truths!”

The US government sells arms and makes wars take place in many countries especially many countries in The Muslim World. Many Muslims know these truths but they have not known who else are behind the scenes of these processes, so the Muslims have thought “If your God is good, why have you done like these?” The Muslims forgot “Jesus had His time to teach around only 3 years”, so the Muslims have thought “Does not Jesus teach you?” And Muslims forgot “Na-bee Mohammad teaches us not to believe Jews. Na-bee Mohammad does not teach us to hate Jews”, so numerous Muslims do not accept Christians and hate the US Government, American people, and also Christians.

I would like American people and citizens of Christian countries where sell arms to put your feet into Muslims’ shoes. If you were a Muslim and you knew “The US government and his partisans have made war occur in my country to sell arms and possess natural resources of my country” with the result that you were suffer in war and your family and your compatriots died in the war, how would you feel? Do not you think “The US government and his partisans killed us?” And would you hate the US government and his partisans?

Thailand never directly joined any wars because all Thai people have “multiple faces” and are ready to do anything to manage to survive even the dirtiest tricks. Could you notice that after the wars pass, every country accepts all Thai people and Thailand as his friends? Why do not you ask a Japanese “What happened between Japan and Thailand after Pacific War had been in the end?” But why since then Japanese people strongly believed “All Thai people are our nice friends”?

I saw a topic of the news from Line application on 8 November 2023 at night “Laos’ history teaches Lao people to hate Thai people” I did not go into details but I know that Thai people refuse the history even though ancestors of Lao people taught the next generations right. And our God hinted Me to confirm the news later “ไม่รู้คนลาวเจอคนไทยทำอะไร” or can be translated in the English language “Kay, You still have not known what Thai people have done to Lao people!”

Backwardly, on 8 November 2023 at around 1:00 pm, I thought that our God was being furious because He spoke through My thought “หลังจากอยู่ที่ The Holy Home แล้ว ประเทศไหนมีอาวุธอะไร ให้ “ชน” เามาใช้กับประเทศไทยให้หมด คนไทยจะได้รู้ว่า ความสูญเสีย ความเจ็บปวด และความทรมานทุกข์ทรมานจากสงครามเป็นยังไง” or can be translated in the English language “After You will be at The Holy Home, I would like every country to use all his arms he has, to declare war on all Thai people and Thailand to teach all Thai people to know how loss, anguish, and suffering from wars are!” (I knew that our God spoke through My thought because at that time I was thinking about the funeral of a friend of My Dad, then the thought came.) I knew the truths later “All Thai people have helped one another to think to order our God to do “something so very much wicked”, so our God was being furious and spoke through My thought earlier”.

I would like to emphasize the truths again;

In the end, all Thai people will help one another not to accept all demonic orders they have helped one another to order our God to do by the lies “We did not do. If we did, we would be afraid and we would stop. We are blackened!” ...

... Could you figure out why pimp king Bhumibol and the satanic Chakri dynasty frequently order our God to send their thoughts to fool Me many lies? It is because pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people can alibi “Kay was usually fooled, and She is fooled into believing the lies which have purposes of blackening us!” ...

... Pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people will try to continue fooling foreign people by the lies “Foreign people have been deceived since the start “Prince William of The British Monarchy is The Son of The God and The Real Soulmate of Kay. King Bhumibol, the Chakri dynasty, and us are satanic and have run the devil’s dirty plan”” ...

... Pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people will lie to foreign people who do not believe their lies “Because Prince William is not The Real Son of The God and The Real Soulmate of Kay, so Kay is still at a dangerous place, so that Prince William, The British Monarchy, British people, and their henchmen can help one another to order The God to control you not to believe the truths from us!”

As of lately, I have noticed that many Thai people have imported products from abroad all around the world to sell people in Thailand. As a result, I knew that all Thai people really want to make foreign merchants all over the world to think “Thailand is one of the big markets of us” to support the governments of the foreign merchants not to declare war on Thailand!

Anyway, I knew that pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people really want world’s economic to down because they want foreign people to be anxious, stress, have no money to spend for their lives, and have nothing to rely on to be easy to tempt the foreign people into addicting drugs and into selling drugs all over 7 continents.

By the way, our God has emphasized the truths to Me “Kay. Tell foreign people: Pimp king Bhumibol, the satanic Chakri dynasty, and the Thai troop started the devil’s dirty plan before 1960. And they have sent their Thai henchmen abroad since before 1960, not since the end of November 1999!” ...

... I am not sure because our God told Me many years ago once “Kay, pimp king Bhumibol and the satanic Chakri dynasty are cheat and tricky, so they have let a “small” group of Thai people who have not worked the devil’s dirty plan to spend their lives abroad to alibi to foreign people for pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people “We did not do!”” but since around 2017, our God has also told Me many times “Kay, now, 100 percentages of all Thai people who are spending their lives abroad have worked the devil’s dirty plan with pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people in Thailand. In that if they did not agree to work the plan, they would not have any chances to go out of Thailand to spend their lives abroad, or they would be “brought” to come back to Thailand!”

Last, I would like to ask My question I asked you long time ago again: I am the most optimistic girl. I see people around Me pure the same as Me. And I do not see “any flaws” in people whom I keep in touch. So, if I tell you “That man is wicked”, what the man is?
