

## ***The truths of Nok (2)***

***(I wrote these truths from 14 October 2022 to 15 October 2022, completed them on 16 October 2022, and posted them on My website on 16 October 2022.)***

Because Nok has worked the devil's dirty plan with pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people together, so Nok knew "Pimp king Bhumibol and the satanic Chakri dynasty are the leaders of us". Because of that, if Nok cannot get on "the trustworthy royal flight" with Me and My parents (to help pimp king Bhumibol, the satanic Chakri dynasty, herself, all Thai people, and all evil foreign people **can** continue ordering The God), Nok will be kill by an order of pimp king Bhumibol and the satanic Chakri dynasty. Thus, Nok must do everything to get on "the trustworthy royal flight" with Me and My parents.

Accordingly, to alibi "Nok was ordered and controlled by Ad-harn family and their gangs, **and** all Thai people were ordered and controlled by Ad-harn family and their gangs **too**" to get on "the trustworthy royal flight" with Me and My parents, pimp king Bhumibol, the satanic Chakri dynasty, Nok, and all Thai people have changed their plan.

Because pimp king Bhumibol, the satanic Chakri dynasty, Nok, and all Thai people really want to hit Me to make Me **injure** too, so their new plan is that pimp king Bhumibol and the satanic Chakri dynasty assign Nok to look for problems at Me to provoke Me and to hit Me to make Me **injure** (so as to excuse "Nok was ordered and controlled by Ad-harn family and their gangs" to get on "the trustworthy royal flight" with Me and My parents).

An example is that on 13 October 2022 at around 9:00 am, Nok heard Me open the door of My bedroom, so Nok followed Me to the first floor of My home so as to look for problems at Me. while I was being at the sink, Nok threwed a big plastic bowl at Me to provoke Me and to hit Me to make Me **injure**. Nok threwed so hard and the bowl **broke down**. However, because The God helped Me, so the bowl did not hit Me. Then, Nok went up to her bedroom. ...

... The time passed not over 3 minutes, Nok went down to look for problems at Me **again**. But because My mom stepped out to stand between Nok and Me, so Nok went up to the third floor again. After Nok arrived the third floor, Nok threwed the lid of My lamp at the door of My bedroom. The lid of My lamp **broke down into many pieces**. After that, Nok went into her bedroom and **loudly** shut the door.

Pimp king Bhumibol, the satanic Chakri dynasty, Nok, and all Thai people have planned to let Nok provoke Me and/or hit Me to make Me injure *at the time when numerous foreigners are following My mind* (such as at the lunch time of British people) *too*. In that they have planned to let Nok excuse “I was ordered and controlled by Ad-harn family and their gangs. And they planned to blacken Me. Thus, they ordered and controlled Me to do those deeds at that time. I knew that at that time many foreigners were following the mind of Kay. If I were not ordered and controlled, why did I do those deeds at that time?” All Thai people are excusing the same as Nok. This is a reason why some Thai people still have not stopped provoking Me while I have a shower.

After I had told you their excuses earlier, I heard the voice of Prayuth Jun-o-cha “It is the time to assign Nok to *pretend* to know herself “I was ordered and controlled”!”

If we believe the excuse, and let Nok get on “the trustworthy royal flight” with Me and My parents, what will happen? ...

... Because: 1) Nok ordered The God to *kill* “Amy Winehouse” (in that Amy pronounced “Nok” in the song “Rehab” many times.) 2) Nok has helped pimp king Bhumibol and the satanic Chakri dynasty to *order and control* Queen Elizabeth and good members of The British Monarchy. And 3) Nok has helped pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people to *order and control* foreigners *including tremendous British people*. So, after “the trustworthy royal flight” will have flown out of the territory of Thailand, all good Scotland Yards will be *ready* to *arrest* Nok to interrogate, and bring Nok to court of law as *a defendant*. ...

... And because Nok *cannot* reform herself, so if I survive, Nok will be *taken down* to be brutally tormented in merciless states *forever*. ...

... *Therefore, do you think if Nok has a chance to get on “the trustworthy royal flight” with Me and My parents, will Nok surrender to let The God tell each foreigner “You can reform yourself” or “You cannot reform yourself” to make a safer place for Me, My parents, Prince William, and Prince Harry?*

**Remark:** One of the reasons why pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people have assigned Nok to hit Me to make Me injure is that they have strongly wanted Me to “fear danger” which Nok will harm Me. So, all Thai people *can excuse* “We followed orders of Ad-harn family and their gangs including an order “Don’t help Kay” because we were afraid of dangers which Ad-harn family and their gangs would harm us if we did not follow their orders!”
