

The truths of “Nok”

(I wrote these truths from 22 July 2022 to 23 July 2022, completed and posted them on My website on 25 July 2022.) ...

“Nok” who lives in My parents’ home has envied Me, and has wanted all treasures and all properties of My parents since she was a girl. She has worked the devil’s dirty plan with pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, almost all Thai, and all evil foreign people together to kill My parents and Me in that Som (Esu) has enticed her. The God told Me “Nok herself ordered Me (The God) to kill Amy Winehouse because of the song “Rehab”” “Nok has ordered Me (The God) to send her thoughts to talk to Kate” “Nok and Kate have ordered Me (The God) to send their thoughts to talk to each other” “Nok has ordered Queen Elizabeth” “Nok has been one of Thai who has “ordered” and has “controlled” enormous foreigners all over the world” “Nok has been one of the evil people who has ordered Me (The God) to make Your behaviours become hers, and to make her behaviours become Yours” And “Nok cannot reform herself!”

Since the end of 2020, Nok has usually pretended to be crazy so as to make My parents and Me suffered in our home, and so as to be an excuse of all Thai and Thailand “Nok and all Thai were controlled by real Satan and real evil people. In reality, we are moral, nice, and generous”. Now, Nok has sometimes provoked Me to start quarrelling with her in that she can tell Thai police officers and Thai courts “Kay started quarrelling and attacking Me first”.

I strongly believe that pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, and Ad-harn family will not definitely kill Nok until it will be nearly a day when “The Real Son of The God” will fly a reliable plane to come to take Me, My parents, and My dog out of Thailand, and/or they do not have any excuses to alibi but “Nok is a devil. She joins real Satan and real evil people to torment and kill Kay and Her parents!” They have planned to fool everyone “The real Satan and the real devils are Prince William and The British Monarchy” and/or others whom they have planned to blacken too. Pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and all Thai have needed to keep Nok’s life because of the reasons I told you in the second paragraph (To make My parents and Me suffered in our home and to be an alibi of all Thai and Thailand too).

Last, I would like you all to know the truths of all Thai and Thailand. Thailand is the worst country where a man can kill his own best friend because of envy and/or to manage to survive. Thailand is the worst country where a child can kill his own parents, a man can kill his own siblings and/or his own relatives because of envy and/or to get all heritages!

Remarks: 1) I told you “Nok has ordered Queen Elizabeth”. One of her orders is that ordering Queen Elizabeth to be “urinary incontinence”. Pimp king Bhumibol and the satanic Chakri dynasty have also ordered My mom and Me to be “urinary incontinence” too. Therefore, they can alibi “Queen Elizabeth herself ordered Kay and Her mom to be “urinary incontinence” the same as her. Prince William, Queen Elizabeth, and The British Monarchy have wanted to see Kay and Her parents be severely tormented until they die. If Prince William was The Real Son of The God, why did not Prince William try to help Kay and Her parents? Why did Prince William let Kay and Her parents be violently tormented to die around 23 years? These are the evidences to prove to the court “Prince William is the real Satan, and Queen Elizabeth and The British Monarchy are all real devils!””

2) I told you “Nok has usually pretended to be crazy so as to make My parents and Me suffered in our home” because I have noticed that Nok never is mad with others but My parents and Me and always in our home ☹️☹️.

My mom told Me “Nok knew that if she was crazy with others, the others would fight against her, and then the others would go to report to the police” Whereas, I knew that if Nok is crazy with others, the others will not definitely go to report to the police, in that pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and all Thai have needed to keep Nok’s life so as to make My parents and Me suffered in our home, and so as to be an excuse of all Thai and Thailand!
